**Fulfilled in Our Hearing** Guerric DeBona,2005 What can today s preacher learn from past practices What needs to be adapted so that the preacher can be an authentic prophetic voice for today Father Guerric DeBona mines the treasures of the Christian homiletic tradition and confronts the challenges of modern technology multiculturalism and feminism to open a discussion about how the preacher can effectively reach the assembly in today s postmodern media saturated culture Fulfilled in Our Hearing is certain to become the standard text in homiletics courses for ordained and lay preachers alike

BOOK JACKET

Performance in Preaching (Engaging Worship) Jana Childers,Clayton J. Schmit,2008-11-01 This volume which launches the Engaging Worship series from Fuller Theological Seminary s Brehm Center for Worship Theology and the Arts offers a unique study of sermon delivery While many books offer advice on how to prepare write and preach a sermon this volume is distinctive in approaching the subject from the perspective of performance The authors who teach at a variety of seminaries and divinity schools across the nation examine how the sermon can bring God s word to life for the congregation In that sense they consider the idea of performance from a wide range of theological artistic and musical viewpoints These thoughtful essays will engage clergy and students with new ways of looking at the art of preaching

Preaching Effectively, Revitalizing Your Church Guerric DeBona,2009 Preaching Effectively Revitalizing Your Church offers a practical and theological guide to effective preaching Guerric DeBona an experienced and respected teacher of homiletics uses the metaphor of a ladder to describe the ascent up seven rungs that constitute the strategies of preaching Beginning with advice on discovering a personal theology of preaching the author

proceeds to unlock the power of the Bible and the liturgy He then guides preachers in creating a unified homily and in discovering a homiletic method that best suits their own intellect and temperament Chapters on communicating in contemporary culture and on globalizing the homily for the New Evangelization are vital for coming to grips with the technological age and the often bewildering diversity of today's world Finally DeBona challenges readers to recognize and confront their own obstacles to effective preaching Each chapter ends with questions to assist preachers in appropriating the material With bad homilies consistently cited as a factor in declining church attendance *Preaching Effectively Revitalizing Your Church* answers a very pressing need especially in view of the papacy's urgent call to rescue traditionally Christian countries from the brink of total secularization Book jacket

**Who Owns Religion?** Laurie L. Patton,2019-11-27 Who Owns Religion focuses on a period the late 1980s through the 1990s when scholars of religion were accused of scandalizing or denigrating the very communities they had imagined themselves honoring through their work While controversies involving scholarly claims about religion are nothing new this period saw an increase in vitriol that remains with us today Authors of seemingly arcane studies on subjects like the origins of the idea of Mother Earth or the sexual dynamics of mysticism have been targets of hate mail and book banning campaigns As a result scholars of religion have struggled to describe their own work to their various publics and even to themselves Taking the reader through several compelling case studies Patton identifies two trends of the 80s and 90s that fueled that rise the growth of multicultural identity politics which enabled a form of volatile public debate she terms eruptive public space and the advent of the internet which offered new ways for religious groups to read scholarship and respond publicly These controversies she shows were also fundamentally about something new the very rights of secular Western scholarship to interpret religions at all Patton s book holds out hope that scholars can find a space for their work between the university and the communities they study Scholars of religion she argues have multiple masters and must move between them while

writing histories and speaking about realities that not everyone may be interested in hearing      Reasons for Living Marisa Crawford, Graham Rossiter, 2006-11-01 Reasons for Living begins by exploring the development and psychological function of meaning identity and spirituality in the lives of young people This exploration can contribute significantly to the professional background of those engaged in the education and care of youth in various contexts The book then focuses on what it means to educate young people in meaning identity and spirituality Implications are considered for three school contexts the spiritual and moral dimension to the general curriculum in public and independent schools religious education in religious schools and state based Religion Studies courses Reasons for Living makes a much needed contribution to the philosophy of education by discussing the links between education and young people s spiritual and moral development It also provides new insights and approaches to values education and religious education Areas of fundamental importance in Australian education have long been held back not only by the gap between theory and practice but also by the very complexities of young people s personal development in contemporary Western Culture Reasons for Living offers a constructive and practical way forward
