## **Eisenhower American Hero:**

**Ike** Michael Korda, 2007-08-21 A big ambitious and enthralling new biography of Dwight D Eisenhower full of fascinating details and anecdotes which places particular emphasis on his brilliant generalship and leadership in World War Two and provides with the advantage of hindsight a far more acute analysis of his character and personality than any that has previously been available reaching the conclusion that he was perhaps America's greatest general and one of America's best presidents a man who won the war and thereafter kept the peace IKE starts with the story of D Day the most critical moment in America's history It was Hitler's last chance to win the war he had the means to destroy the troops on the beaches but he failed to react quickly enough The one man who would have reacted quickly and decisively had he been on the spot Field Marshal Erwin Rommel was home on leave and didn't arrive back at his headquarters until it was too late It was Ike's plan Ike's decision Ike's responsibility He alone among all the Allied generals could win or lose the war in one day and knew it But of course there is more to this book than military history It is a full biography of a remarkable man ambitious a late starter a brilliant leader of men and perhaps the only American general who could command such a difficult coalition and win the respect of not only his own soldiers but also those of Great Britain and France and lead them to a triumphant victory It is also the story of a remarkable family Ike grew up in Abilene Kansas and the Eisenhowers were Mennonites who like the Amish were deeply committed pacifists so it is ironic that he went to West Point and became a general to his mother's horror It is as well the portrait of a tumultuous and often difficult marriage for Mamie was every bit as stubborn and forceful as her husband and it was by no means the sunny happy marriage that Republican publicists presented to the public when Ike made his first moves towards the presidency Indeed behind Ike's big grin and the easy going affable personality he liked to project was a very different man fiercely ambitious hot tempered shrewd and tightly wound He was a perfectionist for whom duty always came first and a man of immense ability In 1941 he was a soldier who was still an unknown and recently promoted colonel and just two years later he was a four star general who had commanded the biggest and most successful amphibious operation in history TORCH the Anglo American invasion of North Africa He commanded respect and was dealt as an equal with such world figures as President Roosevelt Winston Churchill and Charles De Gaulle Ike : an American Hero ,2012 This biography of Dwight D Eisenhower places particular emphasis on his brilliant generalship and leadership in World War II and provides with the advantage of hindsight a far more acute analysis of his character and personality than any previously available reaching the conclusion that he was perhaps America's greatest general and one of America's best presidents

**Eisenhower, an American Hero** ,1969 The pictorial biography focuses on Eisenhower's military career Eisenhower American Heritage, Kenneth S. Davis, United Press International, 1967 **Eisenhower, American Hero** ,1969

*Eisenhower, American Hero* Kenneth Sydney Davis, United Press International, 1969 Tributes to the former President Dwight D Eisenhower by friends relatives and those associated with him in military service **Dwight D. Eisenhower** Jack

C. Harris,1990      **The Soul of an American President** Alan Sears,Craig Osten,Ryan Cole,2019-06-04 While there have been many biographies of Dwight D Eisenhower that focus on his military career or the time of his presidency none clearly explores the important role faith played both in his personal life and in his public policy This despite the fact that he is the only US president to be baptized as a Christian while in office Alan Sears and Craig Osten invite you on a journey that is unique in American history and is essential to understanding one of the most consequential admired and complex Americans of the 20th Century The story begins in abject poverty in rural Texas then travels through Kansas West Point two World Wars and down Pennsylvania Avenue This is the untold story of a man whose growing faith sustained him through the loss of a young son marital difficulties depression career disappointments and being witness to some of the worst atrocities humankind has devised A man whose faith was based in his own sincere personal conviction not out of a sense of political expediency or social obligation You ve met Dwight Eisenhower the soldier and Dwight Eisenhower the president Now meet Dwight Eisenhower the man of faith      Dwight D. Eisenhower Tom Wicker,2002 Americans didn t seem to mind much that their fatherly president spent much of his time on the golf course with his wealthy businessman cronies or that his health was suspect Veteran journalist Tom Wicker traces Eisenhower s life from his hardscrabble Kansas childhood through his West Point years and his dramatic success during the war to his reluctant entry into politics BOOK JACKET      *American Heroes* Martin Feess,2018-06-21 America is a work in progress We celebrate the heroes of the past not for their glory but for their inspiration with the firm belief that any individual in America can do anything if he or she has the talent and the determination No one is limited by class gender birth or skin color While important American leaders have included Washington Jefferson Madison and Lincoln they have also included Booker T Washington and W E B Du Bois Dorothea Dix Eleanor Roosevelt and Martin Luther King Jr We celebrate the courage of Daniel Inouye Jackie Robinson Tecumseh Muhammad Ali and Ida Wells We celebrate the humanity of Will Rogers Jane Addams Oprah Winfrey and Bill and Melinda Gates We are inspired by the achievements of Andrew Carnegie Wilma Mankiller Gloria Steinem Duke Ellington and Steven Spielberg along with the dedicated public service of Thurgood Marshall Margaret Sanger Jaime Escalante Elizabeth Cady Stanton and Cesar Chavez In American Heroes Martin Feess allows these and other American heroes to speak for themselves in their deeds and their own words      Dwight D. Eisenhower Tom Wicker,2002-11-05 An American icon and hero faces a nation and a world in transition A bona fide American hero at the close of World War II General Dwight Eisenhower rode an enormous wave of popularity into the Oval Office seven years later Though we may view the Eisenhower years through a hazy lens of 1950s nostalgia historians consider his presidency one of the least successful At home there was civil rights unrest McCarthyism and a deteriorating economy internationally the Cold War was deepening But despite his tendency toward brinksmanship Ike would later be revered for keeping the peace Still his actions and policies at the onset of his career covered by Tom Wicker would haunt Americans of future generations      A Companion to Dwight D. Eisenhower Chester J.

