Love Poems Paul Raboff, Yitzchak Greenfield, 1998 In this collection Paul Raboff pleads as an advocate for mankind against the sufferings and humiliations found in the great injustice of love yet at the same time celebrates its joys and hilarities Partly modeled on the Latin classical love poets Catullus and Propertius and partly on adversarial biblical commentary the events are transcribed to the moral and physical landscape of contemporary Israel From Baal to Ashtoreth evokes the clashing of egos in the love experience two very earthly Gods as models of predatory human behavior With imagery strongly identified with the Jewish Bible and the classical world ironically set against modern values the author interweaves the idea of physical love with the anguish of emotional love Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature John McClintock, 1872 **The Struggles of Unloved Women** Linda K. to our addictions to the Supreme Court to cancel culture to children's cartoons to every force and factor that has transformed the parameters of gender to that which appears in our stores on our T-shirts and on our coffee mugs to that which is at this very moment transforming America and much of the world. Is it possible that behind all these things are ancient mysteries that go back to the Middle East and ancient Mesopotamia? This and so much more, most of which we can't even reveal in this description, will be uncovered. *The Return of the Gods* is not only one of the most explosive books you'll ever read but also one of the most profound. It will reveal the most stunning secrets and truths behind what is happening before your eyes in America and the nations. You will see things even in your world in a whole new light.
