## **From My Perspective:**

**From My Perspective** Katherine E Molina, 2007-07 A collection of poetry from Katherine E Molina From age eight to present Compiled by her father who never threw away a single poem He also said that yes some of it was unsophisticated but one could not discount nor place a value on the purity and simplicity of her earlier writings as she grew from a child into womanhood and the accomplished poet that she is today

**My Perspective** Vishal Motikuberwala, 2018-11-20 This book is dedicated to those who have lost faith confidence from their life Intention to write this book to help such people boost their confidence Many people now a days dwelling towards negativity finally they lose their confidence This book will help them to gain their confidence by the awareness of important facts of life It ll clear the myth wrong assumption which they carry since long Thank you very much Vishal R Motikuberwala

**My Perspective and thoughts during Lockdown** Masarrat Ahmad Shah, 2023-01-02 In my second book about the pandemic from my perspective in December 2019 a cluster of atypical cases of pneumonia was reported in Wuhan China which was later designated as Coronavirus disease 2019 COVID 19 by the World Health Organization WHO on 11 Feb 2020 the stories and articles penned down in this book are from my real life scenarios from this period Tried to capture all the topics which I felt are relevant to the time we all were locked up in our homes We all experienced a new shift in life how we see the world and what is important to us as a person society and family I am sure you will read about events in the book which will take you to the time and make you realize that yes we all were going through the same phase

Change your perspective, change your life Stefanie Fasora, Anna Farfel, 2020-09-01 A great mind once said Nothing changes if nothing changes If we look at things situations people in our life the same way applying the same judgment emotions and perspective there is no room for evolution We are stuck with the view of the prison window that only we built We cannot forgive others if we judge them for what they did If we still feel the same emotions when we think of them or if we repeat the same words when we shame them for what they did Even when years have passed and nothing has changed We are still on bad terms conflicted and troubled It starts with you This book is about how to change your perspective to change your emotion to change your inner voice how to let go of judgment and create peace on a very fundamental level I will use situations from my everyday life to show you examples from different perspectives sneak peak behind the curtain I encourage you to also use trigger situations in your life and detach yourself from your favorite perspective and see it from another angle and how your life can change with this knowledge

**Becoming Someone New** Enoch Lambert, John Schwenkler, 2020-07-17 Suppose you re offered an opportunity to experience something that is unlike anything you have ever encountered but that s all you know aside from the fact that the experience is physically safe and morally acceptable How do you decide whether to take up the offer Several philosophers have recently argued that we are in similar situations for more of our decisions than we usually recognize Are they right What resources can we draw on to create such situations Are they enough to satisfy our aims of making the best decisions we can especially in high stakes

situations This volume brings together philosophers and psychologists to investigate the phenomenon of transformative change and a host of fascinating questions it prompts Taking their departure from seminal work on transformative choice and experience by L A Paul and Edna Ullmann Margalit the authors pursue fundamental questions concerning the nature of rationality the limits of the imagination and the metaphysics of the self They also strike out into new areas including value theory aesthetics moral and political philosophy Several chapters present the results of experimental investigation into the psychology of transformation self concept and moral learning

*Your Perspective or God's Perspective?* Desreen Clarke-Miller, 2022-09-28 Do you recognize that your overwhelming problems are miniscule when you view them from God's perspective The author knows that her perspective means sleepless nights due to worry and anxiety but God's perspective means that she can rest knowing that He can turn any and every situation around for good These insightful poems address common and often challenging life experiences that you may be able to identify with Here is your reminder that God can come through for you regardless of your demographic You can trust Him This book consists of fifty heartfelt poems each with an appropriate scripture verse experiential and uncomplicated yet profound Read re read recite meditate enjoy and share Be encouraged to embrace God's truth and choose His perspective the one where the impossible becomes possible

*From a Father's Perspective* Johnathan McFadden, 2015-08-17 This book is about a young boy that left his home in Riviera Beach Florida and went 1 500 miles away to a university in the Midwest to play football in the Big Ten Conference He faced multiple bouts of adversity stemming from being told he couldn't play the position he was recruited to play being fifth on the depth chart at the position they said he could play at one time dealing with injuries female drama his grandfather's passing his home burning and much more It talks about how coaches say one thing then do another It deals with coaches suppressing the personalities of individuals the language that they use and how they selectively use the language to certain individuals This book talks about when I first met the head coach and his defensive coordinator how I was able to discern their spirits and know that I couldn't speak on my son's whys and why not's concerning his playing time and his future with the team Through all the aforementioned subject matters God provided answers so that we could keep moving forward to reach our goals which were to get a degree and to play college football This book also describes how that boy grew into a man

