From Here To Eternity Basic Bible Studies:

Held by God Lori Phillips, Lynn Willers, 2015-10-30 How can we find hope that carries us through the difficulties in life At some point all of us face times of hardship suffering and despair that can turn our lives upside down and break our hearts wide open During these trials we may feel alone overwhelmed by circumstances and afraid that God has abandoned us In the fog of adversity we hold our broken hearts in our hands and cry out to God Why How could you let this happen Where were you Catastrophe can shake the stability of our world leaving us to wonder about Gods love for us and raising even more questions Why am I suffering Will this trial ever end How will I get through this Does God even see me In **Held by God** the authors share their own struggle with these questions as the family travels an uncertain road through three serious medical challenges catamenial pneumothorax renal artery stenosis and cancer Written in a conversational style that weaves Biblical truths throughout the narrative the book intertwines the authors story with the accounts of Job Paul and King David among others to provide unique examples of Gods unchanging character Understanding Gods faithfulness and recognizing his provision allows us to find rest during times of turmoil and gives us a hope that endures **Bible Basics** Duncan

Topical Bible Studies David Lendway, 2019-08-20 This book is Volume 3 of three volumes and contains a different collection of Bible topics than each of the other two volumes These topics like the previous topics in the other two volumes will also allow the reader to easily identify and with little or no effort on their part to commit to memory exactly what God expects of them from within HIS written Word Although this will not necessarily bring about the reader s ability to remember precisely where each of these topics appears in the Bible s book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn t matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God s Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal

from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know

Shifting Images of the Hasmoneans Vered Noam,2018-02-22 The shifting image of the Hasmoneans in the eyes of their contemporaries and later generations is a compelling issue in the history of the Maccabean revolt and the Hasmonean commonwealth Based on a series of six Jewish folktales from the Second Temple period that describe the Hasmonean dynasty and its history from its legendary founders through achievement of full sovereignty to downfall this volume examines the Hasmoneans through the lens of reception history On the one hand these brief colorful legends are embedded in the narrative of the historian of the age Flavius Josephus on the other hand they are scattered throughout the extensive halakhic exegetical compositions known as rabbinic literature redacted and compiled centuries later Each set of parallel stories is examined for the motivation underlying its creation its original message language and the historical context This analysis is followed by exploration of the nature of the relationship between the Josephan and the rabbinic versions in an attempt to reconstruct the adaptation of the putative original traditions in the two corpora and to decipher the disparities different emphases reworking and unique orientations typical of each These adaptations reflect the reception of the pristine tales and thus disclose the shifting images of the Hasmoneans in later generations and within distinct contexts The compilation and characterization of these sources which were preserved by means of two such different conduits of transmission brings us closer to reconstruction of a lost literary continent a hidden Jewish Atlantis of early pseudo historical legends and facilitates examination of the relationship between the substantially different libraries and worlds of Josephus and rabbinic literature
