Finn Pollard

From Colony To Country The Revolution In American Thought 1750 18:

The Founders and the Bible Carl J. Richard, 2016-03-25 The religious beliefs of America's founding fathers have been a popular and contentious subject for recent generations of American readers. In *The Founders and the Bible*, historian Carl J. Richard carefully examines the framers' relationship with the Bible to assess the conflicting claims of those who argue that they were Christians founding a Christian nation against those who see them as Deists or modern secularists. Richard argues that it is impossible to understand the Founders without understanding the Biblically infused society that produced them. They were steeped in a biblical culture that pervaded their schools, homes, churches, and society. To show the fundamental role of religious beliefs during the Founding and early years of the republic, Richard carefully reconstructs the beliefs of 30 Founders, their lifelong engagements with Scripture, their biblically infused political rhetoric, their powerful beliefs in a divine Providence that protected them and guided the young nation, their beliefs in the superiority of Christian ethics and in the necessity of religion to republican government, their beliefs in spiritual equality, free will, and the afterlife, their religious differences, the influence of their biblical conception of human nature on their formulation of state and federal constitutions, and their use of biblical precedent to advance religious freedom.

Dreams of a More Perfect Union Rogan

Kersh, 2013-06-04 In a brilliantly conceived and elegantly written book, Rogan Kersh investigates the idea of national union in the United States. For much of the period between the colonial era and the late nineteenth century, he shows, union was the principal rhetorical means by which Americans expressed shared ideals and a common identity without invoking strong nationalism or centralized governance. Through his exploration of how Americans once succeeded in uniting a diverse and fragmented citizenry, Kersh revives a long forgotten source of U.S. national identity. Why and how did Americans perceive themselves as one people from the early history of the republic? How did African Americans and others at the margins of U.S. civic culture apply this concept of union? Why did the term disappear from vernacular after the 1880s? In his search for answers, Kersh employs a wide range of methods, including political theory, analysis of writings by James Madison, Frederick Douglass, and Abraham Lincoln, and empirical analysis drawing on his own extensive database of American newspapers. The author's findings are persuasive and often surprising. One intriguing development, for instance, was a strong resurgence of union feelings among Southerners, including prominent former secessionists, after the Civil War. With its fascinating and novel approach, *Dreams of a More Perfect Union* offers valuable insights about American political history, especially the rise of nationalism and federalism. Equally important, the author's close retracing of the religious, institutional, and other themes coloring the development of unionist thought unveils new knowledge about the origination and transmittal of ideas in a polity.

John Adams and the Spirit of Liberty C. Bradley Thompson, 1998-11-16 America's finest eighteenth-century student of political science, John Adams, is also the least studied of the Revolution's key figures. By the time he became our second president, no American had written more about our government, and not even Jefferson or Madison had read as widely about

questions of human nature natural right political organization and constitutional construction Yet this staunch constitutionalist is perceived by many as having become reactionary in his later years and his ideas have been largely disregarded In the first major work on Adams s political thought in over thirty years C Bradley Thompson takes issue with the notion that Adams s thought is irrelevant to the development of American ideas Focusing on Adams s major writings Thompson elucidates and reevaluates his political and constitutional thought by interpreting it within the tradition of political philosophy stretching from Plato to Montesquieu This major revisionist study shows that the distinction Adams drew between principles of liberty and principles of political architecture is central to his entire political philosophy Thompson first chronicles Adams s conceptualization of moral and political liberty during his confrontation with American Loyalists and British imperial officers over the true nature of justice and the British Constitution illuminating Adams s two most important pre Revolutionary essays A Dissertation on the Canon and Feudal Law and The Letters of Novanglus He then presents Adams s debate with French philosophers over the best form of government and provides an extended analysis of his Defence of the Constitutions of Government and Discourses on Davila to demonstrate his theory of political architecture From these pages emerges a new John Adams In reexamining his political thought Thompson reconstructs the contours and influences of Adams s mental universe the ideas he challenged the problems he considered central to constitution making and the methods of his reasoning Skillfully blending history and political science Thompson s work shows how the spirit of liberty animated Adams s life and reestablishes this forgotten Revolutionary as an independent and important thinker

The Literary Quest for an American National Character Finn Pollard, 2009-01-14 What then is the American this new man This question is explored here through the lives and writings of a sequence of imaginative authors each of whom confronted a crucial moment in the evolution of the new nation from Crèvecoeur and the Revolution through Washington Irving and Jeffersonian Democracy to James Fenimore Cooper and the Era of Good Feelings At the centre of these confrontations was a division between those who claimed national perfection had been obtained and those who while desperately wanting to believe this perceived all too clearly that that perfection had not yet come Rediscovering this neglected literary debate The Literary Quest for an American National Character illuminates afresh the traumatic birth and development of the new American nation

Reconstructing the Commercial Republic Stephen L. Elkin, 2015-01-16 James Madison is the thinker most responsible for laying the groundwork of the American commercial republic But he did not anticipate that the propertied class on which he relied would become extraordinarily politically powerful at the same time as its interests narrowed This and other flaws argues Stephen L Elkin have undermined the delicately balanced system he constructed In Reconstructing the Commercial Republic Elkin critiques the Madisonian system revealing which of its aspects have withstood the test of time and which have not The deficiencies Elkin points out provide the starting point for his own constitutional theory of the republic a theory that unlike Madison s lays out a substantive conception of the public interest that emphasizes the power of

institutions to shape our political economic and civic lives Elkin argues that his theory should guide us toward building a commercial republic that is rooted in a politics of the public interest and the self interest of the middle class He then recommends specific reforms to create this kind of republic asserting that Americans today can still have the lives a commercial republic is intended to promote lives with real opportunities for economic prosperity republican political self government and individual liberty *Washington Irving and the Fantasy of Masculinity* Heinz Tschachler, 2022-01-17