*Coaching Models: A Cultural Perspective* Diane Lennard, 2013-02-01 In addition to providing an extensive analysis of strategies for changing performance and the factors that can impact coaching effectiveness this book offers what may be a unique value instead of promoting one approach as the best Dr Lennard guides readers through a highly customized process of developing our own individualized coaching model As a result of the book's thought provoking activities I strengthened my own sense of personal authenticity and saw new ways to coach and collaborate fully with employees who may have very different perspectives Tita Theodora Beal Learning nothing is imposed Readers are invited to reflect on unique and defining experiences strengths values perspectives and style and to begin creating their own work in progress Coaching Models will

be a compelling read for experienced coaches and new coach practitioners alike Bethene LeMahieu Ed D Professional Coach and Conversation Conservationist Coaching Models A Cultural Perspective encourages and assists students and practitioners of business coaching to develop and apply their own coaching models The entire field of coaching will benefit from having coaches who use their models to continually improve their practice The first part of this book presents the model development process by looking at the relationship among culture beliefs and behavior in the coaching context It explains the importance of identifying cultural factors that influence the way coaches approach coaching interactions and their coaching models The second section provides coaches with information and strategies for developing personalized coaching models applying them to specific contexts and reflecting on their interactions to refine their core coaching practices The third part describes the evolution of the author s own coaching model the Performance Coaching Model and illustrates how one coach incorporates unique perspectives and sets of skills knowledge and experience in her coaching practice New Phenomenological Studies in Japan Nicolas de Warren, Shigeru Taguchi, 2019-05-18 The development of phenomenological philosophy in Japan is a well established tradition that reaches back to the early 20th century The past decades have witnessed significant contributions and advances in different areas of phenomenological thought in Japan that remain unknown or only partially known to an international philosophical public This volume offers a selection of original phenomenological research in Japan to an international audience in the form of an English language publication The contributions in this volume range over classical figures in the phenomenological movement Husserl Heidegger Levinas Merleau Monty recent trends in French phenomenology and contemporary inter disciplinary approaches In addition to this diverse engagement with European thinkers many of the contributions in this volume establish critical and complimentary discussions with 20th century Japanese philosophers *Shift Your Perspective, Change Your Life : The Art of Seeing Possibilities Everywhere* Silas Mary, 2025-02-11 Shift Your Perspective Change Your Life The Art of Seeing Possibilities Everywhere The way you see the world shapes your reality While some people see obstacles limitations and roadblocks others see opportunities growth and endless possibilities The difference Perspective This book is your guide to unlocking a new way of thinking one that empowers you to embrace change overcome challenges and create opportunities where others see none You ll discover How to reframe setbacks as stepping stones to success The power of perception how your thoughts shape your actions and results Practical strategies to break free from negative thinking and cultivate a growth mindset How to see hidden opportunities in everyday life and business Mindset shifts that increase confidence creativity and resilience Whether you re feeling stuck facing a tough decision or simply want to unlock your full potential Shift Your Perspective Change Your Life will help you see the world through a new lens one filled with opportunity possibility and unlimited potential Because when you change how you see things everything changes *New Perspectives on Narrative Perspective* Willie van Peer, Seymour Chatman, 2001-03-22 Narrative perspective is the faculty through which humans understand

structure and explore the world that confronts them This is the first volume to bring together the theoretical study of perspective with the rigor of experimental studies combining work in narratology with that in linguistics philosophy film studies literary theory and cognitive psychology The chapters are grouped thematically and drawn together by the editors who provide guidance through this new and fascinating interdisciplinary territory

**Spirituality in the Workplace: A Philosophical and Social Justice Perspective** Marilyn Y. Byrd, 2017-01-10 Missing from the discourse on spirituality are the injustices experienced in the workplace particularly by individuals marginalized by social group identity or affiliation This is a critical omission in that spirituality can stimulate reflection response healing and transformation of the soul Filling the gap by addressing the role of spirituality in relation to meaningful work this volume extends ideas about teaching and learning about spirituality to workplace settings including the transformative learning theory In seeking ways to promote moral and socially responsible workplaces and to establish a new way of thinking the volume lays down a philosophical framework for spirituality in the workplace as a means of emancipation and social justice and shows how the workplace can be a fruitful context for social justice education This is the 152nd volume of the Jossey Bass series New Directions for Adult and Continuing Education Noted for its depth of coverage it explores issues of common interest to instructors administrators counselors and policymakers in a broad range of education settings such as colleges and universities extension programs businesses libraries and museums

**Teach Us to Pray a Perspective on the "Our Father"** Michele J. Gomez, 2009-09-15 Prayer is a privilege that brings us into God's awe inspiring Presence So many people want to pray yet don't know where to start while others feel a need for a fresh touch upon what feels like stale prayers Teach Us to Pray by Michele Gomez is a great tool to help light your path on this journey into the secret place of the Most High God The content is RICH and filled with extensive Biblical research and is at the same time both PRACTICAL and spiritually DEEP Whether someone is a seeker a new Christian or a very mature prayer warrior he or she can greatly benefit from this book This book cannot only be used as a devotional volume but also as an incredible research tool The years of research and experience that have gone into the writing of this volume is evident in its content flow readability and accuracy Michele has woven Scriptures from both the Old and New Testaments directly into the prayers and the Our Father section is a MASTERPIECE Read it use it as a devotional and PRAY through it you will be glad you did Reverend Shirley Bridwell

**A Pac-Man Perspective on Organisational Change** Petter Ogland, 2017-12 Living theory is a way of making use of personal accounts of experienced practice As the Pac Man perspective on organisational change helps the change agent articulate the personal values he is committed to and how these values may be resisted in practice living theory is useful for developing knowledge that has a practical impact on self improvement and social change but it is also a type of theory that is difficult to publish in academic outlets As a consequence of this publishing Pac Man living theory research becomes a Pac Man game in itself with the journal editors as one of the four adversary gatekeepers but it is a rewarding game for those who want to contribute both theoretically and practically on
