

FROGMEN FIRST BATTLES

By William Schofield and P. J. Carisella

Frogmen First Battles

Raffaela Di Napoli

Frogmen First Battles:

Frogmen William Schofield, P. J. Carisella, 1989-04-01 **Frogmen** William Schofield, P. J. Carisella, 1997-07 They blasted trails of destruction from Cadiz to Crete from Alexandria to Gibraltar leaving in their wake the sunken hulls parts drawn directly from British Italian Navy Archives all accurately documented Photos Frogmen William Schofield, 2004-12-31 The authors recount the history of underwater warfare a new type of guerrilla war developed by the Italian navy toward the end of World War I and completely implemented during World War II This type of warfare conducted by frogmen with special training and prototype equipment proved fatal to Allied civilian and military ships operating in the Mediterranean Sea Single frogmen or frogmen in teams of two four or six sank more vessels than any other traditionally formed military entity It s main unit was the X Light Flotilla whose frogmen conquered the Mediterranean and even planned an attack on the city of New York not completed due to War coming to an end *Professional Journal of the United States Army*, 1988 *Combat Divers* Michael G. Welham, 2023-01-19 The full visual history of the special forces combat diver from World War II to the present day Combat divers are an elite within an elite Every special forces combat diver is required to pass selection twice first into the elite military unit and then a combat diving qualification The combat dive units themselves are tiny and the operations highly classified The role of a military diver is inevitably a lonely and a dangerous one whether clearing mines or striking from the sea against enemy held targets Fully illustrated with rare and unusual images *Combat Divers* reveals their little known yet fascinating operations from Dutch Special Forces combat divers covertly operating against Somali pirates to the actions of Soviet Spetsnaz divers in Swedish territorial waters during the Cold War It also examines how the most famous units such as the US Navy SEALs and the Royal Navy s SBS are currently operating and adapting to threats in a multitude of theatres *Combat Divers* gives an insight into specialist kit and vehicles presently used and equipment that is being developed and trialed throughout the world Covering a variety of kit from dry deck shelters to mini submarines and swimmer delivery vehicles former Royal Marines Commando Michael G Welham draws on his own extensive diving experience to reveal exactly how this equipment is used by special forces dive teams As their kit and equipment constantly evolve so does the nature of their work and even the team element *Combat Divers* also details the first female combat divers and includes their own first hand accounts about their groundbreaking roles within their respective units to create a fascinating history of these elite special forces operatives *Spec Ops* William H. McRaven, 2009-02-04 Vice Adm William H McRaven helped to devise the strategy for how to bring down Osama bin Laden and commanded the courageous U S military unit that carried it out on May 1 2011 ending one of the greatest manhunts in history In *Spec Ops* a well organized and deeply researched study McRaven analyzes eight classic special operations Six are from WWII the German commando raid on the Belgian fort Eben Emael 1940 the Italian torpedo attack on the Alexandria harbor 1941 the British commando raid on Nazaire France 1942 the German glider rescue of Benito Mussolini 1943 the British midget submarine attack on the Tirpitz 1943 and the U S Ranger rescue

mission at the Cabanatuan POW camp in the Philippines 1945 The two post WWII examples are the U S Army raid on the Son Tay POW camp in North Vietnam 1970 and the Israeli rescue of the skyjacked hostages in Entebbe Uganda 1976 McRaven who commands a U S Navy SEAL team pinpoints six essential principles of spec ops success simplicity security repetition surprise speed and purpose For each of the case studies he provides political and military context a meticulous reconstruction of the mission itself and an analysis of the operation in relation to his six principles McRaven deems the Son Tay raid the best modern example of a successful spec op which should be considered textbook material for future missions His own book is an instructive textbook that will be closely studied by students of the military arts Maps photos **A**

