Education And The Social Order 1940 199:

Education and the Social Order, 1940-1990 Brian Simon, 1999 The fourth and final in the Studies in History of Education in England this volume examines the changes and developments in the British education system from the Second World War to the eve of the millennium Education has always been a battlefield and never more so than in Britain in the second half of the twentieth century Simon argues that educational policy usually reflects the outcome of a struggle between progressives who see reform as a first step towards social change and conservatives who prefer a stratified system which reflects existing social divisions It documents the changes that took place as the result of these battles it begins with the 1944 Education Act and the massive extension of educational opportunity that took place in the postwar period it then deals with the subsequent prolonged debates about comprehensive education and other measures of liberalisation during the 1960s and 1970s and it ends with the years of Conservative government the 1980s and 1990s when systematic attempts were made to reverse the advances that had been made during the earlier period Winner of the History of Education Society Prize 1991 92 Winner of the Standing Conference for Studies in Education Prize 1991 92 Transactions of the Royal Historical Society Andrew Pettegree, 2015-11-12 A collection of major articles representing some of the best historical research by some of the world's most distinguished historians **Education for Democracy in England in World War II** Hsiao-Yuh Ku, 2020-04-07

Education for Democracy in England in World War II examines the educational discourse and involvement in wartime educational reforms of five important figures Fred Clarke R H Tawney Shena Simon H C Dent and Ernest Simon These figures campaigned for educational reforms through their books publishing articles in newspapers delivering speeches at schools and conferences and by organizing pressure groups Going beyond the literature in this key period the book focuses on exploring the relationship between democratic ideals and reform proposals in each figure's arguments Displaying a variety of democratic forums for debates about education beyond parliament the book reinterprets wartime educational reforms from a different perspective and illustrates the agreements and contradictions in the educational discourse itself

The Journal of Negro Education Charles Henry Thompson, 1969 The purpose of the Journal is threefold first to stimulate the collection and facilitate the dissemination of facts about the education of Black people second to present discussions involving critical appraisals of the proposals and practices relating to the education of Black people third to stimulate and sponsor investigations of issues incident to the education of Black people *The Oxford Handbook of the History of Education* John L.
