Glorious Battle Cry William E. Austin, 2008-04-22 Web Site Book Description The entertainment and sports transformation of Atlanta Georgia began with the arrival of the Atlanta Braves baseball team in 1964 and didn't slow down until the 1996 Olympic Games Every type of sporting event either passed through or called Atlanta home except thoroughbred horse racing Long known for its attraction to gamblers and underworld figures horseracing has always lived under a cloak of suspicion Here is a story about a man with a tremendous stroke of luck who set out to remove that cloak and bring horse racing into the limelight Not as a game of chance where people squander away their money and their futures trying to hit the big payout but as a sport of competition between the fastest and most enduring athletes on earth Come on in and meet the players of this complex game of strategy and discover that they are typical Americans with the heart and desire to chase after their dreams Go back and follow the history of Atlanta's transformation from an ordinary southern town into a thriving metropolitan city Realize that the cloak of suspicion placed on horse racing could also apply to any professional sport when people stray from the path of honesty and morality Inside you will find the formula and all of the ingredients to change the face of horse racing as you look into the hearts and souls of the people who are there for the love of the game In this age of ultra technology there is a great opportunity for a daring entrepreneur to create a great enterprise and leave his or her mark in history Atlanta Georgia is home to an outgoing population that thrives on fun adventure and excitement It is also the last best chance for horse racing to start over with a new set of rules casting the race horse as a competitive athlete instead of a number in an exotic lottery *Glorious Battle Cry* is a story about a man who lucks upon the opportunity to start his own racing program with his own rules Along with racing he offers everyone a look at some things and places that are beyond our horizon He re-introduces horse racing to a new fan on a smaller and simpler scale His goal is to restore credibility and preserve the rich rewards befitting a champion In the heart of the thoroughbred there is a wealth of history about horse racing that needs to be regarded and preserved There are comedies and tragedies stories about rags to riches and riches to rags There are stories about love and deceit heroes and villains There are stories about great races that have been told and written that can now come alive Follow this story of an ordinary fellow with extraordinary dreams as he takes a bold yet calculated risk to chase an elusive dream and along the way encounters life's greatest tragedies which makes everything seem insignificant

The Collected Short Stories of Louis L'Amour, Volume 7 Louis L'Amour, 2016-12-27 There is no story more distinctly American than the western and no writer as great a master of the form as Louis L'Amour In this seventh volume of L'Amour's collected short stories you'll find some of his most popular characters heroes who have become a part of our cultural legacy as well as the ordinary men and women whose adventures are chronicled with an immediacy no reader can resist or ever forget In Louis L'Amour's frontier stories the American West is the crucible in which character is tested reputations are won or lost and life always hangs in the balance Struggling to survive against the elements hostile Indians or

outlaws who prey upon the honest and hardworking the men and women in these tales each come face to face with what they are made of often in moments that explode with the violence of an avalanche or the speed of a drawn gun Here L Amour demonstrates the unerring touch for detail and keen insight into human nature that lend these stories the power to thrill surprise and entertain readers of every generation A man driven by his faith in the woman he loves survives war Indian massacre and near starvation only to find his homecoming delayed by one last battle under his own roof To stop a range war a ranch foreman stands up to his boss his men and conspirators who seem to have both right and might on their side And in a town where fourteen men have already died under suspicious circumstances a new sheriff by the name of Utah Blaine patiently sets a trap for a frontier serial killer Here are stories of honest thieves and crooked lawmen of dream chasers and treasure hunters of men and women hoping for a second chance and others down to their last This rich and varied cast embodies not only the spirit of the West but the timeless struggle of the best and worst in us all on a stage as big as the frontier itself Full of suspense mystery adventure this remarkable collection has everything that has earned Louis L Amour his well deserved reputation as America's favorite storyteller
