**From Here We Speak** Ingrid Wendt, Primus St. John, 1993 An anthology of Oregon poetry from Native American tribal lyrics to the present      **From Here We Speak** Primus St. John, 1993 An anthology of Oregon poetry from Native American tribal lyrics to the present      The Unitarian Universalist Poets Jennifer Bosveld, 1996      *Regular Haunts* Gerald Costanzo, 2018-03-01 Gerald Costanzo long known as one of the best contemporary poets of satire focuses specifically on American themes that though presented as parables fables jokes and put ons remain darkly serious in tone His subject is the mythic landscape of America itself the transitory popular consumer culture of late twentieth and early twenty first century life Costanzo evokes a sense of having arrived on the scene too late of having missed the heyday of American innocence and possibility and now in the present is forced to live with diminished experience He mourns a culture where genuine emotion cannot be found but where its semblance can be endlessly marketed *Regular Haunts* is a retrospective collection of Costanzo's work that also includes nearly thirty new poems      *Greatest Hits #272* Dayle Wesley Walls, 2008      On Sacred Ground Nicholas O'Connell, 2011-10-01 *On Sacred Ground* explores the literature of the Northwest the area that extends from the Pacific Ocean to the Rocky Mountains and from the forty ninth parallel to the Siskiyou Mountains The Northwest exhibits astonishing geographical diversity and yet the entire bioregion shares a similarity of climate flora and fauna For Nicholas O'Connell the effects of nature on everyday Northwest life carry over to the region's literature Although Northwest writers address a number of subjects the relationship between people and place proves the dominant one and that has been true since the first tribes settled the region and began telling stories about it thousands of years ago Indeed it is the common thread linking Chief Seattle to Theodore Roethke Narciissa Whitman to Ursula K Le Guin Joaquin Miller to Ivan Doig Marilynne Robinson to Jack London Betty MacDonald to Gary Snyder Tracing the history of Pacific Northwest literary works from Native American myths to the accounts of explorers and settlers the effusions of the romantics the sharply etched stories of the realists the mystic visions of Northwest poets and the contemporary explosion of Northwest poetry and prose O'Connell shows how the most important contribution of Northwest writers to American literature is their articulation of a more spiritual human relationship with landscape Pacific Northwest writers and storytellers see the Northwest not just as a source of material wealth but as a spiritual homeland a place to lead a rich and fulfilling life within the whole context of creation And just as the relationship between people and place serves as the unifying feature of Northwest literature so also does literature itself possess a perhaps unique ability to transform a landscape into a sacred place      **The Oregon Companion** Richard H.
