Martins Tagebuch Patrick Maak, 2012-11-08 Der 10 jährige Martin ist ein ganz normaler Schüler neugierig verspielt und intelligent Ein glücklicher Junge der sich auf das Gymnasium freut Dort aber stellen sich erste Rückschläge ein Martin wird auf eine besonders gute Schule geschickt die nur von wenigen seiner ehemaligen Klassenkameraden besucht wird Er muss sich in eine neue Gemeinschaft integrieren was ihm sehr schwer fällt und schon bald spürt er dass bereits in der Schule die Leistungsgesellschaft voll zum Tragen kommt und Leistung nicht immer gleich Leistung bedeutet Weil sein Sozialverhalten deutlich schwächer ausgeprägt und trainiert ist als sein schulisches Wissen wird Martin schon bald zum beliebten Angriffsziel seiner Mitschüler Es beginnt mit vermeintlich harmlosen Hänseleien und Streichen aufgrund seines manchmal komischen Verhaltens sowie guter Noten und geht schnell in handgreifliche Auseinandersetzungen und gezieltes Mobbing über bis Martin letzten Endes zurückschlägt In 100 Tagebucheinträgen erzählt Martin über neun Jahre hinweg aus seinem Alltag auf dem Gymnasium und wir begleiten ihn auf seinem schrecklichen Weg vom Musterschüler zum Amokläufer

Butterfly Letter Regina Föger, 2012-07-17 Butterfly Letter A Story for children and parents derived from an inspiration It was an ordinary afternoon in the middle of a week when the telephone suddenly rang My friend Yvonne was on the other line Her voice sounded extremely sad and desperate Regina she stammered Tamara has just passed away in my arms Momentarily I was lost for words I was in a state of utter shock We had not seen each other for many months apart from a few phone calls during this time I had had no idea that Tamara had been taken ill In a very slow and quiet tone of voice Yvonne told me that Tamara who had suffered from Down Syndrome had never recovered after a bout of influenza She had been fighting a lingering cough Due to a series of infections her immune system had weakened immensely Finally this had

led to a severe case of pneumonia from which she had not survived In that moment my mind was lost for thoughts What do I say to her How can I comfort her and how can I give her any kind of hope in such a sad situation I didn't even want to try she needed someone who listened I prayed for inspiration for finding the right words to say to a mother God loves you he knows you are suffering He will look after Tamara for you You don't have to worry about her Tamara had been a very special child She had wonderful parents who had great experience with handling a handicapped child Their one and only wish was to give Tamara a happy childhood in spite of hardships and self sacrifice at times They also knew that only a disabled child is able to return such love and affection out of gratitude On that afternoon I asked my friend if she would come to be with her She wanted me at her side and so I immediately drove off to see her On arrival there was an atmosphere difficult to explain in words It was very quiet everywhere no one dared say a word There was a feeling of serenity and devotion throughout the house In that moment I could see a great spell of light I could sense Tamara's spirit in each and every member of the family I knew she was in spirit and soul with everyone there On my way home my thoughts had never been so clear before I felt I knew where Tamara was then She was on her way home I was desperate to tell my dear friend everything I had seen I had seen Tamara arriving at a beautiful place happy and free just like a butterfly At home I kept thinking about Tamara and Yvonne's broken heart Not wanting to forget anything I had experienced I quickly wrote down my thoughts and inspiration I sat myself in front of my computer and started to write a letter with the title Butterfly Letter It was to be a letter from Tamara to her mother Yvonne Tamara's words were to comfort her mother's grief and to let her know that she were well and happy She were to experience a wonderful change or transformation Like one of a caterpillar which changes into a butterfly This special butterfly were to feel free in a new beautiful world without barriers I sent this letter to Yvonne I hoped it would comfort her and touch her heart Yvonne had read this letter out to everyone present at the church funeral Years later in the course of my training as social education worker I wrote and illustrated this manuscript How can we find the right words for describing and explaining something to a child that we have never seen felt and experienced yet has no physical substance and is not tangible but you know in your heart it is true Life after life exceeds the limit of our imagination Regina F ger

Heinz Michael Vilsmeier (EN), 2024-04-29 Man Without Childhood From Victim to Offender is an interview with a pedophilic offender who spent two decades in forensic detention The text provides insights from both the victim s and offender s perspectives into the commercially organized child abuse in Europe In a parallel world to civil society the trafficking of children the production and distribution of child pornography and the prostitution of children are a terrifying everyday reality in the midst of Germany The report illustrates the functioning of organized child abuse and its interconnections with politics justice and other societal sectors The organized abuse of children occurs in all societal spheres The structures required for this are firmly in the hands of internationally operating
