*Eisenhower, Man and Soldier* Francis Trevelyan Miller, 1944 Dwight David Eisenhower was born 14 October 1890 in Denison Texas His parents were David Eisenhower and Ida They moved to Abilene Kansas in 1892 He married Marie Geneva Doud 1 July 1916 in Denver They had two sons Doud Dwight was born in 1921 and died when he was three years old John Sheldon Doud was born 3 August 1923 Focuses on Dwight s military career **Eisenhower Volume I** Stephen E. Ambrose, 2014-03-18 Stephen E Ambrose draws upon extensive sources an unprecedented degree of scholarship and numerous interviews with Dwight D Eisenhower himself to offer the fullest richest and most objective rendering yet of the soldier who became president At various times in his life Eisenhower was a soldier at wartime the Chief of Staff patron to the North American Treaty Organization president of Columbia University and the Supreme Commander of the United States However he was also a father son husband and friend This deeply personal biography concerns itself less with the life and times of Eisenhower and more on the man himself his achievements and triumphs failures and concerns as well as his relationships with those closest to him A charismatic leader with a high degree of intelligence integrity tremendous energy and a commitment to basic principles that drew soldiers civilians and foreigners alike to him Eisenhower was also ambitious sensitive to criticism and avid sportsman who was terribly loyal to his friends and family Ultimately Ambrose presents a masterful portrait of Eisenhower that finely delves into his personal life during his presidency the onset of the Cold war and as the leader of a rapidly evolving nation struggling with issues as diverse as civil rights atomic weapons and a new global role Ambrose shows what an extraordinary person Eisenhower was and the extent to which many who live in freedom today owe to him This superb interpretation of Eisenhower s life confirms Stephen Ambrose s position as one of the nation s finest historians **God in Eisenhower's Life, Military Career, and Presidency** Jerry Bergman, 2019-03-22 As the Supreme Allied Commander in the fight against the Nazis General Dwight Eisenhower was one of the most important leaders of the last century His position as a five star general was crucial in achieving a positive outcome in World War II Today he is considered one of the most respected US presidents but the critical role that his religious beliefs played in his life and work is widely ignored As one historian wrote Eisenhower was the most religious president in the twentieth century He was critical in influencing the nation s enlarged accommodation to faith specifically the Christian faith The central role Eisenhower s faith played in his life from growing up in Abilene Kansas to becoming the most powerful leader in the world is thoroughly documented for the first time in this book Indeed Eisenhower s belief in God made him who he was and allowed him to achieve the work that made him one of the most respected leaders of the free world This book sets the record straight about common erroneous beliefs concerning President Eisenhower and his family It is necessary to understand the forces that shaped him so we can put his life and many achievements into perspective [Eisenhower's Thorn on the Rhine](#) Nathan N. Prefer, 2015-10-19 The difficult fighting in the Colmar Pocket is brought to vivid life in this WWII chronicle of the Allied

6th Army Group WWII History By the fall of 1944 the Western Allied forces appeared to be unstoppable The summer s Normandy invasion had driven the Germans out of northern France and most of the Low Countries In September they liberated France s southern coast with little opposition Then Allied divisions began lining up along the Rhine While the Americans met a nasty surprise in the Ardennes the Germans also held on to the province of Alsace maintaining a hard pocket around the city of Colmar On New Year s Eve they launched Operation Northwind a counteroffensive that nearly put Allied forces back on their heels On January 12 1945 Eisenhower could only tell George Marshall that Colmar was a very bad thorn in our side today This is the story of the Sixth Army Group a unit that combined US and French forces and its unexpectedly bloody and protracted battle for the Colmar Pocket Amidst a horrific winter and rough terrain interspersed by demolished towns the Allied Army Group traded blows with the German 19th in a ferocious campaign This book informs us fully of the tremendous and costly struggle waged in an often neglected sector of World War II s European Theater

**Eisenhower** Stephen E. Ambrose, 1991-10-15 Condensed version of a two volume work originally published as Eisenhower c1983 c1984 **Eisenhower in War and Peace** Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America s thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike s maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower s superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike s finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith s chronicle of Eisenhower s presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith s perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America s prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower s White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower s ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers

