**Pastoral Ethics, Second Edition** W. Ross Hastings, 2025-08-19 Pastors regularly face concrete ethical questions and they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In **Pastoral Ethics** W Ross Hastings provides pastors with an evangelical

and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes Gnosticism Ethics without theology leads to legalism and death Christian ethics participates in God's life and God's work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love Pastoral Ethics is an essential guide for Christians in all ministry contexts *The Homiletic Review*, 1910 **Leadership Handbook of Management and Administration** James D. Berkley, 2008 This revised and expanded edition of a proven ministry resource contains new contributions from Leith Anderson Rick Warren Brian McLaren Luis Palau John Ortberg Aubrey Malphurs and many others **How to Not See What You're Looking At: Walking by Faith & Not by Sight** Karen Y. Hosey, 2011-06 We are just like you We've faced tragedy some the result of bad decisions others just a part of living in this sinful world but no matter what we faced the Word We didn't always get it right but God did Through our various trials God was faithful to reveal more of Himself and much of what He revealed was how traditional preaching was a roadblock to our ability to walk in the fullness of His covenant Meet Karen Married for over thirty years to a good man a good man who didn't believe in God it was only after his death that she learned from her mistakes in an unequally yoked relationship If you have an unsaved loved one spouse parent child her mistakes could save you from making your own Meet Judy She was married to the love of her life living in their dream home and enjoying life with her family When her life appeared to follow the same path as Job's with tragedy following tragedy she learned an important lesson a lesson we all need to learn Although in different ways Karen and Judy overcame seemingly impossible situations Their stories will give hope and inspiration in God's faithfulness and love as you learn How to Not See What You're Looking At Walking By Faith and Not By Sight **In Your Eyes I See My Words** Pope Francis, 2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population Because of that careful and prayerful process of kneading they have found their full development in Bergoglio's writing as Pope Francis especially in *Evangelii gaudium* November 2013 *Gaudete et exsultate* On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015 In this final volume of Bergoglio's homilies and papers we meet European theologians and thinkers such as Hans Urs von Balthasar Henri de Lubac

Bergoglio's friend the Uruguayan philosopher Mario Ferrer, the literary figure Miguel Angel Asturias and Enrique Santos Discipolo a singer and composer of tangos that decry corruption. In a prophetic conclusion the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy: one defined by ongoing love and care for God's people that seeks to spread God's merciful anointing to those living on the margins of life. **Faith, Life and Leadership: Vol 2**, 2019-09-11 **Faith Life and Leadership Vol 2** 8 Canadian Women Tell Their Stories is the follow up volume to the very successful first book by the same title. This second group of eight successful experienced godly Canadian women have been similarly assembled and again each is a distinguished leader in her field. All have been willing to share the unique story that relates to the lessons they learned during their leadership journey. Their personal stories are told with utmost authenticity and integrity. Readers will be inspired, encouraged and edified to achieve great things for the Kingdom. The unique perspective of each models important and essential characteristics and practices that will help emerging leaders to prepare for the roadblocks and adversities that will undoubtedly present themselves on their own journey to becoming strong Spirit-filled leaders. These stories will cover important themes such as Understanding the Call of God, Developing and Building Character, Leadership Tests, Seasons and Processes, Mentoring, Strengthening Spiritual Disciplines, Maturing Through Offences, Living and Leaving a Legacy. **Metropolitan Pulpit and Homiletic Monthly**, 1910 **Homiletic Review**, 1910 **Thom Jons** Bruce Jackson, 2022-04-05 What is universal reality? Is this world interested in a realistic vision of what life is like beyond death? Is our world curious about how an understanding of a realistic presentation of heaven might impact our lives in this age of alternative truth, unreality, entrenched self-interest and systemic racism? Would individuals be interested in a narrative about our universe that is neither a Star Wars fantasy nor a fiction perpetrated by religionists with a social religious agenda? Would anyone have an interest in discovering what universal teachers or resurrected beings might say to us beyond the veil of death? Is racism, evil, hate, cheating, greed, lying, murder, rape, selfishness and etcetera something that is okay with our universe? If it is, then the very concept of eternal life has no meaning and is utterly inviable. We humans of the Planet of the Cross have known this for well over two thousand years. So why are these issues such a problem on our planet today? Are our universal leaders pleased with our progress? We live in an age where our greatest human handicap is our lack of understanding of our ascendant future and the reality of our universal lives. On earth we are embryonic souls locked within the limits of the womb. From earth we pass into universal infancy. What happens when our eyes open? Premise: There are as many paths to the Portals of Paradise as there are Ascending Pilgrims going there. Each ascender's path is utterly unique. Any religious practice that believes that it has the one and only truth speaks more in arrogance than in the knowledge of universal truth. This fictional work reflects on our mortal lives from the perspective of unseen universal beings and from the experiences of ascenders who have passed through the veil of human death. As all beings are the children of our Mother Father God, all are truly equal siblings; there is no racial supremacy because there are no racists in heaven. This novel calls for

the cultivation of genuine human equality through the end of systemic racism It suggests a new perspective on ascendant living for mortal beings Plot The narrative covers the progression of life in a Southern American town during the first three decades of the twentieth century The characters experience social divisions poverty World War I pandemic prohibition suffrage clerical rape lynching gay marriage economic collapse and systemic racism The story is presented from the perspective of a diverse cast of characters ranging from judges politicians hoodlums teachers businessmen soldiers wealthy whites lower class whites and folks from a colored community Their lives are reflected upon by their guardian angels and unseen universal teachers Part 1 covers the lives of folks around Thom Jons a war hero and entrepreneur who gradually descends into rejecting life by demanding death Part 2 begins after the dispensational resurrection of the souls onto Mansion One All the resurrected characters protest that Thom Jons had failed to be resurrected They demand and win a tribunal before Melchizedek to convince Thom to be born into the reality of ascendant eternal life After introductions by Melchizedek the tribunal consists of the reflections of each ascender on their earthly lives Thom s positive mortal legacy and their experiences lessons and new perspectives learned after their resurrection They invite Thom to join them in the adventure of universal progress spiritual development and an ever evolving living faith For they have understood the experience of the Ascendant Will of God in the fulfillment of their personal spiritual assignments by God the Father and their communal service experience with the Eternal Mother
