From Ink Lake Canadian Stories:

From Ink Lake, 1995 This highly acclaimed anthology is an unexpected and discerning mix of traditional short stories and untraditional tales as selected by one of Canada's most beloved writers Michael Ondaatje. He has chosen 49 stories by a wide array of writers including Alistair MacLeod, Margaret Laurence, Carol Shields, Dionne Brand, Mavis Gallant, Stephen Leacock, Glenn Gould, Alice Munro, Rohinton Mistry, David Adams Richards and many more. Full of diversity and surprise, these writings reveal the geographical, emotional, and literary range of the country. Above all, Michael Ondaatje's personal selection offers good reading and great entertainment. From Ink Lake Michael Ondaatje, 1992. Ranging from fable to chronicle to intimate moment and from the early days of the century to the present, these fifty stories by well-known authors reveal the geographical, emotional, and literary range of Canada.

From Ink Lake Michael Ondaatje, 1990 **Telling Stories**, 2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty-six contributions cover most geographical areas concerned. Another important feature is that it deals not only with exclusive practitioners of the genre, Mansfield, Munro, but also with well-known novelists, Achebe, Armah, Atwood, Carey, Rushdie, so that stimulating comparisons are suggested between shorter and longer works by the same authors. In addition, the volume is of interest for the study of aspects of orality, dialect, dance, rhythms, circularity, and trickster figure, for instance, and of the more or less conflictual relationships between the individual character or implied author and the community. Furthermore, the marginalized status of women emerges as another major theme, both as regards the past for white women settlers or the present for urbanized characters, primarily in Africa and India. The reader will also have the rare pleasure of discovering Janice Kulik Keefer's Fox, her version of what she calls in her commentary, displaced autobiography or creative non-fiction. Lastly, an extensive bibliography on the postcolonial short story opens up further possibilities for research. **The Canadian**

Short Story John Metcalf, 2018-09-25 No other person has done more to celebrate and encourage the short story in Canada than John Metcalf. For more than five decades, he has worked tirelessly as editor, anthologist, writer, critic, and teacher to help shape our understanding of the form and what it can do. The long-time editor of the yearly *Best Canadian Stories* anthology as well as a fiction editor at some of the pre-eminent literary presses in the country for more than forty years, he has worked to support and champion several generations of our best writers. Literature in Canada would be far less without his efforts. Sifting through a lifetime of reading, writing, and thinking about the short story in this country and where it fits within the larger currents of world literature, Metcalf's magisterial *The Canadian Short Story* offers the most authoritative book on the subject to date. Most importantly, it includes an expanded and reconsidered Century List, Metcalf's critical guide to the best Canadian short story collections of the last 100 years. But more than a critical book, *The Canadian Short Story* is a love letter to the form, a passionate defense of the best of our literature, and a championing of those books and writers most often overlooked. It is a guide not only to what to read but also one of its author's most fervent desires, which aims to make better readers.

The biographies are followed by a complete list of the author's published works. Where can you find information about popular contemporary African American authors? Web sites can be difficult to locate and unreliable, particularly for some of the newer authors, and their contents are inconsistent and often inaccurate. Although there are a number of reference works on African American writers, the emphasis tends to be on historical and literary authors. Here's a single volume containing 100 profiles of your favorite contemporary African American writers along with lists of their works. Short profiles provide an overview of the author's life and summarize his or her writing accomplishments. Many are accompanied by black and white photos of the author. The biographies are followed by a complete list of the author's published works. Focusing on writers who have made their mark in the past 25 years, this guide covers African American writers of popular and genre literature from Rochelle Alers, Octavia Butler, and Samuel Delaney to Walter Mosley, Omar Tyree, and Zane. A few classic literary giants who are popular with today's readers are also included, e.g., Maya Angelou, Toni Morrison, and Richard Wright. Readers who want to know more about their favorite African American authors or find other books written by those authors, students researching AA authors for reports and papers, and educators seeking background information for classes in African American literature will find this guide invaluable. High school and up [Transient Questions](#), 2021-09-20 Mavis Gallant has been a leading literary figure in Canada since her first short story published in 1951 and has grown to be considered internationally as a modern master of the genre. Her writing is nuanced, sensitive, gifted, deep, and concise. She leaves everything open for the hidden potential that can always be discovered. Times change, society, history, politics may develop out of recognition. Cultures metamorphose. Literary landscapes and theories are renewed. But the classics of our time stay where they are, pillars of that which is solidly about us. Mavis Gallant's work is of that calibre; her writing will remain interesting and relevant no matter what else happens. This book is an exploration of what Gallant's readers are thinking now, where they place her in the panorama of literature, and what meaning she has for them now. Scholars continue to probe into the stories, their characters, the capsules of history they present, and continue to find them challenging. As with Shakespeare, no amount of scrutiny will yield the final answer. That is how complex Gallant's writing is. Especially now, when the positioning of her characters is a more prominent condition in general, we need to review Gallant's artistic insights. As Francine Prose says in Harper's Magazine, Gallant's cast of characters are a motley assortment of refugees, fugitives, and travelers and displaced persons scrambling on the margins of a society.

Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives

from the richness and variety of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide Floating Voice Stan Dragland,1994 The writing of Duncan Campbell Scott has long represented a sympathetic understanding of Canada s Native peoples perhaps mistakenly so however as in his work as a bureaucrat Scott put in place white paternalistic policies that Native peoples resist to this day Floating Voice examines Scott s contradictions with renewed consideration of his best Indian fiction and poetry

Silence and Rage in Miriam Toews's Mennonite Novels Rita Dirks,2024-04-17 This book focuses on six of Miriam Toews s Mennonite novels *Swing Low* 2000 *A Complicated Kindness* 2004 *Irma Voth* 2011 *All My Puny Sorrows* 2014 *Women Talking* 2018 and *Fight Night* 2021 so called because they portray fictional and autobiographical events set in Mennonite communities in Canada Mexico and Bolivia Rita Dirks argues that through the exploration of difficult subjects such as the physical and emotional abuse of teenaged girls women and children Toews gives a voice to victims and survivors who are otherwise silenced in that sequestered culture In addition Dirks shows that in the Mennonite novels Toews s rage at the injustices experienced by her protagonists becomes a transformative art that gives a voice to all stories especially those of women within authoritative patriarchal communities that openly proclaim pacifism **Dominant Impressions** Gerald

Lynch,Angela Robbeson,1999 Canadian critics and scholars along with a growing number from around the world have long recognized the achievements of Canadian short story writers However these critics have tended to view the Canadian short story as a historically recent phenomenon This reappraisal corrects this mistaken view by exploring the literary and cultural antecedents of the Canadian short story Published in English **A Reader's Companion to the Short Story in English** Erin Fallon,R.C. Feddersen,James Kurtzleben,Maurice A. Lee,Susan Rochette-Crawley,2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years *Reader's Companion to the Short Story in English* includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory

Temerity & Gall John Metcalf,2022-05-31 Metcalf s talent is generous hectoring huge and remarkable *Washington Post* In *Temerity* surveys with no punches pulled the current state of CanLit and offers a passionate defense of the promise and potential of Canadian writing In a 1983 editorial letter to the *Globe and Mail* celebrated Canadian novelist W P Kinsella railed that Mr Metcalf an immigrant continually and in the most galling manner has the temerity to preach to Canadians about their