Midshipman's War Frank Wade,2005-12-21 Frank Wade was born in Brandon Manitoba Canada in October 1921 He was sent to England to train for the navy in the schoolship HMS Conway in Liverpool and the Dartmouth Devon Royal Navy College from 1936 to December 1940 Then in May 1941 he was appointed to the staff of the Commander in Chief of the Mediterranean fleet Admiral A B Cunningham doing most secret cipher messages At this time the navy had evacuated the British army from Greece and Crete with great losses from German bombers we had no air coverage Two cruisers were lost with a 1 000 men drowned or killed Another cruiser was severely damaged with 250 killed Other smaller ships were also lost Our desert army had been driven back to the Egyptian border but Tobruk had not been taken It was under siege for 9 months from April to December 1941 putting more strain on our fleet Wade was in battleship HMS Queen Elizabeth when the battleship HMS Barham was sunk by U331 on 25 November 1941 with 862 men lost and 495 saved A strange attack was made on Alexandria Harbour on the night of 15 December 1941 by Italian frog men severely damaging two battleships These two ships were given light repairs and sent to the USA for long refits The cruiser HMS Neptune leading a squadron from Malta to attack an enemy convoy ran into an unknown mine field and was sunk with only one survivor out of 750 The island of Malta located in the middle of the Mediterranean was never taken by the enemy and it played a vital part in winning the naval war It was under siege for nearly three years from June 1940 to May 1943 Thirty convoys were sent from Gibraltar and Alexandria These convoys were hard fought with many of our merchant ships and warships being sunk One fully loaded merchant ship was needed by the island every month to prevent starvation Malta was the most bombed place anywhere The islanders were awarded the George Cross and a special citation awarded by the US president to Buz Buerling the Canadian air ace who shot down 26 enemy planes over Malta The Canadian motor torpedo and gun boats fought many sea battles and were awarded bravery medals The turning point of the Middle East war came when a renewed 8th Army under General Montgomery achieved a stunning land victory at El Alamein 60 miles west of Alexandria on 4th November 1942 Tunis was taken in May 1943 and landings in Sicily took place on the night of 9 10 July 1943 and Messina fell on 14 August **The**

Black Prince And The Sea Devils Jack Greene,Alessandro Massignani,2009-08-05 At the beginning of World War II Prince Junio Valerio Borghese dashing Italian nobleman assembled the famous Decima MAS naval unit the first modern naval

commando squad Borghese's frogmen were trained to fight undercover and underwater with small submarines and assault boats armed with a variety of destructive torpedoes. The covert tactics he and the Decima MAS developed, including the use of midget submarines, secret nighttime operations, and small teams armed with explosives, have become a standard for special forces around the world to this very day. After the Italian capitulation in 1943, Borghese determinedly fought on as a Fascist commando leader. After the war, he became a man of mystery, variously said to be involved with several right-wing conspiracies, abortive coups, and clandestine activity. The Prince's death in 1974 was every bit as mysterious as his life. Greene and Massignani have drawn upon official archives as well as information from Allied and Axis veterans in an unprecedented attempt to separate fact from fantasy in this detailed examination of Borghese, the Decima MAS, and the Italian naval special forces.

Military Review, 1988 *Blowing up the Rock: German, Italian and Spanish Sabotage attacks on Gibraltar during the Second World War* Bernard O'Connor, 2020-01-05

During the Second World War, Gibraltar faced the threat of invasion by Italy, Germany, and Spain. The Abwehr, the German Intelligence Service, rather than use their own saboteurs, paid young Spanish men to undertake over sixty sabotage attacks on military installations and shipping, with limited success. The Italian Decima Flotilla MAS, a specialist team of underwater frogmen, launched eight attacks which were relatively successful, and Spanish Falangists made several unsuccessful attempts. The British Secret Intelligence Service endeavoured to stop or at least limit such attacks. Using contemporary files from the National Archives, in Kew, autobiographies, biographies, histories, and newspaper articles, this documentary history investigates the successes and failures of these attacks on Gibraltar and the roles played by intelligence officers, agents, double agents, in discovering and preventing such acts. The book sheds light on an unusual and largely overlooked aspect of Gibraltar's history.

