*National Party Politics
1877-1896*

H. WAYNE MORGAN

From Hayes To Mckinley National Party Politics 1877 1896

Charles W. Calhoun

From Hayes To McKinley National Party Politics 1877 1896:

From Hayes to McKinley Howard Wayne Morgan, 1969 Democracy in Desperation Douglas Steeples, David O. Whitten, 1998-09-24 The Panic of 1893 and the depression it triggered mark one of the decisive crises in American history. Devastating broad sections of the country like a tidal wave, the depression forced the nation to change its way of life and altered the pattern and pace of national development ever after. The depression served as the setting for the transformation from an agricultural to an industrial society, exposed grave economic and social problems, sharply tested the country's resourcefulness, reshaped popular thought, and changed the direction of foreign policy. It was a crucible in which the elements of the modern United States were clarified and refined. Yet no study to date has examined the depression in its entirety. This is the first book to treat these disparate matters in detail and to trace and interpret the business contraction of the 1890s in the context of national economic, political, and social development. Steeples and Whitten first explain the origins of the depression, measure its course, and interpret the business recovery, giving full coverage to structural changes in the economy, namely the growing importance of manufacturing, emergence of new industries, consolidation of business, and increasing importance of finance capitalism. The remainder of the book examines the depression's impact on society, discussing, for example, unemployment, birth rate, health, and education, and on American culture, politics, and international relations. Placing the business collapse at the center of the scene, the book shows how the depression was a catalyst for ushering in a more modern America.

Historical Dictionary of United States Political Parties Harold F. Bass Jr., 2020-01-26 For over two centuries, political parties have competed in encouraging, organizing, and directing political activity in the United States. This volume compiles the key concepts, terms, labels, and individuals central to identifying and comprehending these key roles. Political parties have played in American political life. The dictionary contains brief biographies of party leaders, major party presidential tickets, noteworthy minor party presidential nominees, congressional party leaders, including Speakers of the House of Representatives, presidents pro tempore of the Senate, and floor leaders for both the majority and minority parties in each chamber, and chairs of the national party committees of the Democratic and Republican Parties. In addition to party leaders, it also addresses the institutional offices they occupy and represent. This third edition of *Historical Dictionary of United States Political Parties* contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on concepts, terms, labels, and individuals central to identifying and comprehending the key roles political parties have played in American political life. This book is an excellent resource for students, researchers, and anyone wanting to know more about United States Political Parties.

Women and the Republican Party, 1854-1924 Melanie Gustafson, 2001-10-15 Acclaimed as groundbreaking since its publication, *Women and the Republican Party 1854-1924* explores the forces that propelled women to partisan activism in an era of widespread disfranchisement and provides a new perspective on how women fashioned their political strategies and identities before and

after 1920 Melanie Susan Gustafson examines women's partisan history against the backdrop of women's political culture. Contesting the accepted notion that women were uninvolved in political parties before gaining the vote, Gustafson reveals the length and depth of women's partisan activism between the founding of the Republican Party whose abolitionist agenda captured the loyalty of many women and the passage of the Nineteenth Amendment. Her account also looks at the complex interplay of partisan and nonpartisan activity, the fierce debates among women about how to best use their influence, the ebb and flow of enthusiasm for women's participation and the third parties that fused the civic world of reform organizations with the electoral world of voting and legislation.

Garfield Allan Peskin, 1978 This biography evaluates and examines James A. Garfield's military career, the congressional years and the Presidency. Allan Perkins has had access to the Garfield and other papers as well as drawing upon other resources of the Reconstruction Era.

Encyclopedia of U.S. campaigns, elections, and electoral behavior Kenneth F. Warren, 2008-04-04 These approximately 450 articles explore all topics relevant to American political campaigns, elections and electoral behaviour including some cross-cultural comparisons to help place American trends in a global context.

The Divided Era Thomas Del Beccaro, 2015-05-26 The larger our governments, the greater the competition for their spoils; therefore, our divisions. There simply is so much at stake today. As a result, our governments that benefit so many, employ so many and tax so widely, in short, our governments that pick so many winners and losers are understandably subject to an intense competition for their control. So writes author Thomas Del Beccaro in this fascinating study of the history of political unity and division in the US from the Revolution to the adoption of the Constitution, the Civil War through Reconstruction, The Gilded Age to our present Divided Era. While we have had our conflicts over large issues and the role of government in the past and still do today, an emerging cause of the partisanship and division we now know today did not exist at our nation's founding. Our governments were smaller, levied minimal taxes and thus held out fewer spoils for citizens to fight over. Can the US find its way back to being a less divided country? Yes, says Del Beccaro, but only if citizens understand the growing source of our divisions. Ever larger governments, Americans must demand that government shrink back to a less divisive size and scope and support leaders capable of setting unifying goals for which Del Beccaro offers five key strategies. In fact, the consequences of not slimming the behemoth governments, federal, state and local, will only lead to an ever-widening divide and more acrimonious and harmful partisanship. The Divided Era lays out the case for smaller government, more responsive political leadership and ultimately a more cohesive citizenry.

