San Angelo Editor Margaret B. Ingraham,Editor Andrea Carter Brown,2011-10-17 Entering the Real World VCCA Poets on Mt San Angelo edited by Margaret B Ingraham and Andrea Carter Brown is a labor of love by poets who have been to VCCA and by the Fellows Council to celebrate VCCA s 40th Anniversary It contains over sixty previously published poems by VCCA Fellows all written about or inspired by their residencies at VCCA The poets are from throughout the United States around the world and across the decades Kelly Cherry Poet Laureate of Virginia describes Entering the Real World as this splendid intriguing anthology Editor Margaret B Ingraham writes This anthology is at once a work of literary merit a celebratory offering and an historical record of a hallowed place The Piano Tuner Peter Meinke,2012-03-15 In The Piano Tuner Peter Meinke writes of the foreignness that awaits us when we go abroad and when we answer our own front door to admit a stranger that confronts us in unfamiliar cities and villages and in the equally disquieting surroundings of our memories and regrets Often in these stories what seems a safe comfortable environment turns suddenly threatening In the title story a writer s quiet existence amid his antiques and books is dismantled piece by piece by a demonic beer bellied piano tuner In The Ponoos a man recalls how as a young boy living in Brooklyn during World War II he became a collaborationist in the brutal pranks of two Irish bullies In The Twisted River the sedate collegiality of a Polish university is disrupted when an American on a Fulbright grant attempts to blackmail two faculty members And in The Bracelet a young anthropology student doing field work in Africa finds herself drawn further and further into the role of a priestess of Oshun into a life dictated by the configuration of cowry shells cast upon the floor Meinke writes of a world where our control over our lives seldom exists across a border and often extends no further than our fingertips Attempts to bridge two cultures two lives are sometimes successful as when an actor finds love in the arms of a tough talking barmaid but more usually lead to disillusionment as when a hard drinking salesman s career is shattered after he is drunk under the table one night by a Polish engineer or when an English father struggles to find common ground with his American son Riveting almost terrifying the stories in The Piano Tuner tell of decent men and women caught in events that they could never have predicted would never have chosen Chokecherries Peter Klappert,2000 **Wall Street and the Russian Revolution** Richard Spence,2017-06-07 Wall Street and the Russian Revolution will give readers critical insight into what might be called the Secret History of the 20th century The Russian Revolution like the war in which it was born represents the real beginning of the modern world The book will look not just at the sweep of events but probe the economic ideological and personal motivations of the key figures involved revealing heretofore unknown or misunderstood connections Was Trotsky for instance a political genius an unprincipled egomaniac or