Brave Men, Dark Waters Orr Kelly, 2014-06-24

A definitive history of the US Navy's renowned special operations fighting force, the most complete in-depth study of this fabled elite unit. Library Journal. The legend was forged in the fires of World War II when special units of elite navy frogmen were entrusted with dangerous covert missions in the brutal global conflict. These Underwater Demolition Teams, as they were then called, soon became known for their toughness and fearlessness and their remarkable ability to get the job any job done. Years later, the renamed US Navy SEALs for Sea, Air, and Land, continued to be a wartime force to be reckoned with throughout the remainder of the twentieth century and into the twenty-first. They served as rangers and scouts in the jungles of Vietnam, answered the call to duty in Panama, Granada, and in Saddam Hussein's Iraq, while developing into the very best of the best, the cream of America's Special Forces crop. Author Orr Kelly offers a rich and riveting history of the SEALs, covering their remarkable triumphs while not shying away from the scandals and controversies. An extraordinary portrait of extraordinary fighting men, *Brave Men, Dark Waters* shines a brilliant light into the darkest shadows of war, which is where the SEALs have operated for decades with awesome and deadly efficiency.

Trapped in Tuscany, Liberated by the Buffalo Soldiers Tullio Bruno Bertini, 1998

This is a true account of the events that occurred in Tullio Bruno Bertini's life between 1939 and

1946 Tullio was born in Boston in 1930 He arrived in Italy with his mother and father on August 1 1939 after completing the third grade As a nine year old boy Tullio was in a different culture and found himself trapped in Italy Even though he was forced to live under Fascist nazi rule he managed to attend an Italian school become involved in village life and even learn a new language In September 1944 he and his family were liberated by the 92nd Infantry Division of the U S Fifth Army which was comprised entirely of black soldiers

Decima Flottiglia MAS Walter S. Zapotoczny Jr.,2017-06-25 Previously unpublished accounts of the Italian frogmen force Many previously unpublished photos personal accounts and stories Detailed accounts of ships destroyed and sunk by Decima Flottiglia MASA highly interesting account of a little known force A group of determined human torpedoes motorboat operators and assault swimmers fought bravely for Italy in the Second World War and inspired fear and respect from the British Navy The actions of these men severely reduced British naval power in the Mediterranean Even with small numbers and using relatively limited resources the commandos were a very effective force in the war against the British By the end of the war these men would sink or disable over 73 000 tons of Allied warships and over 128 000 tons of merchant shipping The story of the Italian commandos is one of determination and bravery Their tactics aroused confusion and nervousness with Allied commanders and their crews Italy s Decima Flottiglia Mas predates both the US Navy Underwater Demolition Teams that were formed in 1943 and forerunners of the better known US Navy SEALs and the British Royal Marines Special Boat Service formed as an offshoot of the Special Air Service in 1941 Perhaps the determination and actions of the Decima Flottiglia Mas qualify them as the best commandos of the Second World War

Illustrations 16 black and white photographs

The Daring Dozen Gavin Mortimer,2012-06-20 Gavin Mortimer reveals the 12 legendary Special Forces commanders of World War II Prior to the war the concept of special forces simply didn t exist but thanks to visionary leaders like David Stirling and Charles Hunter our very concept of how wars can be fought and won has totally changed These 12 men not only reshaped military policy but they led from the front accompanying their troops into battle from the sands of North Africa to jumping on D Day and infiltrating behind enemy lines Mortimer also offers a skilful analysis of their qualities as military commanders and the true impact that their own personal actions as well as those of their units had on the eventual outcome of the war

War Through Italian Eyes Alexander Henry,2021-07-18 There is a popular notion that the Italian armed forces of the Second World War were an inferior fighting force Despite the vast numbers taken prisoner detailed studies of the experiences of these soldiers remain relatively uncommon and the value of this group to furthering our understanding of the Italian experience of war under Fascism is also rarely acknowledged The existence in the National Archives of hundreds of pages of transcripts of covert British surveillance of Italian POWs has made it possible to engage with their experiences and opinions in much greater depth The euphemistically termed Special Reports present historians with a unique insight into how all levels of Italian soldiery viewed Fascist Italy s experience of war 1940 1943 This book examines reactions to Italian political leadership the progress of the war as well as Italian soldiers everyday

views on sex war the enemy death food their allies bravery race and killing These fascinating documents reveal the complexity of the outlook of these men which persistent and influential national stereotypes and historiographical trends fail to acknowledge

