Editorial Wild Oats Edward Ward Carmack And Tennessee Politics:

Editorial Wild Oats William R. Majors, 1984 The Carmack-Cooper Shooting James Summerville, 2014 Late on the afternoon of November 9 1908 five shots rang out from the corner of Seventh and Union in downtown Nashville As the echoes faded former U S Senator Edward W Carmack lay dead and Robin J Cooper son of prominent businessman Colonel Duncan B Cooper reeled from the impact of a bullet intended for his father *American Journalism* W. David Sloan, Lisa Mullikin Parcell, 2014-01-10 News consumers made cynical by sensationalist banners AMERICA STRIKES BACK THE TERROR OF ANTHRAX and lurid leads might be surprised to learn that in 1690 the newspaper Publick Occurrences gossiped about the sexual indiscretions of French royalty or seasoned the story of missing children by adding that barbarous Indians were lurking about before the disappearance Surprising too might be the media's steady adherence to if continual tugging at its philosophical and ethical moorings These 39 essays written and edited by the nation's leading professors of journalism cover the theory and practice of print radio and TV news reporting Politics and partisanship press and the government gender and the press corps presidential coverage war reportage technology and news gathering sensationalism each subject is treated individually Appropriate for interested lay persons students professors and reporters Instructors considering this book for use in a course may request an examination copy here Senators of the United States Diane B. Boyle, 1995 S Doc 103 34 Compiled by Jo Anne McCormick Quatannens Diane B Boyle editorial assistant prepared under the direction of Kelly D Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their autobiographies and other published works Senators of the United States , 1995 Change and Continuity William R. Majors, 1986 **Voice of the New West** Stephen W. Brown, 1985 **A Bibliography of Tennessee History, 1973-1996** W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries A Bibliography of Tennessee History will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee's rich and colorful past A sequel to Sam B Smith's invaluable 1973 work Tennessee History A Bibliography this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state's history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women's history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to

Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South **Literature of Tennessee** Ray Willbanks,1984

Liquor in the Land of the Lost Cause Joe Coker,2007-12-14 In the late 1800s Southern evangelicals believed contemporary troubles everything from poverty to political corruption to violence between African Americans and whites sprang from the bottles of demon rum regularly consumed in the South Though temperance quickly gained support in the antebellum North Southerners cast a skeptical eye on the movement because of its ties with antislavery efforts Postwar evangelicals quickly realized they had to make temperance appealing to the South by transforming the Yankee moral reform movement into something compatible with southern values and culture In *Liquor in the Land of the Lost Cause* Southern White Evangelicals and the Prohibition Movement Joe L Coker examines the tactics and results of temperance reformers between 1880 and 1915 Though their denominations traditionally forbade the preaching of politics from the pulpit an outgrowth of evangelical fervor led ministers and their congregations to sound the call for prohibition Determined to save the South from the evils of alcohol they played on southern cultural attitudes about politics race women and honor to communicate their message The evangelicals were successful in their approach negotiating such political obstacles as public disapproval the church's role in politics and vehement opposition to prohibition voiced by Jefferson Davis The evangelical community successfully convinced the public that cheap liquor in the hands of African American beasts and drunkard husbands posed a serious threat to white women Eventually the code of honor that depended upon alcohol centered hospitality and camaraderie was redefined to favor those who lived as Christians and supported the prohibition movement *Liquor in the Land of the Lost Cause* is the first comprehensive survey of temperance in the South By tailoring the prohibition message to the unique context of the American South southern evangelicals transformed the region into a hotbed of temperance activity leading the national prohibition movement *Capturing Aguinaldo* Dwight Sullivan,2022-11-01 The American century began with the Spanish American War In that conflict's aftermath the United States claimed the Philippines in its bid for world power Before the ink on the treaty with Spain had dried the war in the Philippines turned into a violent rebellion After two years of fighting U S forces launched an audacious mission to capture Philippine president and rebel commander in chief Emilio Aguinaldo Using an elaborate ruse U S Army legend Frederick Fighting Fred Funston orchestrated Aguinaldo's seizure in 1901 *Capturing Aguinaldo* is the story of Funston his gambit to catch Emilio Aguinaldo and the United States conflicted rise to power in the early twentieth century The United States war with Spain in 1898 had been quick and for the Americans in the Philippines virtually bloodless But by early 1899 Filipino nationalists who had been fighting the Spaniards for three years and expected Spain's defeat to produce their independence were fighting a new

