Edith Wharton and Genre Laura Rattray, 2020-08-11 Based on extensive new archival research Edith Wharton and Genre Beyond Fiction offers the first study of Wharton's full engagement with original writing in genres outside those with which she has been most closely identified So much more than an acclaimed novelist and short story writer Wharton is reconsidered in this book as a controversial playwright a gifted poet a trailblazing travel writer an innovative and subversive critic a hugely influential design writer and an author who overturned the conventions of autobiographical form Her versatility across genres did not represent brief sidesteps temporary diversions from what has long been read as her primary role as novelist Each was pursued fully and whole heartedly speaking to Wharton's very sense of herself as an artist and her connected vision of artistry and art The stories of these other Edith Whartons born through her extraordinary dexterity across a wide range of genres and their impact on our understanding of her career are the focus of this new study revealing a bolder more diverse subversive and radical writer than has long been supposed A Gift from the Grave. Italy Germany and Spain During her travels the young Edith became fluent in French German and Italian At the age of ten she suffered from typhoid fever while the family was at a spa in the Black Forest After the family returned to the United States in 1872 they spent their winters in New York and their summers in Newport Rhode Island While in Europe she was educated by tutors and governesses She rejected the standards of fashion and etiquette that were expected of young girls at the time intended to enable women to marry well and to be displayed at balls and parties She thought these requirements were superficial and oppressive Edith wanted more education than she received so she read from her father s library and from the libraries of her father's friends Her mother forbade her to read novels until she was married and Edith complied with this command Edith began writing poetry and fiction as a young girl She attempted to write a novel at age eleven Her first publication was a translation of the German poem Was die Steine Erzahlen What the Stones Tell by Heinrich Karl Brugsch which earned her 50 She was 15 at the time Her family did not wish her name to appear in print because the names of upper class women of the time only appeared in print to announce birth marriage and death Consequently the poem was published under the name of a friend's father E A Washburn He was a cousin of Ralph Waldo Emerson and supported women s education He played a pivotal role in Edith s efforts to educate herself and he encouraged her ambition to write professionally In 1877 at the age of 15 she secretly wrote a 30 000 word novella Fast and Loose In 1878 her father arranged for a collection of two dozen original poems and five translations Verses to be privately published In 1880 she had five poems published anonymously in the Atlantic Monthly then a revered literary magazine Despite these early successes she was not encouraged by her family nor her social circle and though she continued to write she did not publish anything again until her poem The Last Giustiniani was published in Scribner's Magazine in October 1889 Edith was engaged to Henry Stevens in 1882 after a two year courtship The month the two were to marry the engagement abruptly ended In 1885 at age 23 she married Edward Teddy Robbins Wharton who was 12 years her senior **Edith Wharton, Willa Cather, and the Place of Culture** Julie Olin-Ammentorp, 2019-10-01 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century including Wharton's The House of Mirth Ethan Frome and The Age of Innocence and Cather's O Pioneers My ntonia and Death Comes for the Archbishop Yet despite their perennial popularity and their status as major American novelists Wharton 1862 1937 and Cather 1873 1947 have rarely been studied together Indeed critics and scholars seem to have conspired to keep them at a distance Wharton is seen as our literary aristocrat an author who chronicles the lives of the East Coast Europe bound elite while Cather is considered a prairie populist who describes the lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and aesthetics to reveal Wharton's and Cather's parallel experiences of dislocation their relationship to each other as writers and