Pach,2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

**The Eisenhower Years: a Social History of the 1950'S** Richard T. Stanley,2012-06-15 The Fabulous Fifties were America s Happy Days The Eisenhower Years produced amazing contributions to our American culture and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis Presley and rock n roll to the Salk anti polio vaccine America s contributions to the world included motion pictures and the Broadway stage radio and television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times then the preceding decades of the 1930 s and 40 s and the increasingly turbulent 1960 s and 70 s that followed In fact America s exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of Americas artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days

**Eisenhower** Jim Newton,2012-10-02 Newly discovered and declassified documents make for a surprising and revealing portrait of the president we thought we knew America s thirty fourth president was belittled by his critics as the babysitter in chief This new look reveals how wrong they were Dwight Eisenhower was bequeathed the atomic bomb and refused to use it He ground down Joseph McCarthy and McCarthyism until both became as he said McCarthywasm He stimulated the economy to lift it from recession built an interstate highway system turned an 8 billion deficit in 1953 into a 500 million surplus in 1960 Ike was the last President until Bill Clinton to leave his country in the black The President Eisenhower of popular imagination is a benign figure armed with a putter a winning smile and little else The Eisenhower of veteran journalist Jim Newton s rendering is shrewd sentimental and tempestuous He mourned the death of his first son and doted on his grandchildren but could one aide recalled peel the varnish off a desk with his temper Mocked as shallow and inarticulate he was in fact a meticulous manager Admired as a general he was a champion of peace In Korea

and Vietnam in Quemoy and Berlin his generals urged him to wage nuclear war Time and again he considered the idea and rejected it And it was Eisenhower who appointed the liberal justices Earl Warren and William Brennan and who then called in the military to enforce desegregation in the schools Rare interviews newly discovered records and fresh insights undergird this gripping and timely narrative

**Eisenhower** Paul Johnson, 2015-08-18 Acclaimed historian Paul Johnson's lively succinct profile of Dwight D Eisenhower explores his life and enduring legacy In the rousing style he's famous for Paul Johnson offers a fascinating biography of Dwight D Eisenhower with particular focus on his years as a five star general and his two terms as president of the United States Johnson chronicles Ike's modest childhood in Kansas his West Point education and his swift rise through the military ranks culminating in his appointment as Supreme Commander of the Allied forces during World War II Johnson then paints a rich portrait of Eisenhower's presidency many elements of which speak to American politics today his ability to balance the budget his mastery in managing an oppositional Congress and his prescient warnings about the military industrial complex This brief yet satisfying portrait will appeal to biography lovers as well as enthusiasts of presidential and military history alike

Becoming Eisenhower Michael Lee Lanning, 2024-10-15 When Dwight Eisenhower graduated from West Point in 1915 few would have predicted he was destined for greatness A middling student he was denied his first choice of posting missed overseas service in World War I spent a dozen years as a major and never commanded a unit larger than a battalion Yet the young officer made the most of the opportunities he was given made a lasting impression on superiors including George Marshall and eventually gained a reputation as an excellent staff officer with a knack for administration loyalty and getting along Eisenhower was promoted to colonel in March 1941 and sixteen months later was a lieutenant general in command of the European Theater of Operations His rise through the ranks was first painfully slow then meteoric It is one of the great and most important stories in military history and Michael Lee Lanning tells it vividly with an eye for the dramatic turning points in Eisenhower's rise The West Point class of 1915 was the class the stars fell on Fifty nine graduates became generals during World War II but none of that was clear at the time especially not for the young Dwight Eisenhower who graduated 61st in a class of 164 He failed to make the baseball team but made the football team only to see an injury end his playing career and was known as a card player and prankster Denied his request for service in the Philippines Eisenhower was sent to Texas where he spent a good bit of his time coaching football Later denied his request to fight in France he spent World War I training a tank unit near Gettysburg During the 1920s into the early 1930s lean years for the army during which promotions came slowly and many officers quit the service Eisenhower started to catch the eye of superiors and earned positions under the U S Army's leading lights including Fox Conner John Pershing and Douglas MacArthur whom he served under during pivotal years in the 1930s from the Bonus March to the Philippines By the late 1930s as war broke out in Europe Eisenhower's star was on the rise After serving in a series of staff positions regimental executive officer then corps and army chief of staff Eisenhower joined the General Staff in Washington

