The Book of Affinitive Life Lee Arnold Green,2024-09-11 The Book of Affinitive Life Part 1 in Conjunction The Book of Life is mainly about life on Earth concerning the invited signals of love that create addictions and eventually transcend into affinitive life It is commonly characterized in the world as a passion hobby or bond to someone or something and it is practiced or lived by means of a habitual lifestyle or habit by virtue of signal responsiveness in response to behavior in interaction with whom or what affinitive life centers on The surprisingly interesting spiritual fact about the love signal is that it lies beyond ordinary experiences and supernaturally transcends into an acquired spirit that is grafted into your natural spirit as an integral part which is then potentially lived as affinitive life and in turn a passion hobby or bond to someone or something Affinitive life as a passion hobby or bond is actually unknown to the world as such That is because it is spirit based and all spiritual lives are physically based First Corinthians 2 14 15 says The natural man receiveth not the things of the Spirit of God for they are foolishness unto him neither can he know them because they are spiritually discerned But he that is spiritual judgeth all things yet he himself is judged of no man That means scientists could never use genetic engineering to find the true meaning of passions hobbies or bonding to someone or something as an affinitive life because it is foolishness to them Genetic engineering is the direct manipulation of an organism s genome which means its genes are used by biotechnology also called genetic modification which is genetic manipulation of the genes of an organism s genome This book is the book of affinitive life part 1 to the natural side of life and the book of life to the spirit side of life of invited signals of love For that reason the name of this book is The Book of Affinitive Life Part 1 in Conjunction The Book of Life It is called The Book of Affinitive Life as it refers to and relates to the natural side of life first and then to the same degree it relates to the spirit side of life Additionally it characterizes the Book of Life which no natural or ordinary man could write there had to be a spiritual component All affinitive lives are lived optionally as a habitual lifestyle or habit in natural life in conjunction with natural life as an integral part

LaHaye,Thomas Ice,2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future

God'S Truth About the End of Time Arnold Johnson,2011-02-28

Arnold makes no claim to be anyone special but just an avid bible student When it comes to bible prophecy he doesn't believe anyone is more qualified than another Arnold has a passion for Bible prophecy and he knows he is not alone His studies began when he first read the Book of Revelation over 35 years ago and has been studying it ever since His book Gods Truth About the End of Time is different from anything you have read before and a must read for anyone interested in this time period Most people know about the destruction that takes place but it is so much more This book shows us that this time period is Gods design and must take place in its proper order Arnold has divided this book into three parts The first part is a detailed explanation of the Book of Revelation Once you finish this part you will be able to read through the Book of Revelation and understand it The second part gives the reader the timeline for the events that take place Some of the events included in this part is the return of Jesus what Satan will do when he is cast out of heaven how the rapture takes place and of course the destruction and wars The third part of this book is a paraphrased unsealed version of the Book of Daniel Inside this part you will understand the continuous timeline prophecy from Ancient Babylon to the end of time as we know it This book also gives us some specific dates such as when Jesus is to return the nuclear war and when the end of the world takes place Arnold currently resides in Lincoln Nebraska with his wife son and two cats While working on this book he works at his job during the day but during his evenings and weekends he would study end time prophecy which is his hobby and passion He wrote this book to share with others what he has discovered in his 35 years of study **Rated-RKO , Here Lies**

Bitterness Cynthia Fleury, 2022-11-11 The greatest threat to modern democracy comes from within and it has a name resentment Stemming from feelings of inferiority in relation to others resentment is a diffuse and obsessive loathing coupled with delusions of victimhood which clouds one's judgment and perspective so that an individual's capacity to act and heal is paralyzed Without the ability to heal resentment can give rise to violent impulses to the rejection of the rule of law the proliferation of conspiracy theories and the urge to use violent means to try to regain control of one's life As individuals and as societies we face the same challenge how to diagnose resentment and its dark forces and how to resist the temptation to allow it to become the motor of our individual and collective histories This bestselling and highly original account of the psychic forces shaping modern societies will be of great interest to anyone concerned about the crisis of democracy today and what we can do to address it *End-Times Prophecy and "The Last Days"* Kendall Brashears, 2024-08-19 End Times Prophecy and The Last Days invites people to explore end times biblical prophecy and to open Revelation the last book of the Bible These sources reveal God's will for individuals and his whole world Kendall Brashears distills over three decades of dedicated study and presents it with the skill of a seasoned educator His hard work has yielded an approachable guide to ancient and sometimes difficult texts featuring verse by verse explanations of key passages Through his prophetic research and years of teaching Brashears will explore the following Are we living in the last days as described by the Bible What end time events are we seeing in the world today Will the Rapture of believers precede the Tribulation and if so how will it occur

and what will it look like Will we know who the Antichrist is before the Rapture and how will we recognize him If there is a seven year Tribulation on earth what will it be like and who will go through it The answers to these questions and many more are discussed thoroughly in this study If you have wondered what God has planned for his world if you ask yourself whether distressing events signal the coming end of human history or if you want to grow in your knowledge of the details contained in the Bible s prophetic and apocalyptic passages then End Times Prophecy and The Last Days will serve you well as a tool for deepening your understanding You will emerge from your experience with a breadth of knowledge that provides guidance both for recognizing the changes that are occurring in the world today and for clinging to the assurance of God s plan for care and comfort in uncertain times