Weekly starred review No one has written so heroic a biography on Eisenhower as this year's Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America's greatest living biographer shows why now more than ever Americans should like Ike George F Will **Eisenhower** Carlo D'Este,2003-05-15 Casting new light on Dwight David Eisenhower's profound life Eisenhower chronicles the unlikely dramatic rise of the supreme Allied commander 16 page insert 5 maps *Army Ordnance*,1944

Eisenhower Stephen E. Ambrose,1987 Stephen E Ambrose draws upon extensive sources an unprecedented degree of scholarship and numerous interviews with Dwight D Eisenhower himself to offer the fullest richest and most objective rendering yet of the soldier who became president At various times in his life Eisenhower was a soldier at wartime the Chief of Staff patron to the North American Treaty Organization president of Columbia University and the Supreme Commander of the United States However he was also a father son husband and friend This deeply personal biography concerns itself less with the life and times of Eisenhower and more on the man himself his achievements and triumphs failures and concerns as well as his relationships with those closest to him A charismatic leader with a high degree of intelligence integrity tremendous energy and a commitment to basic principles that drew soldiers civilians and foreigners alike to him Eisenhower was also ambitious sensitive to criticism and avid sportsman who was terribly loyal to his friends and family Ultimately Ambrose presents a masterful portrait of Eisenhower that finely delves into his personal life during his presidency the onset of the Cold war and as the leader of a rapidly evolving nation struggling with issues as diverse as civil rights atomic weapons and a new global role Ambrose shows what an extraordinary person Eisenhower was and the extent to which many who live in freedom today owe to him This superb interpretation of Eisenhower's life confirms Stephen Ambrose's position as one of the nation's finest historians *Eisenhower* Stephen E. Ambrose,1991-08-01 Traces Eisenhower's rise to prominence and power in the military and in his political career *Eisenhower* Carlo D'Este,2015-11-24 The acclaimed biographer presents an intimate and comprehensive portrait of the legendary president and WWII general An excellent book The Washington Post Book World Born into hardscrabble poverty in rural Kansas the son of stern pacifists Dwight David Eisenhower graduated from high school more likely to teach history than to make it Yet he went on to become one of America's most important military leaders Then on the wings of victory the career soldier ascended to the nation's highest political office Casting new light on this profound evolution Carlo D Este chronicles the unlikely dramatic rise of the supreme Allied commander With full access to private papers and letters D Este has exposed for the first time the countless myths that have surrounded Eisenhower and his family for over fifty years In this revealing biography he identifies the complex and contradictory character behind Ike's famous grin and air of calm self assurance *Eisenhower and the Art of Collaborative Leadership* Kenneth Weisbrode,2018-09-15 Eisenhower and the Art of Collaborative Leadership examines the theory and practice of

collaboration and collaborative leadership in the life and career of Dwight Eisenhower It relates his collaborative style to his ideas about friendship his Kansas upbringing and his family his military training and career and his particular practice of presidential leadership which operated through teams and a deliberate sophisticated system of bureaucratic consensus building Eisenhower and the Art of Collaborative Leadership elaborates an alternative interpretation of such leadership describing Eisenhower not merely as a hidden hand president but also as a visible one at the head of a well managed team It is a concise portrait of one of America s most important and talented leaders and a case study in sound leadership

**Eisenhower's Heart Attack** Clarence G. Lasby,1997 Previous Eisenhower biographers have touched on his heart condition but Clarence Lasby is the first to examine the impact of the president s health on the nation He offers a dramatic revisionist account of the events surrounding the president s 1955 heart attack and subsequent efforts by the president and his staff to minimize its political impact Drawing on newly opened medical records and personal papers of Eisenhower s physicians Lasby challenges virtually everything we have believed about the president s heart attack Most disturbingly he has discovered that the president s personal physician Dr Howard Snyder misdiagnosed the attack as a gastrointestinal problem and waited ten hours before sending Eisenhower to the hospital Lasby also sets the record straight on how the president and his aides managed the public s understanding of events and he offers evidence that Eisenhower Dr Snyder and press secretary James Hagerty withheld and recast information to serve the president s political priorities Equally important Lasby s book offers a touching portrait of a proud man faced with a debilitating disease It examines Ike s private struggle to lead a full life despite his condition and analyzes his decision to seek a second term even against the advice of cardiologist Paul Dudley White It also shows how a man who had always carefully joked after his health now became obsessed with it
