Education For Peace And Justice:

Educating for Peace and Justice Mary Beth Gallagher,1976 **Education for Peace and Justice: Global dimensions**
James B. McGinnis,Kathleen McGinnis,1981 *Teaching Peace as a Matter of Justice* Dale T. Snauwaert,2023-07-07 This book explores the normative dimensions of peace studies and peace education through the lens of moral and political philosophy The purpose is to explore the idea of peace as a matter of justice and to articulate a pedagogical framework for the development and exercise of citizens capacities for moral reasoning and judgment regarding potential responses to the basic questions of justice including resisting injustice The just conditions necessary for peace are contingent upon the informed participation of democratic citizens who are capable of becoming dynamic agents of justice The development of citizens capacity for moral reasoning and judgment is of paramount importance for it constitutes a necessary condition for the realization of justice and peace on all levels of human society from local to global The book will be of interest to both students and all those interested in thinking about peace as a matter of justice [Education for Peace and Justice: Teacher background reading](#) James B. McGinnis,Kathleen McGinnis,1981 **Exploring Betty A. Reardon's Perspective on Peace Education** Dale T. Snauwaert,2019-05-15 This book presents commentaries by a leading international group of peace education scholars and practitioners concerning Reardon s peace education theory and intellectual legacy The guiding question throughout the book is How can her foundational work be used to advance the theory and practice of peace education In an attempt to find answers the contributing authors explore three general areas of inquiry 1 Theoretical Foundations of Peace and Human Rights Education 2 Feminism and the Gender Perspective as Pathways of Transformation Toward Peace and Justice and 3 Peace Education Pedagogy and Practices A contemplative commentary by Reardon herself rounds out the coverage **Education for peace and justice** ,1985 **Educating for Peace and Human Rights** Maria Hantzopoulos,Monisha Bajaj,2021-04-08 Over the past five decades both peace education and human rights education have emerged distinctly and separately as global fields of scholarship and practice Promoted through multiple efforts the United Nations civil society grassroots educators both of these fields consider content processes and educational structures that seek to dismantle various forms of violence as well as move towards cultures of peace justice and human rights Educating for Peace and Human Rights Education introduces students and educators to the challenges and possibilities of implementing peace and human rights education in diverse global sites The book untangles the core concepts that define both fields unpacking their histories and conceptual foundations and presents models and key research findings to help consider their intersections convergences and divergences Including an annotated bibliography the book sets forth a comprehensive research agenda allowing emerging and seasoned scholars the opportunity to situate their research in conversation with the global fields of peace and human rights education **Education for Peace and Justice** James B. McGinnis,Kathleen McGinnis,1981 **Transitional Justice and Education** Clara Ramírez-Barat,Martina Schulze,2018-07-16 This volume

addresses the role and importance of education for processes of transitional justice In the aftermath of conflict and mass violence education has been one of the tools with which societies have sought to achieve positive transformation While education has the potential to trigger maintain and exacerbate conflict it has also been designed to promote a deeper more nuanced understanding of the past and to advance reconciliation peacebuilding and prevention The original contributions in the book reflect on lessons learned from education policies of the past in post conflict societies and seek innovative sustainable and context sensitive grassroots approaches designed to advocate critical thinking values of inclusion and tolerance and ultimately a culture of peace

Peace and Social Justice Education on Campus Kelly Concannon, Laura L. Finley, 2015 This book provides important reflections by and for peace and social justice educators working on college campuses Importantly it also integrates the voices of students More than a feel good compilation of success stories however it illustrates the complexities inherent in teaching and learning about and for peace and social justice Chapters in the book provide critical assessments of institutions pedagogies and practices making visible the messy but very real spaces in which education and learning occur Written by faculty and students from many disciplinary areas the contributions discuss in class and outside of class actions providing a deeper understanding of best practices and challenges faced by both groups Albeit in different ways that are reflective of the many different pedagogical approaches to peace and justice education each chapter integrates ideas concepts and reflections from both faculty and students The conclusion and appendix offer recommendations for future and additional resources for college and university faculty and students interested in learning more about peace and social justice

Reclamative Post-Conflict Justice Janet C. Gerson, Dale T. Snauwaert, 2021-06-15 This book presents an important contribution to our understanding of post conflict justice as an essential element of global ethics and justice through an exploration of the World Tribunal on Iraq WTI The 2003 War in Iraq provoked worldwide protests and unleashed debates on the war s illegitimacy and illegality In response the WTI was organized by anti war and peace activists international law experts and ordinary people who claimed global citizens rights to investigate and document the war responsibilities of official authorities governments and the United Nations as well as their violation of global public will The WTI s democratizing experimental form constituted reclaimative post conflict justice a new conceptualization within the field of post conflict and justice studies This book serves as a theoretical and practical guide for all who seek to reclaim deliberative democracy as a viable foundation for revitalizing the ethical norms of a peaceful and just world order **Encyclopedia of Violence, Peace, and Conflict** ,2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our

conflicts more peacefully. Instead we have increased the lethality of our combat through revolutions in weapons technology and military training. The Encyclopedia of Violence, Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena. Ten years on, the need for an authoritative and cross-disciplinary approach to the great issues of violence and peace seems greater than ever. More than 200 authoritative multidisciplinary articles in a 3-volume set. Many brand new articles alongside revised and updated content from the First Edition. Article outline and glossary of key terms at the beginning of each article. Entries arranged alphabetically for easy access. Articles written by more than 200 eminent contributors from around the world.

Handbook of Research on Promoting Peace Through Practice, Academia, and the Arts Lutfy, Mohamed Walid, Toffolo, Cris, 2018-09-07. Academic disciplines perceive tranquility and a sense of contentment differently among themselves and therefore contribute to peace building initiatives differently. Peace is not merely a function of education or a tool that produces amicable systems but rather a concept that educational contributions can help societies progress to a more peaceful existence. The Handbook of Research on Promoting Peace Through Practice, Academia and the Arts aims to provide readers with a concise overview of proactive positive peace models and practices to counter the overemphasis on merely ending wars as a solution. While approaching peace building through multiple vantage points and academic fields such as the humanities, arts, social sciences, and theology, this valuable resource promotes peace building as a cooperative effort. This publication is a vital reference work for humanitarian workers, leaders, educators, policymakers, academicians, undergraduate and graduate level students, and researchers.

Marching with the Marginalised Anthoniraj Thumma, 2012-01-01. About the Book: Pope Benedict XVI recently stated, "The Church must of course ask if she does enough for social justice. It is a question of conscience which we must always pose ourselves: What must the Church do? What can she not do? What must she not do?" This book attempts to explore the relevant answers to those pertinent questions, applying the Values of the Kingdom of God and Principles of the Social Doctrine of the Church to our context and exploring from the perspective of the Marginalised. This volume belongs to the Series on the People's Theology brought out by the author, articulating the theological reflections emerging from the life struggles and experiential wisdom of the Marginalised. The author presents the insights in the book as suggestions and proposals for making our mission more relevant and effective by responding to the signs of the times and places through focusing on human rights and justice. This book invites us to proactively join the struggles of the Oppressed for liberation and interactively march with the Marginalised for realizing the Just Peace of the Divine Reign.
