Unmaking Love Ashley T. Shelden, 2017-01-10 The contemporary novel does more than revise our conception of love it explodes it queers it and makes it unrecognizable Rather than providing union connection and completion love in contemporary fiction destroys the possibility of unity harbors negativity and foregrounds difference Comparing contemporary and modernist depictions of love to delineate critical continuities and innovations Unmaking Love locates queerness in the novelistic strategies of Ian McEwan Zadie Smith Hanif Kureishi Alan Hollinghurst and Hari Kunzru In their work queer love becomes more than shorthand for

sexual identity It comes to embody thwarted expectations disarticulated organization and unnerving multiplicity In queer love social forms are deformed affective bonds do not bind and social structures threaten to come undone Unmaking Love draws on psychoanalysis and gender and sexuality studies to read love s role in contemporary literature and its relation to queer negativity     The merry muses: a choice collection of favourite songs gathered from many sources, by R.
