Mirrors of the Divine Emily R. Cain, 2023 *Mirrors of the Divine* examines four early Christian authors Tertullian of Carthage Clement of Alexandria Gregory of Nyssa and Augustine of Hippo and analyzes their writings on vision and knowledge of God to show how they envisioned one's relationship to the world and how they imagined the unknown Emily R. Cain explores how contradictory theories of sight shaped their cosmologies theologies subjectivities genders and discursive worlds and shows that early Christian arguments about the phenomenon of visual perception are deeply intertwined with broader debates about identity agency and epistemology

Depicting the Word Parry, 2022-02-22 This volume is a comparative study of the major iconophile writings of John of Damascus Theodore the Studite and the Patriarch Nikephoros Contrary to expectations this study shows that far from being reactionary in their thought the iconophiles were in fact more radical in their theology than the iconoclasts Following an historical introduction the first part of the book deals with philosophical themes Titles of particular chapters include Aristotelianism Icon and Idol Patristic Authority Written and Unwritten Tradition Modes of Veneration and Biblical Exegesis This book will be of considerable interest to scholars and students of the Byzantine iconoclastic period Readers seeking to understand the importance of icons and iconography in Byzantine Christianity will find this volume particularly useful

Encyclopedia of Greece and the Hellenic Tradition Graham Speake, 2021-01-31 Hellenism is the living culture of the Greek speaking peoples and has a continuing history of more than 3 500 years The Encyclopedia of Greece and the Hellenic Tradition contains approximately 900 entries devoted to people places periods events and themes examining every aspect of that culture from the Bronze Age to the present day The focus throughout is on the Greeks themselves and the continuities within their own cultural tradition Language and religion are perhaps the most obvious vehicles of continuity but there have been many others law taxation gardens music magic education shipping and countless other elements have all played their part in maintaining this unique culture Today Greek arts have blossomed again Greece has taken its place in the European Union Greeks control a substantial proportion of the world's merchant marine and Greek communities in the United States Australia and South Africa have carried the Hellenic tradition throughout the world This is the first reference work to embrace all aspects of that tradition in every period of its existence

The Westminster Handbook to Patristic Theology John Anthony McGuckin, 2004-01-01 The early centuries of the Christian era were marked by a variety of theological ideas in differing stages of development Numerous theologians emerged with proposals about what the Christian church should believe and how theological ideas related to each other Some of these theologians gained more prominent status and their ideas became sources on which others built Patristic theology is thus a formative period a yeasty time in which theological doctrines took on many stages of complexity This outstanding handbook by a leading

specialist in Patristic Theology provides students and scholars with easy access to key terms figures socio cultural developments and controversies of this period extending to the ninth century McGuckin s introductory essay outlines the main intellectual issues in the early church His concluding Bibliographic Guide Essay and General Bibliography also features a Website Resources Guide to assist readers with additional ways to study this period The entries are written to help those with no previous theological knowledge understand the major dimensions of each topic The result is an eminently useful reliable and unique resource

Devotional Classics: Revised Edition Richard J. Foster, 2005-06-28 A New Expanded Edition of Renovar s Classic Companion to the Devotional Life Updated to incorporate all six traditions or streams that comprise a healthy and holistic life of faith these fifty two selections have been organized to introduce the reader to the great devotional writers over the course of one year Edited by James Bryan Smith each reading is accompanied by an introduction and meditation by Richard J Foster In addition each entry includes a related biblical passage discussion questions and individual and group exercises With devotional readings in 1 The Prayer Filled Life 2 The Virtuous Life 3 The Spirit Empowered Life 4 The Compassionate Life 5 The Word Centered Life 6 The Sacramental Life Foster and Smith sift through works from the great spiritual writers of the past as well as readings from contemporary spiritual leaders to create a guide that is indispensable for those looking for a deeper and more balanced spiritual life

God and the Moral Life Myriam Renaud, Joshua Daniel, 2017-11-02 How do various concepts of God impact the moral life Is God ultimately required for goodness In this edited collection an international panel of contemporary philosophers and theologians offer new avenues of exploration from a theist perspective for these important questions The book features several approaches to address these questions Common themes include philosophical and theological conceptions of God with reference to human morality particular Trinitarian accounts of God and the resultant ethical implications and how communities are shaped promoted and transformed by accounts of God Bringing together philosophical and theological insights on the relationship between God and our moral lives this book will be of keen interest to scholars of the philosophy of religion particularly those looking at ethics social justice and morality

The Christian Moses Phillip Rousseau, Janet A. Timbie, 2019-08-09 As it developed an increasingly distinctive character of its own during the first six centuries of the common era Christianity was constantly forced to reassess and adapt its relationship with the Jewish tradition The process involved a number of preoccupations and challenges the status of biblical and parabiblical texts several of them already debatable in Jewish eyes the nature and purposes of God patterns of prayer both personal and liturgical ritual practices ethical norms the acquisition and exercise of religious authority and the presentation of a religious face to the very different culture that surrounded and in many ways dominated both Christians and Jews The essays in this volume were developed within that broad field of inquiry and indeed make their contribution to it For among the many issues already mentioned there was also that of persons What was Christianity to do not just with Adam or Noah say but with Abraham David and Solomon the great prophetic figures of Jewish

history and of course with Moses As we move chapter by chapter across the early Christian centuries we see Moses gradually changing in Christian eyes and at the hands of Christian exegetes and theologians until he becomes the philosopher par excellence the forerunner of Plato the archetype of the lawgiver the model shepherd of the people of God yet all on the basis of a scriptural record that Jews would still have been able to recognize Written by a range of established scholars younger and older many of them highly distinguished The Christian Moses will appeal to graduate and senior students to those rooted in a range of disciplines literary historical art historical as well in theology and exegesis and to everyone interested in Jewish Christian relations in this early era

The Origins of Neoliberalism Dotan Leshem, 2016-06-04 Dotan Leshem recasts the history of the West from an economic perspective bringing politics philosophy and the economy closer together and revealing the significant role of Christian theology in shaping economic and political thought He begins with early Christian treatment of economic knowledge and the effect of this interaction on ancient politics and philosophy He then follows the secularization of the economy in liberal and neoliberal theory Leshem draws on Hannah Arendt's history of politics and Michel Foucault's genealogy of economy and philosophy He consults exegetical and apologetic tracts homilies and eulogies manuals and correspondence and Church canons and creeds to trace the influence of the economy on Christian orthodoxy Only by relocating the origins of modernity in Late Antiquity Leshem argues can we confront the full effect of the neoliberal marketized economy on contemporary societies Then he proposes a new political philosophy that re secularizes the economy will take shape and transform the human condition

Light from Light Louis K. Dupré, James A. Wiseman, 2001 In this revised edition of a longtime bestselling anthology of Christian mysticism editors Louis Dupre and James Wiseman bring together selections from the writings of twenty three of the most important Christian mystics from Origen of Alexandria in the third century to Thomas Merton in the twentieth This edition retains most of the authors included in the first addition but has replaced some authors from that edition with ones that will be of greater interest to readers today e g Francis and Clare of Assisi Francis de Sales and Jane de Chantal and Evelyn Underhill A general introduction discusses the place of mysticism within the Christian life as a whole while individual chapter introductions place the mystical writers in their historical context and relate their works to others in the anthology In addition the editors have completely updated the bibliographies at the end of each chapter Students and teachers of spirituality as well as persons interested in their own spiritual growth will welcome this popular revised resource because it makes readily available in one volume major works by important Christian mystical writers Like its predecessor it is sure to be welcomed in the academic world and spiritual and devotional circles
