The Party of Fear David H. Bennett,1995-11-14 Why for two hundred years have some American citizens seen this country as an endangered Eden to be purged of corrupting peoples or ideas by any means necessary To the Know Nothings of the 1850s the enemy was Irish immigrants To the Ku Klux Klan it was Jews blacks and socialists To groups like the Michigan Militia the enemy is the government itself and some of them are willing to take arms against it *The Party of Fear* which has now been updated to examine the right wing resurgence of the 1990s is the first book to reveal the common values and anxieties that lie beneath the seeming diversity of the far right From the anti Catholic riots that convulsed Philadelphia in 1845 to the 1995 bombing in Oklahoma City it casts a brilliant cautionary light not only on our political fringes but on the ways in which ordinary Americans define themselves and demonize outsiders

Wildland Evan Osnos,2021-09-14 INSTANT NEW YORK TIMES BESTSELLER After a decade abroad the National Book Award and Pulitzer Prize winning writer Evan Osnos returns to three places he has lived in the United States Greenwich CT Clarksburg WV and Chicago IL to illuminate the origins of America s political fury Evan Osnos moved to Washington D C in 2013 after a decade away from the United States first reporting from the Middle East before becoming the Beijing bureau chief at the Chicago Tribune and then the China correspondent for The New Yorker While abroad he often found himself making a case for America urging the citizens of Egypt Iraq or China to trust that even though America had made grave mistakes throughout its history it aspired to some foundational moral commitments the rule of law the power of truth the right of equal opportunity for all But when he returned to the United States he found each of these principles under assault In search of an explanation for the crisis that reached an unsettling crescendo in 2020 a year of pandemic civil unrest and political turmoil

he focused on three places he knew firsthand Greenwich Connecticut Clarksburg West Virginia and Chicago Illinois Reported over the course of six years Wildland follows ordinary individuals as they navigate the varied landscapes of twenty first century America Through their powerful often poignant stories Osnos traces the sources of America s political dissolution He finds answers in the rightward shift of the financial elite in Greenwich in the collapse of social infrastructure and possibility in Clarksburg and in the compounded effects of segregation and violence in Chicago The truth about the state of the nation may be found not in the slogans of political leaders but in the intricate details of individual lives and in the hidden connections between them As Wildland weaves in and out of these personal stories events in Washington occasionally intrude like flames licking up on the horizon A dramatic prescient examination of seismic changes in American politics and culture Wildland is the story of a crucible a period bounded by two shocks to America s psyche two assaults on the country s sense of itself the attacks of September 11 in 2001 and the storming of the U S Capitol on January 6 2021 Following the lives of everyday Americans in three cities and across two decades Osnos illuminates the country in a startling light revealing how we lost the moral confidence to see ourselves as larger than the sum of our parts False Patriots ,1996 Discusses the actions that anti governmental patriots have taken in America Who they are what they believe conspiracy theories patriot enemies divine mandate operations they have carried out and histories of their leaders Includes a list of more than 800 patriot organizations and paramilitary training sites and groups which are active in every state including 441 unauthorized militia groups Profiles the most notorious leaders in history Examines OK City Bombing Amtrak passenger train derailment etc Glossary and bibliography Photos **Fringe Patriots** Carl Smith,2005-01-01 *Patriots and Tyrants* Marion Florence Lansing,1911 **The Patriot Endeavor** Jack Spectre,2016-06-28 The Patriot Endeavor What would it look like if a third party upstart tried to take back our government from lying thieves in Washington Navigate the labyrinth of corrupt election year politics at their most heinous in The Patriot Endeavor Unabashedly broaching hot buttons like racism illegal immigration and homosexuality that includes Capitol Hill sex scandals and a beautiful transgender seductress The Patriot Endeavor is teeming with political intrigue dirty police assassinations and tragically lost love It features a third party upstart protected by an ex CIA rogue who tangles with an elite black ops team of killers Lies betrayal government sanctioned bombings shadowy characters and poignant romantic interludes The Patriot Endeavor has it all as it races to election day and its stunning conclusion **Science for Segregation** John P. Jackson,2005-08 With the fiftieth anniversary of the landmark Supreme Court decision Brown v Board of Education now upon us many have begun to reflect upon how the case altered the course of civil rights and education in America *Violence, Order, and Unrest* Elizabeth Mancke,Jerry Bannister,Denis B. See,2019-05-06 This edited collection offers a broad reinterpretation of the origins of Canada Drawing on cutting edge research in a number of fields Violence Order and Unrest explores the development of British North America from the mid eighteenth century through the aftermath of Confederation The chapters cover an ambitious range of topics

Patriot Generating Station, 1980 **America: Our Sacred Honor** Mary A. Kardes, 2015-06-16

America is at a crossroads and the road we elect to travel will either restore the spirit of America or continue to weaken our country forever Ordinary American citizens must make fundamental decisions We have been warned and though the warnings have been muted by media sources and special interest groups they are growing louder Voices of genuine concern come from within the United States and from abroad We Americans must listen to and take seriously what we are being told We need to educate ourselves about American history real unbiased history We need to know the Constitution the very cornerstone of our nation and we need to hold our politicians and government leaders accountable Americans must once again stand united to defend our beloved country and our very way of life