imperial power the United States The Filipinos eventually abandoned conventional warfare switching to guerilla tactics in an ongoing conflict rife with atrocities on both sides By March 1901 the United States was looking for a bold strike against the nationalists Brigadier General Frederick Funston who had already earned a Medal of Honor and four other officers posing as prisoners were escorted by loyal Filipino soldiers impersonating rebels After a ninety mile forced march the fake insurgents were welcomed into the enemy s headquarters where after a brief firefight they captured President Aguinaldo At long last the rebellion neared collapse More than a swashbuckling tale Capturing Aguinaldo is a character study of Frederick Funston and Emilio Aguinaldo and a look at the United States rise to global power as it unfolded at ground level It tells the thrilling but nearly forgotten story of this daring operation and its polarizing aftermath highlighting themes of U S history that have reverberated for more than a century through World War II to Vietnam Iraq and Afghanistan *"The Greatest Game Ever Played in Dixie"* John A. Simpson,2015-03-10 In 1908 baseball was the only game that mattered in the South With no major league team in the region rivalries between Southern Association cities such as Atlanta Birmingham Memphis and New Orleans were heated This season however no city was as baseball crazed as Nashville whose Vols had been league doormat in 1907 After an unpromising start the Nashville club clawed its way into contention during the month of July rising into the upper division then into a battle for first Local interest intensified as the competitive fire of Nashville fans was stoked by sharp tongued columnist Grantland Rice and the city s three daily newspapers By the time the Vols met the New Orleans Pelicans for a season ending series and the championship the city was gripped by a pennant fever that shut down the commercial district Nearly 13 000 people thronged the Nashville ballpark Sulphur Dell for the third and deciding contest What they saw was described by Rice as the greatest game ever played in Dixie *Edith D. Pope and Her Nashville Friends* John A. Simpson,2003 He refutes the notion that members were backward looking dilettantes and instead draws a complex portrait of women who were actively involved in a broad spectrum of civic patriotic religious educational and even reform activities As Simpson reveals this alliance of women actively shaped southern culture in the early decades of the century and his analysis sheds new light on the role of professional and club women in southern history BOOK JACKET *Tennesseans & Their History* Paul H. Bergeron,2024-08-09 The history of Tennessee is full of dramatic episodes and colorful characters that give the Volunteer State a major place in the American saga From the bloody battle of Shiloh in 1862 to the Dayton monkey trial of 1925 to the assassination of Martin Luther King in Memphis in 1968 Tennessee has been the locale for many of America s most important events This new book presents a synthesis of Tennessee history from earliest times to the present Striking a balance of social economic and political perspectives it moves from frontier times to early statehood antebellum society through the Civil War to Reconstruction then establishes Tennessee s place in the New South and in modern times Full coverage is devoted to the Civil Rights era and to events in the later years of this century including environmental issues The text deals honestly with slavery and segregation and also corrects shortcomings of previous works

by placing the state's history in the context of national issues and events within the South. The authors introduce readers to famous personages like Andrew Jackson and Austin Peay often using quotations to give them voice. They also tell stories of ordinary people and their lives to show how they are an integral part of history. Sidebars throughout the text highlight stories of particular interest and reading lists at the end of chapters further enhance the text's utility. *Tennesseans and Their History* was written for students needing a basic introduction to state history and to general readers looking for a lively introduction to Tennessee's past. Written to be entertaining as well as instructive, it makes the state's history relevant to a new generation of Tennesseans. The authors Paul H. Bergerson is professor of history at the University of Tennessee and the editor of *The Papers of Andrew Johnson*. Stephen V. Ash is associate professor of history at the University of Tennessee and author of *Middle Tennessee Transformed 1860-1870: War and Peace in the Upper South*. Jeanette Keith is associate professor of history at Bloomsburg University and the author of *Country People in the New South: Tennessee's Upper Cumberland*.

