Klapper, 2007-10-01 *Jewish Girls Coming of Age in America 1860 1920* draws on a wealth of archival material much of which has never been published or even read to illuminate the ways in which Jewish girls adolescent experiences reflected larger issues relating to gender ethnicity religion and education Klapper explores the dual roles girls played as agents of acculturation and guardians of tradition Their search for an identity as American girls that would not require the abandonment of Jewish tradition and culture mirrored the struggle of their families and communities for integration into American society While focusing on their lives as girls not the adults they would later become Klapper draws on the papers of such figures as Henrietta Szold founder of Hadassah Edna Ferber Pulitzer Prize winning author of *Showboat* and Marie Syrkin literary critic and Zionist Klapper also analyzes the diaries memoirs and letters of hundreds of other girls whose later lives and experiences have been lost to history Told in an engaging style and filled with colorful quotes the book brings to life a neglected group of fascinating historical figures during a pivotal moment in the development of gender roles adolescence and the modern American Jewish community **Fifty Modern Thinkers on Education** Joy Palmer, David Edward Cooper, Liora Bresler, 2001 Looks at fifty of the twentieth century s most significant contributors to the debate on education Each essay gives key biographical

information an outline of the individual s principal achievements and activities an assessment of his or her impact and influence and a list of their major writings and suggested further reading      *The Catholic Historical Review* ,1920

*Herbert E. Bolton and the Historiography of the Americas* Russell Magnaghi,1998-08-20 The comparative approach to the understanding of history is increasingly popular today This study details the evolution of comparative history by examining the career of a pioneer in this area Herbert E Bolton who popularized the notion that hemispheric history should be considered from pole to pole Bolton traced the study of the history of the Americas back to 16th century European accounts of efforts to bring civilization to the New World and he argued that only within this larger context could the histories of individual nations be understood After American entry into the Spanish American War in 1898 historians such as Bolton promoted the idea of comparative history and it remains to this day a significant historiographical approach Consideration of the history of the Americas as a whole dates back to 16th century European treatises on the New World Chapter one of this study provides an overview of pre Bolton formulations of such history In chapter two one sees the forces that shaped Bolton s thinking and brought about the development of the concept Chapters three and four focus upon the evolution of the approach through Bolton s history course at the University of California at Berkeley and the reception of the concept among Bolton s contemporaries Unfortunately Bolton never fully developed the theoretical side of his argument thus chapter five chronicles the decline of his ideas after his death The final chapter reveals the survival of the concept which is now embraced by a new generation of historians who are largely unfamiliar with Bolton s instrumental role in the promotion of comparative history

*Resources in Education* ,1999      **Thinking about Schools** Eleanor Blair Hilty,2018-04-19 This book considers how American public education came to be the way it is today It helps students to have a better sense of how the past informs the present and how questions regarding who is served best by the schools tell us about the goals and aspirations of present day schools in America
