Gonzalez, 2010-09-01 A treatment of the evolution of Christian thought from the birth of Christ to the Apostles to the early church to the great flowering of Christianity across the world Beginning with Augustine Volume 2 covers the flowering of Christian thought that characterized both the Latin West and the Byzantine East during the Middle Ages      **The Culture of Confession from Augustine to Foucault** Chloe Taylor, 2010-05-26 Drawing on the work of Foucault and Western confessional writings this book challenges the transhistorical and commonsense views of confession as an innate impulse resulting in the psychological liberation of the confessing subject Instead confessional desire is argued to be contingent and constraining and alternatives to confessional subjectivity are explored      **A Central European Synthesis of Radical and Magisterial Reform** Kirk R. MacGregor, 2006 Challenging the widespread classification of evangelical theologian Balthasar Hubmaier 1480 1528 as a Schleithem adhering Anabaptist this book argues that Hubmaier should instead be understood as a bridge between the Radical and Magisterial branches of the Reformation and provides for a deeper understanding of one of the 16th century s most creative and sophisticated thinkers      *The Story of Christian Theology* Roger E. Olson, 2009-08-20 In his book poised to become a standard historical theology textbook Roger Olson takes us on a journey of events ranging from the apostolic fathers to the Reformation to the present      **A history of Christian thought, vol 2** Justo L. González, 1971      *The Law of the Eucharist* George J. Gatgounis, 2021-12-21 Christians have been debating for centuries what Jesus meant at the Last Supper when he held out a piece of bread to his disciples and said This is my body which is given for you Do this in remembrance of me Christians regularly celebrate the Eucharist or Holy Communion based on those words of Jesus with some form of bread and wine Most Christians believe that Christ is somehow present but disagree on what that actually means The Law of the Eucharist Radbertus vs Ratramnus Their Controversy as to the Nature of the Eucharist by the Rev Dr George Gatgounis Esq examines the issue from the writings of two ninth century monks Their arguments can be illuminating to modern exegetes who have to answer the same questions      *An Introduction to Theology in Global Perspective* Stephen B. Bevans, 2009 A comprehensive work on doing theology as part of the Catholic ecclesial community in today s world      **The Oxford Handbook of the Pelagian Controversy** , 2025-06-21 The Oxford Handbook of the Pelagian Controversy delves into the heart of one of Christianity s earliest and most profound theological disputes The Pelagian controversy characterized by fierce debates on topics such as original sin grace and predestination was a pivotal moment in the development of Christian

doctrine during the early fifth century unfolding across continents and involving influential figures like Augustine of Hippo Pelagius Caelestius and Julian of Aeclanum Beyond a mere theological and ecclesiastical debate Pelagianism was an historical event which had far reaching consequences even influencing imperial decisions and shaping later evolutions in the West theologically philosophically but also politically and historically While shedding light on the historical intricacies of the Pelagian controversy this Handbook also explores its enduring legacy The discussions surrounding human autonomy sexuality and human limitations continue to shape contemporary theological and ethical discussions With a strong emphasis on methodological precision this comprehensive volume offers a balanced view of the Pelagian controversy avoiding oversimplification highlighting the importance of lost sources and the contributions of lesser known figures and uncovering the reception history of the controversy through the centuries This Handbook is an indispensable resource for scholars and students interested in the history of the West and of Christianity particularly concerning the profound philosophical and theological questions that continue to influence our modern culture      *40 Questions About Calvinism* Shawn D.

Wright,2019-04-30 In *40 Questions About Calvinism* church historian Shawn Wright tackles many issues about the theological system known as Calvinism Taking an irenic approach Wright explains the key doctrines while also contrasting them with Arminianism The accessible format allows readers to easily look up topics in which they re most interested including What is the difference between Calvinism and the Reformed tradition Does God love all people Did Jesus die for the sins of the whole world Can people resist the Holy Spirit Do Calvinists practice evangelism and missions Here is a book to put into the hands of such inquirers whose understanding of Calvinism may have been formed by those who caricature it The fact that each chapter is a question helps readers go straight to the issue that is dogging them Conrad Mbewe Kabwata Baptist Church Lusaka Zambia If you are a non Calvinist seeking answers about Calvinism you will find a clear and winsome presentation of the position as well as a response to some key criticisms If you are a Calvinist looking for a model of how to talk about these things with non Calvinists then you will find a helpful and humble model for explaining the Calvinist position and its points of disagreement with Arminianism in a fair minded evenhanded way Ligon Duncan Reformed Theological Seminary      *A history of Christian thought, v.2 : from Augustine to the eve of the Reformation* Justo L. The Reformation of Prophecy G. Sujin Pak,2018-05-31 Protestant reformers found the prophet and biblical prophecy to be exceptionally effective for framing their reforming work under the authority of Scripture for the true prophet speaks the Word of God alone and calls the people their worship and their beliefs and practices back to the Word of God uses the prophet and biblical prophecy as a powerful lens through which to view many aspects of the reformers in the sixteenth and seventeenth centuries G Sujin Pak argues that these prophetic concepts served the substantial purposes of articulating a theology of the priesthood of all believers a biblical model of the pastoral office a biblical vision of the reform of worship and biblical processes for discerning right interpretation of Scripture Pak demonstrates the ways in which understandings of the prophet and biblical prophecy contributed to the formation of distinct confessional identities She goes on to demonstrate the waning of explicit prophetic terminology particularly among the next generation of Protestant leadership Eventually she shows the Protestant reformers concluded that the figure of the prophet carried with it as many problems as it did benefits though they continued to give much time and attention to the exegesis of biblical prophetic writings Good News for Moderns Nero James Pruitt,2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught

recognizing our own mortality is the path to wisdom      **A History of Christianity** Joseph Early, 2015-02-15 A History of Christianity examines the development of Christianity from its biblical foundations to modern times and is an ideal introductory survey for undergraduate students and any reader who desires to know more about the broad scope of Christianity
