From Light Into Darkneb:

A Concordance to the Holy Scriptures ... In a More Exact and Useful Method Than Hath Hitherto Been Extant. By S. N. [i.e. Samuel Newman.] ,1662 *Seeds* Carol C. Baskin, Jerry M. marginal notes reveal his desire to make scripture speak directly to the Russian peasant without priestly mediation Although academic theologians dismissed the work as amateur philology it furnished the narrative skeleton for *The Gospel in Brief* and for the didactic episodes in *Resurrection* while the very act of a lay thinker producing a vernacular gospel shook Russia's church state compact and widened the debate on scriptural authority among late imperial readers This critical reader's edition presents a modern translation of the original manuscript crafted for the modern reader with clean contemporary language and simplified sentence structures that clarify his complex Russian phrasing and specific antiquated references Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Tolstoy's personal history impact and intellectual legacy an index of the philosophical concepts he employs emphasizing Existentialism and influence by Schopenhauer a comprehensive chronological list of his published writings and a detailed timeline of his life highlighting the personal relationships that shaped his philosophy

Reichenbach, 2023-02-09 *Diving into the Gospel of John* displays the rich and diverse arguments John presents for his thesis that Jesus is the Messiah the Son of God and that through believing readers/listeners will find eternal life John's arguments are developed in four parts The first two chapters develop the author's literary techniques that are often based on ambiguity and his key symbols and concepts the understanding of which are essential to fully appreciate the Gospel Chapters 3 through 6 progressively portray the author's evidence for his thesis in the form of signs testimony of those who encounter Jesus Jesus's self-identification and Jesus's relationships to others Chapters 7 and 8 show how the author uses theatrically patterned dialogues and triadic discourses to convey Jesus's identity and mission Finally chapters 9 through 11 provide important hints that the author gives for his thesis Jesus's appeals to time the indirect use of seven as the number of completeness and invocation of parentage in pointing to salvation Through diving into the Gospel readers will discover the richness of John's argument the Jesus he portrays and the God Jesus reveals The book aims to stimulate commitment challenge mind and spirit and encourage further reflection and conversation

Primitivism, Radicalism, and the Lamb's War Ted LeRoy Underwood, 1997-05-22 The mid-seventeenth century saw both the expansion of the Baptist sect and the rise and growth of Quakerism At first the Quaker movement attracted some Baptist converts but relations between the two groups soon grew hostile Public disputes broke out and each group denounced the other in polemical tracts Nevertheless in this book Underwood contends that Quakers and Baptists had much

in common with each other as well as with the broader Puritan and Nonconformist tradition By examining the Quaker Baptist relationship in particular Underwood seeks to understand where and why Quaker views diverged from English Protestantism in general and in the process to clarify early Quaker beliefs

The New Jerusalem magazine and theological inspector, 1828 The Spirituality of Following Jesus in John's Gospel Sean Seongik Kim, 2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John's Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son's communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term *akolouthēin* to follow and correlated motifs in John's Gospel

Colossians David J. Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey
