From Condoms To Cabbages An Authorized Biography Of Mechai Viravaidya:

From Condoms to Cabbages Thomas D'Agnes, 2001 **Culture and the Condom** Karen Anijar, Thuy Dao Jensen, 2005 In the last decade of the twentieth century the safe sex message advocating the use of condoms to prevent pregnancy and curb the spread of AIDS and other sexually transmitted diseases has endured relentless attacks by conservative religious groups who seek to instill doubt and promote an abstinence only theme in American public schools The essays in this book provide a stimulating historical and cultural inquiry into the multiplicity of meanings attributed to one prophylactic the condom Given the vast array of sexual attitudes toward condom usage within American culture and around the world *Culture and the Condom* will provoke readers into examining significant dominant discourses and alternative perspectives by viewing condoms through the lens of cinematic and television imagery artistic representations statistical analyses commercial advertising and animation **Historical Dictionary of Thailand** Gerald W. Fry, Gayla S. Nieminen, Harold E. Smith, 2013-08-08 Throughout its history Thailand has shown remarkable resiliency adaptability and creativity in responding to serious threats and crises and this since much earlier times when it was known as Siam This book while focusing on the modern period does reach back to ancient kingdoms but also shows the impressive rise to a modern democracy although still endowed with a king and even more impressively an economic tiger Moreover it has become a prime tourist destination and is thus known to vast numbers of foreigners as a sort of instant Asia The *Historical Dictionary of Thailand* now in its third edition covers this amazing story in various ways First the chronology traces the most significant events from year to year The introduction then provides a good overview of the land and people the history and traditions and where it now seems to be heading The dictionary which by now has hundreds of detailed and cross referenced entries looks more closely at important persons places institutions and events as well as more generally its politics economy society culture and religion So this is an excellent reference work not only for scholars but many others who have visited the country and were fascinated by it **Preventing Human Trafficking** Robert W. Spire, 2016-03-03 This book explores human trafficking examining the work of grass roots non profit organizations who educate and rehabilitate human trafficking victims and at risk youth Through interviews with staff and children the author compares the work of two NGOs on the ground in Thailand with the work of similar organizations overseas shedding light on the ways in which they combine educational work with shelter settings to prevent human trafficking protect young people and attempt to provide a future free of exploitation Concentrating less on the details of exploitation itself than the work that is being done to prevent exploitation and protect those who have experienced human trafficking *Preventing Human Trafficking* explores the many challenges faced by the organizations their staff and the children they serve Drawing on rich qualitative research to address significant gaps in our knowledge of the work of NGOs and propose solutions to the problems of trafficking and how to protect its victims this book will appeal to social scientists and policy makers with interests in criminology exploitation people trafficking non formal education and the

work of NGOs **Human Rights and Social Justice in a Global Perspective** Susan C. Mapp, 2014 This thoroughly revised edition provides an updated introduction to a variety of issues in the Global South relating to international social work including AIDS forced labor and war and conflict United Nations human rights documents are used as a framework to examine issues in their cultural contexts Thai Migrant Sexworkers K. Aoyama, 2009-01-30 Exploring sexwork and trafficking in a globalized culture and economy this book offers a critique of increasingly stringent policing worldwide following the UN protocol against trafficking in persons It highlights the grey area between sex work and trafficking and draws on the themes of gender migration and deviance Sex and War Malcolm Potts, Thomas Hayden, 2010-02-02 As news of war and terror dominates the headlines scientist Malcolm Potts and veteran journalist Thomas Hayden take a step back to explain it all In the spirit of *Guns Germs and Steel* *Sex and War* asks the basic questions Why is war so fundamental to our species And what can we do about it Malcolm Potts explores these questions from the frontlines as a witness to war torn countries around the world As a scientist and obstetrician Potts has worked with governments and aid organizations globally and in the trenches with women who have been raped and brutalized in the course of war Combining their own experience with scientific findings in primatology genetics and anthropology Potts and Hayden explain war s pivotal position in the human experience and how men in particular evolved under conditions that favored gang behavior rape and organized aggression Drawing on these new insights they propose a rational plan for making warfare less frequent and less brutal in the future Anyone interested in understanding human nature warfare and terrorism at their most fundamental levels will find *Sex and War* to be an illuminating work and one that might change the way they see the world Buzz Emanuel Rosen, 2010-10-01 Buzz is the most valuable marketing tool there is and yet it s under researched and overlooked as a method of reaching customers The groundbreaking *The Anatomy of Buzz* told us why buzz matters studies and real life phenomena from the iMac to Cold Mountain prove that consumer recommendations are the best form of advertising or marketing Now Rosen who has spent years studying buzz has added findings from cutting edge research and 100 new interviews with field leaders to show you how to create it The result with tips on subjects from seeding the market to accelerating natural contagion is essential reading not only for marketers but for anyone who wants to spread their message

Combating AIDS Arvind Singhal, Everett M Rogers, 2003 Awarded the Annual Award for Distinguished Scholarly Book in Applied Communication by the National Communication Association USA This gripping narrative not only documents the history of humankind s interaction with a clever virus it brings to the forefront the much and understated and underused role of communication in HIV and AIDS prevention care and treatment Singhal and Rogers remind us that our global environment is shaped by powerful communication means and methods that if properly harnessed can help defeat the plague of the 21st century Neil McKee Senior Technical Advisor for HIV AIDS and Adolescent Health Johns Hopkins University This book is an important contribution to AIDS education globally The rich and diverse cases analyze humanize and contextualize the

continuum of HIV AIDS prevention care and support Researchers and practitioners will find this book most useful Collins Airhihenbuwa Professor of Bio Behavioural Health Penn State University Educating people about AIDS is one of the biggest communication challenges that we face today This remarkable book is a must read for anyone who wants to understand the challenges and ways to overcome it Thorough and hopeful this is one of those books that can actually make a difference in this world Emanuel Rosen author of The Anatomy of Buzz A thoroughly readable and inspiring book by two of the world's foremost health communication experts Accessible and personalised it is a must read for all those interested in AIDS prevention care and support Shereen Usdin Co Founder of the Soul City Institute of Health and Development Communication South Africa This book provides a comprehensive analysis of the strategies related to HIV AIDS communications It is published at a critical moment as the world increasingly realizes the role of communication in the fight against HIV AIDS Rafael Obregon Social Communication Advisor Pan American Health Organization Combating AIDS is slickly written using communicators theories taking the reader step by step through various arguments and using repetition to ingrain them in the reader's mind Ritu Priya Nature HIV AIDS is a matter of global concern The world is now more than 20 years into the HIV AIDS crisis with no vaccine in sight and relatively few effective and sustainable prevention programs Although the rate of HIV infection and AIDS deaths has declined in the richer nations of the developed world infection rates are soaring in developing countries AIDS is now the leading cause of death in Africa and the fourth leading cause of death globally The purpose of this book is to synthesize critical lessons about effective HIV AIDS prevention programmes with a major emphasis on communication strategies The authors feel that despite the growing AIDS crisis the world is making poor use of behaviour change and communication strategies for HIV AIDS prevention To begin with the role of communication strategies in HIV prevention care and support has been grossly underestimated Prevention is shortchanged despite the fact that no cure for AIDS has been found and the cost of anti retroviral therapy is out of reach for most who need it Many communication strategies are culturally inappropriate so they may offend public sensitivities which is easy to do when dealing with a sensitive topic that involves sex stigma and death Combating AIDS Communication Strategies in Action focuses on communication strategies that could mobilize political action target high risk groups and overcome stigma The authors have also described and analyzed the value of entertainment education strategy in HIV prevention

The Age of Responsibility Wayne Visser, 2011-03-08 This landmark book shows how the old model of corporate sustainability and responsibility is being replaced by a second generation movement that goes beyond the outmoded approach of CSR as philanthropy or public relations concern to a more authentic stakeholder driven model The author describes the new concept and mission of the new movement and explains its agenda in a succinct guide that will be useful for CSR professionals including managers consultants academics and non governmental organizations

Innovation in Strategic Philanthropy Helmut K. Anheier, Adele Simmons, David Winder, 2007-08-29 This book is the result of case studies conducted as part of the

International Network on Strategic Philanthropy which focus on the role of philanthropy in the globalization process and in lesser developed economies Throughout they emphasize the lessons in innovation that can be taken from them and together demonstrate that emerging philanthropic institutions can develop their own methods and offer criteria that the Western world might learn from

Education in Thailand Gerald W. Fry, 2018-11-01 This interdisciplinary book offers a critical analysis of Thai education and its evolution providing diverse perspectives and theoretical frameworks In the past five decades Thailand has seen impressive economic success and it is now a middle income country that provides development assistance to poorer countries However educational and social development have lagged considerably behind its globally recognized economic success This comprehensive book covers each level of education such as higher and vocational technical education and such topics as internationalization inequalities and disparities alternative education non formal and informal education multilingual education educational policy and planning and educational assessment The 25 Thai and 8 international contributors to the volume include well known academics and practitioners Thai education involves numerous paradoxes which are identified and explained While Thailand has impressively expanded its educational system quantitatively with much massification quality problems persist at all levels As such the final policy oriented summary chapter suggests strategies to enable Thailand to escape the middle income trap and enhance the quality of its education to ensure its long term developmental success
