Friendly Betrayal:

A Friendly Betrayal Bambi St James, 2017-04-15 Friends since undergrad Chrissette Kennedy Jasmine and Penelope share everything and keep no secrets mostly There is that thin line that sits between a simple secret one keeps to themselves and a hot betrayal that hurts others They all knew Chrissette and her man Sean weren't always the picture perfect couple No couple could be Relationships take work and compromise And she could admit that neither she or Sean had been anywhere near perfect but she loved him and she knew that he loved her She knew that all their trials and tribulations were behind them and as long as she never talks about the problems of their past in the present things can keep pushing forward to a walk down the aisle What the friends don't know is that after years of living in single hood their sweet and innocent girlfriend Kennedy has started a new unorthodox relationship It's something she hasn't been ready to share with her friends not until she herself fully understands For the moment though the relationship offered solace and comfort when no one else could Being with him made her feel better than she had in years One day she would tell her friends all about him just not today today she felt free and liberated in having a secret affair Jasmine's life is a true open book to her friends The men in her life are a different story She has learned that men don't always share everything in their lives so why should she All details were on a need to know basis what's important for the moment or length of the relationship That is until she meets someone who her secrets give her shame in front of The ladies knew Penelope didn't have any family outside of them They all thought Penelope should keep her rendezvous with other women men to herself Only Penelope insisted on being an open book at least in some areas There is one man in her present she hasn't been so honest about and a past that she never wants to talk about Can that thin line between a simple secret one keeps to themselves and a hot betrayal break their friendships

maritime daring discovery and diplomacy and his marine survey of Hawaii and the Pacific coast was at its time the most comprehensive ever undertaken But just two years after returning to Britain the 40 year old Vancouver hounded by critics shamed by public humiliation at the fists of an aristocratic sailor he had flogged and blacklisted because of a perceived failure to follow the Admiralty's directives died in poverty nearly forgotten In this riveting and perceptive biography historian Stephen Bown delves into the events that destroyed Vancouver's reputation and restores his position as one of the greatest explorers of the Age of Discovery *Super Rogue* Liu MangErDai,2020-06-10 I am a hoodlum but I am a hoodlum with good taste I am a hoodlum who does not lose his righteousness dashing forward in black and white killing evil people to pick up beauties what is righteousness I am righteousness **National Union Gleanings** ,1911 **Assassin's Curse** Dafydd While,2019-04-30 Love and justice are meaningless in a world where power is power and villains hand out paychecks to subvert good The only guardians toil for the coin regardless of how clean the hands Where power rules looking too deep for answers might not only cost lives but your dearest too **A Life Between Light and Darkness** Beth Shelnutt,2012-03-01 This poetry book contains a neat balance of light and dark poetry Poems range from feelings of utter hate to those of pure love Hopefully this book will contain enough poems to satisfy the curious buyer Some would even say the author has a strange way displaying certain emotions through fictional monsters *The Eerdmans Companion to the Bible* Gordon D. The Last Knight Jose Antonio Lopez,2008-02-19 The Last Knight The Story of Don Bernardo Gutierrez de Lara Uribe 1774 1841 a Texas Hero By Jose Antonio Lopez Once there was a magical land called Tejas Here is where our Spanish Mexican ancestors settled to raise families build their homes and ranching communities They were a rare breed of men and women a hearty stock strong of both mind and body They tamed what historian Jerry Thompson calls the Wild and Vivid Land of South Texas In so doing they invented the ranching and cowboy phenomena However all was not well Spain ruled Tejas with oppressive and unjust laws In response for direction to rid America of European colonial rule several great American born leaders answered the call to duty during those turbulent times of the late 1700s and early 1800s Among these were George Washington Simon Bolivar and Bernardo Gutierrez de Lara Uribe While most people may have heard of the first two few are familiar with Don Bernardo The Last Knight is the story of this great Texas hero To begin with Don Bernardos life has the drama action and intrigue of a Hollywood movie but it is a true story He was born in Revilla now Guerrero on the southern bank of the Rio Grande back when the Rio was just another South Texas river The shape of Texas was very different than it is today As a young man Don Bernardo decided to get involved in bringing social change in his community and throughout Texas and Mexico It was in this restless period of early Texas history that Don Bernardo volunteered to help Father Miguel Hidalgo in his struggle to gain Mexicos independence from Spain That is why September 16th is today celebrated in Texas Don Bernardo was appointed a Lt Colonel in the Republican Army After a trip to the U S to seek help and

volunteers he began his revolution in Nacogdoches That the struggle began here in the Louisiana border was very significant in a historical sense Nacogdoches and Los Adaes represented the eastern boundary of New Spain As a matter of fact Los Adaes is the first capital of Texas On April 17 1813 he wrote Texas first Declaration of Independence and its first constitution He won a series of battles He became the first President Protector governor of the Independent State of Texas However his hope of victory over the Spanish forces vanished quickly when he was relieved of command and forced to move to Natchitoches Louisiana in exile When Mexico gained its independence from Spain in 1821 Don Bernardo was asked to return to his homeland He did so in 1824 Upon arriving he became the governor of the new state of Tamaulipas He also was appointed to several military posts including Commandant General of Tamaulipas and Commandant General of the Eastern Interior States Texas Coahuila Tamaulipas and Nuevo Leon He died in 1841 after an illustrious career as a rancher military leader Indian fighter gifted communicator skilled diplomat governor of two states Texas and Tamaulipas and commandant general of four states He was a man who possessed rare leadership qualities We owe our gratitude to this great hero who shared in the first vision of a free and independent Texas

The Forsaken Sons (Book 1 of 13) Anis Meah,2025-05-25
When war tears families apart love becomes both salvation and curse In a world ravaged by endless conflict fourteen year old Kiran will do anything to protect his younger brother Malik But when a moment of defiance separates them both boys are thrust onto paths that will reshape their souls forever Kiran finds power beyond imagination in the golden staff of an ancient Primordial transforming from desperate survivor to legendary warrior Meanwhile Malik discovers that sometimes the greatest strength comes not from magical artifacts but from the bonds we forge with those who choose to love us As years pass and the brothers grow into men their searches for each other become journeys of transformation One builds an empire of the lost and broken turning pain into purpose The other finds healing in service and love until betrayal strips away everything he holds dear But cosmic forces have been watching waiting shaping their destinies toward a reunion neither expects When gods play games with mortal lives even the strongest bonds can become chains and sometimes the greatest act of love is learning when to let go The Forsaken Sons Where brotherhood transcends death power demands sacrifice and the price of reunion may be higher than either brother can bear to pay

Preserving Early Texas History José Antonio López,2023-03-05
At a time in our history where the Spanish Mexican roots of this great place we call Texas are being questioned this third volume of selected essays is most timely For example if Texas history begins in 1836 as implied in mainstream Texas history why then is everything historically old towns roads rivers mountain ranges regions etc named in Spanish Our ancestors legacy is why we have a right to practice our heritage year round not just during Hispanic History Month Importantly the network of vibrant communities in New Spain connected by the Camino Real are indeed what first attracted U S Anglo Saxon and Northern European immigrants to Texas and the west In remembering our ancestors Aqu
