A Translational Turn Marta E. Sánchez, 2019-05-17 No contemporary development underscores the transnational linkage between the United States and Spanish language America today more than the wave of immigration from Spanish language countries during the 1980s and 1990s This development among others has made clear what has always been true that the United States is part of Spanish language America Translation and oral communication from Spanish to English have been constant phenomena since before the annexation of the Mexican Southwest in 1848 The expanding number of counter national translations from English to Spanish of Latinx fictional narratives by mainstream presses between the 1990s and 2010 is an indication of significant change in the relationship A Translational Turn explores both the historical reality of Spanish to English translation and the new counter national English to Spanish translation of Latinx narratives More than theorizing about translation this book underscores long standing contact such as code mixing and bi multilingualism between the two languages in U S language and culture Although some political groups in this country persist in seeing and representing this country as having a single national tongue and community the linguistic ecology of both major cities and the suburban periphery here and in the global world is

Gorda durante las primeras décadas del siglo XIX tuvieron una autonomía política similar a la del periodo colonial que distintos gobiernos trataron de destruir. La etapa más crítica de esta dinámica ocurrió entre 1847 y 1849 cuando a raíz de la rebelión de Eleuterio Quiroz los diferentes rdenes de gobierno intentaron implantar en la región diversos mecanismos de control político administrativo y militar. Los quince capítulos de *Desde otros Caribes* fronteras políticas e identidades ponen en escena a otros Caribes en un performance dialógico y transdisciplinario que permite su discusión como actores en un espacio Caribe diverso e interrelacionado. Plantean nuevos diálogos hacia dentro y fuera del área en un acto consciente de construcción de políticas dinámicas transdisciplinarias y transfronterizas. Las discusiones abordadas tienen orígenes en planteamientos arraigados en la historia, la literatura, la geografía, el arte y la cartografía y transitan hacia espacios transdisciplinarios que exploran los nexos y los diversos planos de conectividad que permiten profundizar en el área Caribe y su devenir.

Integración y exclusión de los productores agrícolas Fernando Saavedra, Fernando Rello, 2013-09-10. Con fundamento en un diagnóstico de la agricultura en México y desde un enfoque regional para estudiar cómo la liberalización de la economía ha transformado el mundo rural, esta obra muestra cómo las políticas públicas aplicadas en el ámbito rural lejos de generar círculos virtuosos de productividad han aumentado la diferenciación entre los productores agrícolas concentrando oportunidades y beneficios, lo que resulta en una indeseable profundización de las desigualdades económicas y sociales preexistentes.