Securing the Fruits of Labor James L. Huston, 2015-05-11 James Huston has undertaken a unique and Herculean labor in examining American beliefs about wealth distribution over one and a half centuries. His findings have led him to a startling conclusion: Americans' earliest economic attitudes were formed during the Revolutionary period and remained virtually unchanged until the close of the nineteenth century. Why those attitudes existed and persisted, how they informed public debate and what caused their ultimate demise are among the channels explored in *Securing the Fruits of Labor*, a grand excursion into waters of economic

history only glimpsed by previous works The Gilded Age Charles W. Calhoun,2006-09-11 The United States that entered the twentieth century was vastly different from the nation that emerged from the Civil War Industrialization mass immigration the growing presence of women in the work force and the rapid advance of the cities had transformed American society Broad in scope The Gilded Age brings together sixteen original essays that offer lively syntheses of modern scholarship while making their own interpretive arguments These engaging pieces allow students to consider the various societal cultural and political factors that make studying the Gilded Age crucial to our understanding of America today Charles W Calhoun connects all of these essays with a comprehensive introduction that places each article in an understandable historical context For the second edition of this successful book each essay was revised and three new pieces have been added that explore technology consumerism intellectual life and race in late nineteenth century America

Grand Old Party Lewis L. Gould,2012-08-15 From Abraham Lincoln and the Civil War through the disputed election of George W Bush and beyond the Republican Party has been at the dramatic center of American politics for 150 years In Grand Old Party the first comprehensive history of the Republicans in 40 years Lewis L Gould traces the evolution of the Grand Old Party from its emergence as an antislavery coalition in the 1850s to its current role as the champion of political and social conservatism Here Gould brings to life the major figures of Republican history Lincoln Theodore Roosevelt Dwight D Eisenhower Richard Nixon Ronald Reagan and George W Bush and uncovers a wealth of fascinating anecdotes about Republicans from the Plumed Knight James G Blaine in the 1880s to Barry Goldwater in the 1960s to Newt Gingrich in the 1990s Gould also uncovers the historical forces and issues that have made the Republicans what they are the crusade against slavery the rise of big business the Cold War and opposition to the power of the federal government Based on Gould s research in the papers of leading Republicans and his wide reading in the party s history Grand Old Party is a book that will outlast the noisy tumult of today s partisan debates and endure as a definitive treatment of how the Republicans have shaped the way Americans live together in a democracy Written with balance and keen insight Grand Old Party is required reading for anyone interested in American politics especially as Americans gear up for the 2012 presidential election Republicans Democrats and independents alike will find their understanding of national politics deepened and enriched by this invaluable guide to the unfolding saga of American politics A Companion to the Gilded Age and Progressive Era Christopher

McKnight Nichols,Nancy C. Unger,2022-06-15 A Companion to the Gilded Age and Progressive Era presents a collection of new historiographic essays covering the years between 1877 and 1920 a period which saw the U S emerge from the ashes of Reconstruction to become a world power The single definitive resource for the latest state of knowledge relating to the history and historiography of the Gilded Age and Progressive Era Features contributions by leading scholars in a wide range of relevant specialties Coverage of the period includes geographic social cultural economic political diplomatic ethnic racial gendered religious global and ecological themes and approaches In today s era often referred to as a second Gilded Age this

