## From Last To First:

**The Parables of Jesus** Friedrich Gustav Lisso, 1853      **The Nature and Demands of the Sovereign Rule of God in the Gospel of Matthew** Margaret Hannan, 2006-06-15 This work argues that the author of the Gospel of Matthew structures his work as a Bios or biography of Jesus so as to encapsulate in narrative form the essence of his theological understanding of God's Basileia sovereign rule as proclaimed and taught in the teaching and healing mission of Jesus Evidence for this is found in Matthew's careful use of structural markers to divide his story of Jesus into significant thematic sub sections in which he uses a series of Basileia logia at incisive points to highlight aspects of Jesus teaching and healing mission In this way Matthew is able to portray Jesus as God's promised Messiah who instructs his disciples through discourse and narrative hence in word and example in the nature and demands of God's sovereign rule By structuring his Gospel as a story Matthew depicts Jesus giving instructions to his disciples and also instructs the readers of the text Hence Matthew's Gospel becomes a manual of instruction on the nature and demands of God's sovereignty Its purpose is to ensure that not only the members of the Matthean community but all future disciples of Jesus are competently trained to carry out Jesus commission Go therefore and disciple all the nations 28 19 20 In this way the good news of God's saving presence is proclaimed to all the nations until God's eschatological reign is finally established LNTS 308      **Bulletin of Business Research**, 1926      Code of Federal Regulations, 2005      **Internal Revenue Bulletin** United States.
