**In Recovery: Stories of healing from mental illness** Courtney Pankrat, 2019-09-19 In Recovery recounts the stories of twelve amazing people who have struggled with mental illness and have come out stronger on the other side. Some participants have been in recovery for years while others are newer to wellness. Each participant defines success in a different way. Lauren is a professional athlete competing at the top of her sport as a member of the Ultimate Fighting Championship league while Ali has found success in living life on a ranch with her terminally ill husband. Success looks different for everyone and one story does not fit all. This book is meant to inspire people who have or are currently struggling with mental illness. In the midst of mental illness seeing a light at the end of the tunnel is possible. With this book readers will learn that hope and recovery are real.

Story Behind the Book

The secular world has become very interested in supernatural gifts. Take, for example, shows like *Joan of Arcadia*, *The Medium*, *Monk*, and *Dead Zone*. Yet it's God who gives every good and perfect gift. My guess is that we humans barely tap into the vast variety of gifts that He has to offer. Not only that, but our fast-paced, high-tech culture rarely relies on those good old-fashioned character traits like insight, intuition, wisdom, and foresight. My hope is that this series will provide a fun way for teens to explore deeper levels of spirituality and creativity while inspiring them to a greater love for God.