book offers relevant historical analysis of the factors that helped create contemporary society Fills an important chronological gap in period based American history collections *Running against the Grain* David A. Crockett,2009-03-01 Some presidents enter office with an uphill climb in front of them their political party represents a different governing philosophy than the dominant strain of the day These David A Crockett says are opposition presidents If they are in a sense out of step with their times how do they ever get elected in the first place In *Running against the Grain* How Opposition Presidents Win the White House Crockett employs historical comparisons to draw conclusions about what it takes for these candidates to win the office He focuses on seven presidents in twelve elections William Henry Harrison 1840 and Zachary Taylor 1848 Grover Cleveland 1884 and 1892 and Woodrow Wilson 1912 and 1916 Dwight Eisenhower 1952 and 1956 and Richard Nixon 1968 and 1972 and Bill Clinton 1992 and 1996 Crockett draws on the work of Stephen Skowronek and others in the tradition of American political development to establish the periodization for his study Through a comparative analysis of victorious opposition candidates Crockett finds explanations that transcend specific campaigns or even specific eras He contends that because the way one acquires the office may have an effect on the practice of leadership in the office running against the grain has implications far beyond Election Day *The Most Exclusive Club* Lewis Gould,2006-09-26 In this sweeping narrative acclaimed political historian Lewis L Gould chronicles over one hundred years of Senate history from the Progressive Era to the war in Iraq Over the course of the twentieth century the most powerful legislative body in the world grappled with great questions of empire and democracy war and peace capital and labor fascism and communism race relations women s rights and terrorism In addition to towering figures such as Henry Cabot Lodge Sr William E Borah and Lyndon Johnson Gould also highlights the stories of lesser known Senate leaders who have played vital roles in America s upper house At the beginning of the twenty first century controversy surrounding the Senate is intensifying as is its political power Lewis L Gould s masterful history is essential reading for anyone seeking to understand the past present and future of American politics **The Human Tradition in the Gilded Age and Progressive Era** Ballard C. Campbell,2000 The period between 1870 and 1920 was one of the most dynamic in American history This era witnessed the invention of the automobile the establishment of women s suffrage and the opening of the Panama Canal While a time of great advancement the Gilded Age and Progressive Era were also periods of uncertainty as Americans coped with corrupt politicians unchecked big business and a vast influx of immigrants SR Books offers a new approach to this time period in its book *The Human Tradition in the Gilded Age and Progressive Era* This volume looks at the experiences of 13 people who contributed to the shaping of American culture and thought during this period These concise accounts are written by leading historians and give students an intimate view of history This is an excellent text for courses in American studies **The ^ARepublicans** Lewis L. Gould,2014-08-29 This is a new edition of the best history of the Republican party in half a century with coverage through the presidential election of 2008 It treats Republican suspicion of Democratic legitimacy as a key element in

American political history *The Presidencies of James A. Garfield & Chester A. Arthur* Justus D. Doenecke, 1981 This is the first single volume to focus on the presidencies of both James A Garfield and Chester A Arthur Drawing from a host of studies on the foreign and domestic policies of the nation during the Gilded Age as well as from his own primary research the author presents a somewhat revisionist look at Garfield and Arthur revisionist in that he gives the reader a renewed appreciation of both men Far from being cynical spoilsmen or naive incompetents individuals whose presidencies provide studies in ineptitude Garfield and Arthur emerge as men of considerable ability While making no claims of greatness Doenecke maintains that each was a significant transitional figure playing a crucial role as the institution of the presidency moved from the weak leadership of Andrew Johnson to the forceful direction of Theodore Roosevelt According to Doenecke Garfield saw the office of chief executive primarily in administrative terms and his great battle was over keeping the power of appointment in his own hands His victory over the Stalwarts enhanced both the power and prestige of the office His knowledge of how government worked was unmatched long before Woodrow Wilson made his mark Garfield was the scholar in politics The diplomacy of Secretary of State James G Blaine comes under critical scrutiny Doenecke evaluates his performance in the Chile Peru War War of the Pacific the Guatemala Mexico dispute the isthmian canal issue Irish American activities in Britain and efforts to secure markets in Korea br Garfield was assassinated less than six months after he entered office he had yet to be tested on major issues of public policy Chester A Arthur was ill prepared to be chief executive was in poor health much of the time while he was in office and was faced with a hopelessly divided party Nevertheless he was one of the nation s great political surprises His administration pioneered in the development of the navy sought foreign markets for American surpluses fostered civil service reform and pressed for a scientific tariff Doenecke devotes one chapter to the spoils system and the background to the Pendleton Act one to Arthur s strategy regarding the South and then offers an in depth analysis of diplomacy during Arthur s tenure During the presidencies of Garfield and Arthur the United States attempted to intervene in a war between Chile and Peru sought to turn Nicaragua into a protectorate supplied leading advisers to Madagascar and Korea and took a major part in the Congo conference of 1884 In examining these activities even while pointing to uncoordinated statecraft and inept diplomacy Doenecke challenges the long held view that from 1881 to 1885 the nation was withdrawn and insular His fresh perspective on the Garfield and Arthur years will be of considerable interest to historians of the Gilded Age Dangerous Nation Robert Kagan, 2007-11-06 Most Americans believe the United States had been an isolationist power until the twentieth century This is wrong In a riveting and brilliantly revisionist work of history Robert Kagan bestselling author of *Of Paradise and Power* shows how Americans have in fact steadily been increasing their global power and influence from the beginning Driven by commercial territorial and idealistic ambitions the United States has always perceived itself and been seen by other nations as an international force This is a book of great importance to our understanding of our nation s history and its role in the global community Suggestions for Instructors to Accompany the

American Scene Norman L. Rosenberg, 1971

From Hayes To Mckinley National Party Politics 1877 1896 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free From Hayes To Mckinley National Party Politics 1877 1896 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free From Hayes To Mckinley National Party Politics 1877 1896 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property

rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of From Hayes To Mckinley National Party Politics 1877 1896 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
