From Ancient Times:

Ancient Times, a History of the Early World James Henry Breasted, 2017-11-24 Excerpt from Ancient Times a History of the Early World An Introduction to the Study of Ancient History and the Career of Early Man Finally when we recall that the leading religion of the world the one which still dominates Western civilization to day came to us out of the Orient when we further remember that before it fell the Roman Empire was completely orientalized it would appear to be only fair to our schools to give them books furnish ing an adequate treatment of pre greek civilization This does not mean to question for a moment the undeniable supremacy of Greek culture or to give it any less space than before The author believes that no one who reads the chapters on Greece in this survey will gain the impression that Hellas has been sac rificed to Moloch in other words to her oriental predecessors About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