Washington Irving remains one of the most recognized American authors of the 19th century remembered for short stories like Rip van Winkle and The Legend of Sleepy Hollow He also accomplished other writing feats including penning George Washington's biography and other life stories Throughout his life Irving was at odds with socially approved ways of being a man Irving purportedly saw himself and was seen by others as feminine shy and non confrontational Likely related to this he chose to engage with other men's fortunes and adventures by writing defining his male identity vicariously through masculine archetypes both fictional and non fictional Sitting at the intersection of literary studies and masculinity studies this reading reconstructs Irving's life long struggle to somehow win a place among other men Readers will recognize masculine themes in his tales from the Spanish period his western adventures as well as in historical biographies of Columbus Mahomet and Washington In many writings by Irving especially Sleepy Hollow readers will observe themes dominated by masculinity The book is the first of its kind to encompass and examine Irving's writings **Public Administration and Society** Richard C Box, 2014-12-17

For instructors who want to expose their students to the social political and historical context of the practice of public administration this book provides a unique approach to the introductory PA course The author's own text is skilfully interwoven with a collection of seminal readings and documents that illuminate the key issues of past and present for public service professionals in a democratic society More than an overview of public administration Public Administration and Society offers students a broad perspective on the American Founding Era the relationship of citizens to government and how the structure of government reflects societal values The premise of the book is that understanding the societal context is important to the success of the practitioner and to the practitioner's role as a responsible agent of change in a democratic society Introductory essays and readings offer students perspectives on five important thematic areas in public administration the Founding Era debate over the size and scope of government the relationship of the community to the individual public organizations and policy making values and public administration and the role of the public service practitioner in a democratic society This new edition of features five new readings and based on input from adopters an entirely new section on public policy making Part IV Public Organizations and Policy The author's part opening sections have all been extensively revised and updated *Slavery and the Founders* Paul Finkelman, 2014-04-09

In *Slavery and the Founders* Paul Finkelman addresses a central issue of the American founding how the first generation of leaders of the United States dealt with the profoundly important question of human bondage The book explores the tension between the

professed idea of America as stated in the Declaration of Independence and the reality of the early American republic reminding us of the profound and disturbing ways that slavery affected the U S Constitution and early American politics It also offers the most important and detailed short critique of Thomas Jefferson s relationship to slavery available while at the same time contrasting his relationship to slavery with that of other founders This third edition of *Slavery and the Founders* incorporates a new chapter on the regulation and eventual 1808 banning of the African slave trade *Presidents Above Party* Ralph Ketcham,2013-04-01 George Washington s vision was a presidency free of party a republican national office that would transcend faction That vision would remain strong in the administrations of John Adams Thomas Jefferson James Madison James Monroe and John Quincy Adams yet largely disappear under Andrew Jackson and his successors This book is a comprehensive and pathbreaking study of the early presidency and the ideals behind it Ralph Ketcham examines the roots of nonpartisan leadership in Western thought and the particular influences on the founding fathers Intellectual and political profiles of the first six presidents and their administrations emphasize the construction each put on the office the challenges he faced and the compromises he did and did not make The erosion of nonpartisanship under Andrew Jackson is presented as a counterpoint that helps define the early presidency and the permanent transition from it Addressing the thoughtful citizen as well as the scholar the author poses the fundamental questions about presidential leadership then and now The best study of the early presidency this book is an intellectual portrait of the age that will challenge received notions of American history

Konstytucja Stanów Zjednoczonych Ameryki w perspektywie nauk historycznych i prawnych Janusz Justyński,1988

Emily D. West and the "Yellow Rose of Texas" Myth Phillip Thomas Tucker,2014-02-07 For the first time the true story of The Yellow Rose of Texas is told in full revealing a host of new insights and perspectives on one of America s most popular stories For generations the Yellow Rose of Texas has been one of America s most popular western myths growing larger over time and little resembling the truth of what happened on April 21 1836 at the battle of San Jacinto where a new Texas Republic won its independence The woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the North Emily D West This work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth **U.S. Cultural History** Philip I. Mitterling,1980 **Religion in the Constitution, a Delicate Balance** United States Commission on Civil Rights,1983 **The Role of William Cobbett in Philadelphia Party Press, 1794-1799** Karen K. List,1983 Nineteenth-century Literature Criticism Laurie Lanzen Harris,1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations **National Union Catalog** ,1978 The North Carolina Historical Review ,1975 Political Science Quarterly ,1975 A review devoted to the historical statistical and comparative study of politics economics and public law Communication Behaviors and Attitudes of Environmental Publics Clarice N. Olien,David Paul Nord,Dean W. O'Brien,Fred Fejes,Gerald J. Baldasty,Hugh M.

From Colony To Country The Revolution In American Thought 1750 18 Introduction

In the digital age, access to information has become easier than ever before. The ability to download From Colony To Country The Revolution In American Thought 1750 18 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download From Colony To Country The Revolution In American Thought 1750 18 has opened up a world of possibilities. Downloading From Colony To Country The Revolution In American Thought 1750 18 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading From Colony To Country The Revolution In American Thought 1750 18 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download From Colony To Country The Revolution In American Thought 1750 18. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading From Colony To Country The Revolution In American Thought 1750 18. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading From Colony To Country The Revolution In American Thought 1750 18, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download From Colony To Country The Revolution In American Thought 1750 18 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About From Colony To Country The Revolution In American Thought 1750 18 Books

1. Where can I buy From Colony To Country The Revolution In American Thought 1750 18 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
