**Ancient Texts And Mormonsim Discovering the Roots of the Eternal Gospel in Ancient Israel and the Primitive Church Volume 1 Third Revised and Enlarged Edition** Dr. Eugene Seaich,2016-10-19 Showing that Mormonism is a

genuine restoration of Primitive Christianity To demonstrate to Latter Day Saints that Mormonism is what it exactly what it claims to be a genuine restoration of the Gospel Mormonism is an genuine restoration of the Gospel as it was taught by disciples of the Primitive Church This is important because through out the world Mormonism is labeled as a non scriptural non Christian cult which departs in alarming in alarming ways from the traditional concepts of the bible The claim that Mormonism is a cult and not a Christian religion is based on the fact that Mormonism accepts none of the traditional creeds of orthodoxy The chief difficulty with this assessment is that so called orthodoxy never existed before the fourth or fifth centuries until the Church s original teachings had been radically altered by Greek informed metaphysical concepts bearing little relationship to the thought of the earliest Christians *Does It Matter Who Wrote the Bible?* David B.

Capes,2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament **The Sunday School Journal** ,1901 Catalogue of the Printed Books in the Library of the University of Edinburgh Edinburgh University Library,1918 The Holy Bible: Containing the Sacred Text of the Old and New Testaments ,1785
