## **From Anna:**

From Anna Jean Little, 1973-10-31 Anna has always been the clumsy one in the family Somehow she can never do anything right She bumps into tables and she can't read the blackboard at her school Her perfect brothers and sisters call her Awkward Anna When Papa announces that the family is moving from Germany to Canada Anna's heart sinks How can she learn English when she can't even read German Nothing could be worse than this But when the Seldens arrive in Canada Anna learns that there is a reason for her clumsiness And suddenly wonderfully her whole world begins to change *Anna's Healing* Vannetta Chapman, 2015-10-01 Anna's Healing is the first book in a brand new collection from popular author Vannetta Chapman These stories of love and family and Amish community in Oklahoma tell of the miracles that can happen when lives are lived in service to God and to one another When a tornado strikes the farms surrounding Cody's Creek Anna Schwartz's life is changed forever She suffers a spinal cord injury and suddenly finds herself learning to live as a paraplegic Three people Chloe Roberts Jacob Graber and Ruth Schwartz join forces to help Anna through her darkest days Chloe is an Englisher who writes for the local paper Jacob has recently arrived in town and stays on as a hired hand at her uncle's And Ruth is her grandmother a woman of deep faith and a compassionate spirit Then one morning Anna wakes and finds herself healed How did it happen Why did it happen And what is she to do now Her life is again turned upside down as the world's attention is drawn to this young Amish girl who has experienced the unexplainable **Voices in the Midst** Catherine Ann Sabatino, 2010-04 This is not a book for the faint hearted This topic affects every one of us whether we realize it or not and it is one that the writer crafts with honor It is an explosively heart rendering must read that deals with the residuals of severe child abuse and the squalid monsters who commit such horrendous acts monsters who hide among us all Catherine's brutal honesty is commendably brave She spares nothing in order to get her message across for her readers to get the full feeling of the story With keen empathy and vibrancy Catherine takes you on a journey of finalizing contingent and prevailing wisdom The reader is taken into the lives and the sensations of such victims with specific ardor Her handling of the topic sets the readers feet onto the very misbegotten path that these unfortunate people were unwillingly cast onto And she does it with such openly harsh tact She artfully commends all victims into their rightful place by giving validating insight into the makings of the deep scars and the mechanisms that protrude into their lives Some might view this book as a type of thriller or horror tale by way of its purely raw depiction of a sincere truth The horizon is drawn via a variety of delicately captured candidness You will tingle and sensate from this depiction of human ugliness at its best The words may rip through you but you will undoubtedly reach a poignant climax by the travels you go on with her main character Catherine has succeeded in outlining the nefarious nature that brings about the subject with colorful detail in this creative non fiction novel You will not be able to put it down *Biennial Report* Illinois.
