Variety and Daily Variety Television Reviews, 1993-1994 Prouty, 1996-10 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors* Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play's debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult accessible journals newspapers and other sources This collection brings together these essays for the first time

A Guide to Educational Research Peter Gordon, 2014-01-14 This account of development in educational research is intended as a guide to possible research areas both fundamental and policy related for students in colleges and higher education institutions and should also be of interest to those engaged in curriculum planning and administration

Exploring Capitalist Fiction Edward W. Younkens, 2013-10-24 Fiction including novels plays and films can be a powerful force in educating students and employees in ways that lectures textbooks articles case studies and other traditional teaching approaches cannot Works of fiction can address a range of issues and topics provide detailed real life descriptions of the organizational contexts in which workers find themselves and tell interesting engaging and memorable stories that are richer and more likely to stay with the reader or viewer longer than lectures and other teaching approaches For these reasons Exploring Capitalist Fiction Business through Literature and Film analyzes 25 films novels and plays that engage the theories concepts and issues most relevant to the business world Through critical examinations of works such as Atlas Shrugged and Wall Street Younkens shows how fiction is a powerful teaching tool to sensitize business students without business experience and to educate and train managers in real businesses

Educational Reconstruction Gary McCulloch, 2013-09-05 This book presents a clear overview of the debates that surrounded the making of the 1944 Act which affected every aspect of education in this country It gives a detailed account of the tripartite divisions into three types of child that were sanctioned in the reforms of the 1940s At the same time it also emphasises the idea of education as a civic project which underlay the reforms and which was such an important part of their lasting authority The education policies of the past decade and the current attempts to shape a new education settlement need to be interpreted in a long term historical framework and in particular in relation to the aims and problems of the last great cycle of reform in the 1940s This book makes an important contribution to the development of such a framework and the social history of education policy in this country

EBOOK: Retention and Student Success in Higher Education Mantz Yorke, Bernard Longden, 2004-03-16 What is the policy background to current interest in retention and student success What causes students to leave institutions without completing their programmes How can theory and research help institutions to encourage student success Retention and completion rates are important measures of the performance of institutions and higher education systems Understanding the causes of student non completion is vital for an institution seeking to increase the chances of student success The early chapters of this book discuss retention and student success from a public policy perspective The later chapters concentrate on theory and research evidence and on how these can inform institutional practices designed to enhance retention and success particularly where students are enrolled from disadvantaged backgrounds This book draws upon international experience particularly from the United Kingdom Australia South Africa and the United States Retention and Student Success in Higher Education is essential reading for lecturers support staff and senior managers in higher education institutions and for those with a wider policy interest in these matters

Internationalization of Higher Education Yin Cheong Cheng, Alan Chi Keung Cheung, Shun Wing Ng, 2015-11-03 This book reviews and analyses the issues and policies of internationalization and exportation of higher education and investigates the strategies and models of education hub development in the context of globalization with Hong Kong in the Asia Pacific region

as a case study It examines the close relationship between education hubs and higher education as well as the strategic functions of an education hub in the future development of a society in a competitive global environment It also analyses the major strengths weaknesses opportunities and threats of Hong Kong s higher education in relation to its potential for exporting higher education to Asian markets In particular it reviews the current state of higher education services offered by Hong Kong in three target markets and their segmentation and proposes the most appropriate market entry strategies for education service providers

Designing Courses for Higher Education Susan Toohey,1999-05-16 What issues need to be considered in designing a course or unit of study in higher education Who should be involved in designing a course and how can they best work together What should students get out of a course Susan Toohey focuses not on teaching techniques but on the strategic decisions which must be made before a course begins She provides realistic advice for university and college teachers on how to design more effective courses without underestimating the complexity of the task facing course developers In particular she examines fully the challenges involved in leading course design teams getting agreement among teaching staff and managing organizational politics She also explores the key role played by academics own values and beliefs often unexamined in shaping course design and student experience In doing so she offers course designers both an understanding and a framework within which to clarify their own teaching purposes *Designing Courses for Higher Education* is an accessible jargon free text providing practical assistance and enlivened by many examples of innovative practice and interviews with academics involved in course design It is a key resource for college and university teachers

EBOOK:
Quality And Power In Higher Education Louise Morley,2003-04-16 This book examines the power relationships that organize and facilitate quality assurance in higher education It investigates power in terms of macro systems of accountability surveillance and regulation and uncovers the ways in which quality is experienced by academics and managers in higher education Louise Morley reveals some of the hidden transcripts behind quality assurance and poses significant questions What signs of quality in higher education are being performed and valued What losses gains fears and anxieties are activated by the procedures Is the culture of excellence resulting in mediocrity *Quality and Power in Higher Education* covers a wide range of issues including the policy contexts new managerialism the costs of quality assurance collegiality peer review gender and equity implications occupational stress commodification and consumer values in higher education performance league tables benchmarking increasing workloads and the long term effects on the academy It draws upon Morley s empirical work in the UK on international studies and on literature from sociology higher education studies organization studies and feminist theory It is important reading for students and scholars of higher education policy and practice and for university managers and policy makers