DC where he helped develop war plans and eventually became deputy chief of staff under George Marshall. When the time came to appoint a commander to execute the plans, Eisenhower recommended another officer, but Marshall knew Eisenhower was the man for the job. *Becoming Eisenhower* is the story of a young man who first pursued the army for its free education but ultimately found his calling as an officer, the story of an officer who was initially overlooked but was motivated by this frustration to make himself the army's indispensable man, the story of how General Eisenhower carried these experiences not only into Supreme Command but also the presidency. This book will be essential reading for World War II buffs, people interested in American presidents, and readers looking for the leadership lessons of history. *Rising Star, Setting Sun* John T Shaw, 2018-05-01. After winning the presidency by a razor thin victory on November 8, 1960 over Richard Nixon, Dwight D. Eisenhower's former vice president John F. Kennedy became the thirty-fifth president of the United States. But beneath the stately veneers of both Ike and JFK, there was a complex and consequential rivalry. In *Rising Star, Setting Sun*, John T. Shaw focuses on the intense ten-week transition between JFK's electoral victory and his inauguration on January 20, 1961. In just over two months, America would transition into a new age, and nowhere was it more marked than in the generational and personal difference between these two men and their dueling visions for the country they led. The former general espoused frugality, prudence, and stewardship. The young political wunderkind embodied dramatic themes and sweeping social change. Extensively researched and eloquently written, Shaw paints a vivid picture of what Time called a turning point in the twentieth century as Americans today find themselves poised on the cusp of another watershed moment in our nation's history. **Eisenhower** Steven J. Zaloga, 2011-08-20. Dwight Eisenhower represented a fundamentally new type of modern military commander. Eisenhower was a manager commander whose grasp of the politics and large-scale tactics of battle were uniquely suited to leading the huge coalition of forces that fought in Europe during the Second World War. Educated at West Point, Eisenhower rose to his position as Supreme Commander of the Allied Expeditionary Force through a series of powerful contacts and his natural aptitude for leadership and large-scale tactical planning. This book analyses how Eisenhower's tactics and political astuteness helped him successfully lead the invasion of Europe, how he coaxed contradictory parties into supporting his policies, and how he triumphed in his now infamous clash with Montgomery. Uniquely, the author goes on to describe how Eisenhower's military influence continued when he became President, as his leadership and vision were tested by the outbreak of the Cold War. *Beetle* D.K.R. Crosswell, 2010-11-01. This biography recounts one of the most significant yet unsung military careers of the twentieth century, a major contribution to the history of World War II. Foreign Affairs. General Walter Bedell Smith began his public service career of more than forty years at age sixteen when he joined the Indiana National Guard. His bulldog tenacity earned him an opportunity to work with General George C. Marshall in 1941, playing an essential role in the formation of the Combined and Joint Chiefs of Staff. After his appointment as chief of staff to Dwight D. Eisenhower in 1942, Smith took a central part in planning the major Allied operations of World War II in Europe.

Among his many duties Smith negotiated the surrenders of the Italian and German armed forces in 1945 Smith's postwar career included service as the US ambassador to the Soviet Union director of the Central Intelligence Agency and undersecretary of state In Beetle D K R Crosswell offers the first full length biography of the general including insights into his close relationships with Marshall and Eisenhower Meticulously researched and long overdue Beetle sheds new light on Eisenhower as supreme commander as well as the WWII campaigns in North Africa Italy and Europe *Eisenhower in War and Peace* Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America's thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower's superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike's finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight *Eisenhower in War and Peace* at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for *Eisenhower in War and Peace* A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year's *Eisenhower in War and Peace* by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will

## Embracing the Beat of Phrase: An Psychological Symphony within **Eisenhower American Hero**

In a global eaten by screens and the ceaseless chatter of immediate connection, the melodic splendor and mental symphony produced by the prepared term often fade in to the backdrop, eclipsed by the relentless sound and interruptions that permeate our lives. Nevertheless, set within the pages of **Eisenhower American Hero** a wonderful fictional treasure full of raw emotions, lies an immersive symphony waiting to be embraced.