Special Ops Orr Kelly, 2017-08-08 Four military histories from a writer whose fine work should be of great interest both to casual readers and to uniformed students of special ops Publishers Weekly An expert in military affairs Orr Kelly reveals the cutting edge technology and jaw dropping courage of the US military s elite forces on land sea and air Brave Men Dark Waters Originating in World War II as Underwater Demolition Teams the Navy SEALs are the best of the best in the armed forces known for their toughness and fearlessness and their remarkable ability to get the job any job done Facing America s enemies across the globe these modern warriors were the first to enter the fight in Vietnam Panama Grenada and Iraq Brave Men Dark Waters is the most complete in depth study of this fabled elite unit Library Journal Never Fight Fair Here in their own words are the true accounts of the US Navy SEALs from their formation in World War II to the jungles of Vietnam to the deserts of Iraq In this riveting oral history these brave men speak openly about their training and their missions offering the uncensored inspiring and sometimes shocking truth about their combat triumphs and their rare but devastating failures Hornet Born in 1978 the McDonnell Douglas F A 18 Hornet has forever changed the way America s wars are fought This is the fascinating true story of the controversial development and deployment of the state of the art supersonic fighter and attack aircraft with a top speed of more than one thousand miles per hour Kelly details how Hornet came to be how it was nearly doomed by an unprecedented political battle and how it has served ably in combat from its first mission in Libya to Operation Desert Storm and well beyond From a Dark Sky Very little is known about US Air Force Special Operations yet their exploits have been as daring and their achievements as remarkable as anything accomplished by their brother warriors Since World War II these ultrasecretive air commandos have routinely performed the nearly impossible from providing air support for partisans in Nazi occupied France to participating in clandestine CIA operations in Vietnam and Cambodia to secretly inserting covert operatives into North Korea From a Dark Sky is a well conceived and well executed well deserved tribute to an uncommonly fine body of American warriors Booklist Historical Diver , **Air University Library Index to Military Periodicals** , 1988

The Second World War David Horner, Robin Havers, Alastair Finlan, Mark J Grove, Philip D. Grove, Paul Collier, Geoffrey Jukes, Russell Hart, Stephen A. Hart, 2018-09-20 Bringing together the work of nine leading historians and superbly illustrated with contemporary photography and colour maps The Second World War gives readers a comprehensive understanding of all aspects of history s greatest conflict The period from 1939 to 1945 saw some of the most devastating and remarkable events in living memory Labouring beneath a daily burden of fear sacrifice deprivation and uncertainty soldiers and civilians of all nationalities were driven to extremes of selfless loyalty dogged determination or bitter cruelty by the demands of a world at war This book tells the stories of the men and women who lived and died during the Second World War from politicians to factory workers and from High Command to the

conscripted men on the front lines The experience of war is brought to life through a wealth of contemporary documentation private writings and historical research whilst the political military and historical significance of the war is assessed and examined From Europe s Western and Eastern Fronts to the war at sea and from the Pacific to the Mediterranean and North Africa every fighting front of the Second World War is covered in this truly comprehensive volume The Prince Niccolò Machiavelli,2002-07-16 The Prince is a political treatise by Machiavelli that is not considered to be representative of the work published during his lifetime but is the most remembered The theories in this book describe methods that an aspiring prince can use to acquire the throne or an existing prince can use to maintain his reign These theories include defense and military perceived reputation generosity cruelty versus mercy gaining honors fortune and a number of other discourses

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Frogmen First Battles**

In a world inundated with screens and the cacophony of instantaneous connection, the profound energy and emotional resonance of verbal art often fade in to obscurity, eclipsed by the continuous onslaught of noise and distractions.