Deadly Censorship James Lowell Underwood, 2013-12-15. The definitive story of a South Carolina newspaper editor's murder at the hands of a 1902 gubernatorial candidate and the dramatic trial that ensued. On January 15, 1903, South Carolina lieutenant governor James H. Tillman shot and killed Narciso G. Gonzales, editor of South Carolina's most powerful newspaper, the *State*. Blaming Gonzales's stinging editorials for his loss of the 1902 gubernatorial race, Tillman shot Gonzales to avenge the defeat and redeem his honor and his reputation as a man who took bold masculine action in the face of an insult. James Lowell Underwood investigates the epic murder trial of Tillman to test whether biting editorials were a legitimate exercise of freedom of the press or an abuse that justified killing when camouflaged as self-defense. This clash between the revered values of respect for human life and freedom of expression on the one hand and deeply engrained ideas about honor on the other took place amid legal maneuvering and political posturing worthy of a major motion picture. One of the most innovative elements of *Deadly Censorship* is Underwood's examination of homicide as a deterrent to public censure. He asks the question: Can a man get away with murdering a political opponent? *Deadly Censorship* is courtroom drama and a true story. Underwood offers a painstaking re-creation of an act of violence in front of the State House, the subsequent trial, and Tillman's acquittal, which sent shock waves across the United States. A specialist on constitutional law, Underwood has written the definitive examination of the court proceedings, the state's complicated homicide laws, and the violent cult of personal honor that had undergirded South Carolina society since the colonial era. Since the 1920s, the United States has had dozens of sensational trials, all of which have been labeled the trial of the century. There is no question: Had the trial of Lieutenant Governor James Tillman for the murder of N. G. Gonzales, the editor of the *State* newspaper, occurred in our time, that it would have had the same appellation. Riveting as gripping as any contemporary courtroom drama. Walter Edgar, author of *South Carolina: A History*. An insightful and in-depth look at the assassination of Columbia newspaper editor N. G. Gonzales by South Carolina Lt. Gov. James H. Tillman in 1903. Jim Underwood's carefully researched work not only reports on the killing and

ensuing trial it explains the forces that created a society where it was acceptable to kill a man to silence his pen Jay Bender Reid H Montgomery Freedom of Information Chair University of South Carolina Finally Jim Underwood has unraveled the killing the murder trial and the aftermath and through his narrative tells a story of unfettered freedom of the press versus hot bloodied Southern manhood honor Without question Deadly Censorship is a remarkable eloquent and important book W Lewis Burke Director of Clinical Legal Studies School of Law University of South Carolina

American Political Leaders, Third Edition Richard Wilson, 2021-10-01 Praise for previous editions accessible this book is an excellent addition to collections serving general readers high schools and undergraduates American Reference Books Annual This readable volume is recommended for high school public and undergraduate libraries Booklist an outstanding reference tool Biographical dictionaries abound in political science as in other fields but Wilson s work is more accessible benefitting from his straightforward approach and simpler organization Highly recommended Choice Recommended Library Media Connection an authoritative and readable guide serves as a helpful resource for high school college and public libraries Christian Library Journal American Political Leaders Third Edition contains 286 biographical profiles of men and women in the United States who have demonstrated their political leadership primarily by being elected nominated or appointed to significant political offices in the United States or by having attained some special prominence associated with political leadership This reference work provides students and general readers with a concise readable guide to present and past leaders in U S politics Included in this book are presidents vice presidents major party candidates for president significant third party candidates important Supreme Court justices Speakers of the U S House of Representatives senators representatives cabinet officers significant agency heads and diplomats Since much of U S political leadership involves the representation of successive waves of new groups within the U S political system special care has been taken to include the contributions of women Native Americans African Americans Hispanic Americans Asian Americans and Americans who represented earlier waves of immigrants to the United States Profiles include John Adams president vice president diplomat Revolutionary leader author Amy Coney Barrett justice of the Supreme Court Pete Buttigieg secretary of transportation candidate for president Andrew Cuomo governor of New York Jefferson Davis secretary of war senator representative president of the Confederate States of America Kamala Harris senator vice president John Lewis civil rights activist representative Gavin Newsom governor of California Barack Obama senator president Sonia Sotomayor associate justice of the Supreme Court Elizabeth Warren senator candidate for president
