Hardison,2011-09-30 this is a story about love The world needs love more than ever now and I need the forgiving grace of God truly And the love of Ghee Ghee Lucy to move me away from this lonely hideous hell to nearer and nearer heaven Because greed hate arrogance and sin are legislated And shot into our body souls and our veins like some small pox or swine flue vaccine and only God s love grace can turn the hands of time Because my heart was left so cold alone and abandoned And for my poor heart Gloria no one can ever take your place Shall I not ever kiss you or touch your waiting hands or hear you call my name so tenderly sweet Was the last time I saw you the last time If this be so then

what a cold cruel world and life I have stumbled into Can the world see this loneliness reflected in my eyes or on my face as I choke back the tears daily Do they know my love lost I think I hide it fairly well But how much longer must I wait Is it that I m so very eager to hold you once more Come to me and let me put my arms around you Closer that I might fill my lungs with you And if I can t have you in this night marish waking state then to hell with it Then come to me at night every night in my dreams That I may profess my love for you that I may have my never ending fill of you That you may call my name and say Daa come and take me right now I m gonna keep waiting and hoping and praying Oh dear God what is this that drives and whirls me so Between her voluptuous bosoms of pleasure caressing mounds of luscious lure with nipples erect sweeter than grapes for sure To taste this fruit is heaven So pleasing to mine eyes taste touch aroma and I now breathe heavily Her hair compliments the reflection of the face of the Most High So beautiful wet and warm is this soul treasure A gift from God that I love and long to partake and be in heaven even if for a moment only And if I could recreate you I would change nothing Add nor take away The same curves of your body that surrounds this succulent fruit And God has made no other touch as pleasing Verily I tell you that Gloria 22 David T Hardison Lucy Garzia is the Madonna the ultimate of God s feminine creation How divine So asterios so for real And yet for me so inaccessible I mean she s so fine she s granulated My heart shall never rest till I hold you at least once more No matter how far away you are I shall never forget the night you wanted to hurry home to be loved to sleep Such colossal kisses enormous wishes and immense longings for your love To be intertwined in your arms divine as you and I eagerly disrobe Now the petting and heavy sweating oh we re climbing up the walls Oh curses its only pictures in my mind And back to reality I find my arms empty with nothing but aching longings for your love And nothing and no one could ever take your place Gloria I adore and need your love s warm embrace more than hope money wisdom dreams or a drink I need your love For when I look into your deep dark eyes the sun begins to shine and all about us is a sweet sweet melody A song so sweet the blue birds of happiness stop and listen to the sweet song about us Her eyes are a pool of calm and I am bathed in her loving glow The treasures are abundant when she embraces me and I ve found the pot of gold And the rainbow s spectrum bridges our two hearts And your tender full lips and her kisses and the touch of velvety silk are one Unlike any love I ve ever known before or since then It s like thunder Lightning The way Lucy excites me There s no going back The world did take on a new glow But now all is left are clouds dark and dank storm clouds and no one can ever take your place But when *The Homestead* ,1928 **Hometown Wedding** Elizabeth Lane,2011-07-15 YOU CAN T GO HOME AGAIN Which was fine with Eden formerly Edna Rae Harper since after a humiliating incident involving high school heartthrob Travis Conroy home was the last place she wanted to be But her mother needed her so here she was And there was Travis Conroy still as appealing as ever and still out of her league Travis wasn t ever expecting to see mousy Edna Rae Harper again and in a way he was right since Eden the shapely blond sophisticate before him bore little resemblance to the dateless bookish girl he remembered He wanted her pure and simple But could he convince Monroe s most wayward

Biogas! Glenn Taylor, 2007-12 United Gas CEO Lester Thomson is tired of paying taxes on a tract of land he considers a useless asset Located seventy miles from Houston the land sits idle save for the lignite deposits beneath its surface But if there s a way to generate revenue from a couple of hundred acres Lester will certainly entertain the idea For once Roger Murray an impractical yet brilliant engineer proposes a viable option Two scientists have unwittingly stumbled upon genetically modified super termites that chew up lignite to produce natural gas Roger suggests they use the technology to turn Lester s land into something wildly profitable As hard as project manager Frank Mitchell tries he can t find a fatal flaw in what he initially waves off as another farfetched idea He pulls together an unlikely group to implement the plan among them professor Jennifer Watson whose intelligence and beauty motivate Frank to come to terms with his past and future No one suspects that terrorists in mundane yet strategically placed positions of power will mobilize to sabotage the plan because it threatens the world s dependence on oil BIOGAS is a genuinely satisfying combination of science intrigue and romance

Dare to Love Tara Taylor Quinn, 2012-07-16 Too Hot To Handle When policewoman Andrea Parker was assigned to train six male officers for the DARE program she certainly didn t expect someone like Doug Avery to be among the trainees Doug was the kind of guy who instinctively resisted authority who got his kicks by using other people especially her as the butt of his crude jokes What could he possibly know about being a good example to street kids Andrea knew she should throw Doug out of the program But she couldn t make herself do it Beneath his strutting arrogance she sensed a hidden vulnerability Maybe he did know something about hardship about courage
