From A Childs Heart:

From a Child's Heart, Into Your Child's Heart Agnes Lui, 2019-11-29 Being a parent is a complex role where many points of the past present and future cross We parents have our past and are in the present with our children but it is they who hold the future Living with them every day for almost twenty years we transmit our subconscious emotional history and beliefs to them Through their intuitive openness our children absorb our unspoken language of what love is or is not What we share intimately with them good and bad they take into the future Our children become the children we have been and pass on their history to the next generation This is my story I turn toward the light and heaven gives me insight beyond my imagination Into Your Child's Heart is not only a gem of a book it is a spiritual journey Agnes Lui takes us from the challenges of being a sensitive and gentle parent into our own hearts She reflects on her own personal history her family of origin and her mix of Chinese and western culture Spirit guides come forward to help her From the precious family relation that of parent and child Agnes Lui takes us into the troubled world we all face today Into Your Child's Heart becomes a deeply meaningful meditation a prayer for world harmony on every level of being We breathe with this author every step of the way in this thoughtful reflective and beautiful book Kathleen Spivack Unspeakable Things With Robert Lowell and His Circle Agnes Lui is a thoughtful spiritual seeker with a big heart She has found wisdom through being a social worker and parent through interactions with a wise spiritual teacher and through dealing with difficulties with her family of origin She shares that wisdom with us and we certainly need it and relates individual pain to the pain the whole world is in Lawrence Kessenich Cinnamon Girl Age of Wonder Before Whose Glory Pearl Honey for a Child's Heart Updated and Expanded Gladys Hunt, 2021-11-02 A modern classic with over 250 000 copies sold Honey for a Child's Heart is a compelling essential guide for parents who want to find the best books for their children ages 0 12 This updated and expanded edition includes a new preface an updated list of recommended reads for each age group and audiobook suggestions A good book is a gateway into a wider world of wonder beauty delight and adventure But children don't stumble onto the best books by themselves They need a parent s help Author Gladys Hunt along with her son Mark discusses everything from how to choose good books for your children to encouraging them to be avid readers Illustrated with drawings from dozens of children's favorites Honey for a Child's Heart Updated and Expanded includes completely updated book lists geared to your child's age and filled with nearly one thousand longtime favorites classics wonderful new books and audiobooks that will enrich your child s life It will also show you how to Understand the importance of being a read aloud family enjoying books together by reading aloud Give your children a large view of the world of truth and of goodness Encourage each child s imagination and good use of language Find the best books for your children Thousands of parents have used this guide to furnish their children's inner spirit with the wonder and delight of good reading Updated and expanded to keep pace with the ever changing world of children's literature it is sure to enrich the cultural and spiritual life of your home **Honey for a Child's Heart** Gladys

you what your goals as a parent should be and how to pursue them practically It teaches you how to engage your children about what matters and how to address their hearts by your words and actions 4 The old ways of parenting no longer work Old authoritarian methods are ineffective against a culture that no longer responds to authority Today's parents are frustrated and confused and children do not act like they should Changing Your Child's Heart Steve Sherbondy, 1998 Designed to help parents learn practical ways to win the battle of the wills without losing their child's heart this book goes several steps deeper than the usual parenting books to teach that real discipline must go to the heart and change a child s attitude for it to be successful Stamped on Every Child's Heart-Impulsive Behavior Rebecca Dawson, 2014-04-01 Do you know an impulsive child One who is full of exaggerations quick to respond careless with words and acts without thinking Do you have a child who gets out of his seat regularly while he s not suppose to interrupts conversations or jumps to the front of the line uninvited Impulsiveness is the quick natural response for these kids They might do all these things and more keep in mind they generally do them rapidly Nevertheless in the very same breathe impulsive kids can be quick to defend remorseful for poor decisions and able to leap over obstacles in a single bound There s a gift for us to discover in impulsiveness The disciple Peter emulates both the strengths and weaknesses of impulsive behavior Impulsiveness had Peter rushing into the water to meet Jesus while also quickly cutting off a soldier's ear He was quick to defend responded without thinking and passionate beyond words His impulsiveness allowed him to experience the miracle of walking on water while everyone else watched him from inside the boat The beauty of Peter's impulsiveness is displayed within his life Peter's impulsiveness allowed him to experience close encounters with God He s authentic and real He s growing and he s a challenge But in the end he s solid and the guy others wanted to follow Discovering the gift of impulsiveness begins in the life of Peter The Children's Heart Surgeon Meredith Webber, 2017-01-21 Top pediatric heart surgeon Alex Attwood gives all his caring to his tiny patients He s not interested in women not since the blond stranger he kissed one long ago night and never found again So Alex is shocked to meet the new nurse manager of the Children's Cardiac Unit at St James's Hospital Annie Talbot has a different name from his mystery woman and she dyes her hair brown She also flatly denies ever having met him But one thing Annie can t hide is her response to his kiss Jimmie s Children s Unit where hearts are mended
