and deadly miscalculations Embers of War delves deep into the historical record to provide hard answers to the unanswered questions surrounding the demise of one Western power in Vietnam and the arrival of another Eye opening and compulsively readable Embers of War is a gripping heralded work that illuminates the hidden history of the French and American experiences in Vietnam ONE OF THE MOST ACCLAIMED WORKS OF HISTORY IN RECENT YEARS Winner of the Francis Parkman Prize from the Society of American Historians Winner of the American Library in Paris Book Award Winner of the Council on Foreign Relations Arthur Ross Book Award Finalist for the Cundill Prize in Historical Literature NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post The Christian Science Monitor The Globe and Mail A balanced deeply researched history of how as French colonial rule faltered a succession of American leaders moved step by step down a road toward full blown war Pulitzer Prize citation This extraordinary work of modern history combines powerful narrative thrust deep scholarly authority and quiet interpretive confidence Francis Parkman Prize citation A monumental history a widely researched and eloquently written account of how the U S came to be involved in Vietnam certainly the most comprehensive review of this period to date The Wall Street Journal Superb a product of formidable international research The Washington Post Lucid and vivid a definitive history San Francisco Chronicle An essential work for those seeking to understand the worst foreign policy adventure in American history Even though readers know how the story ends as with The Iliad they will be as riveted by the tale as if they were hearing it for the first time The Christian Science Monitor [Abstract of North Carolina Wills](#) John Bryan Grimes,North Carolina. Secretary of State,1910 **Nathan Solves the Easter Mystery** Doreen Potter,2018-04-12 Youve heard the stories about Easter many times But except for Eastertime do you think about what it really means Do you question what youve read in the Bible and heard about this holy time This is what Nathan faces in author Doreen Potters Nathan Solves the Easter Mystery Science and Technology Unlock Clues Hidden in the Bible Puzzled by inconsistencies in the timing of Jesus death and resurrection Nathan is determined to solve the Easter mystery While visiting his grandmother Nathan discovers that by using science and his own sleuthing skills he can uncover the truth behind the worlds greatest mystery His grandmother challenges him to prove the scriptures true Together they set out to solve what is perhaps the most elusive mystery in human history Using science technology and deductive reasoning to unlock the scriptures they not only solve the Easter mystery but also shed new light on other Bible stories Youll be amazed at the discoveries Nathan and his grandmother find in Nathan Solves the Easter Mystery Science and Technology Unlock Clues Hidden in the Bible Children and adults alike will view the scriptures anew Parents If your children still believe in Santa Claus this book is not for them **Easter** Alan Watts,2023-03-07 THE FORGOTTEN PAGAN ORIGINS OF CHRISTIANITY S MOST EMBLEMATIC CELEBRATION Easter by whatever name it may be known is a theme common to almost every religion and every people Alan Watts Along with Christmas Easter Sunday is one of the two most popular celebrations on the Church calendar For millions of believers around the world it encapsulates the central message of Christianity Yet Easter has

become associated with a perplexing jumble of non Biblical customs colorful eggs chocolate rabbits evening bonfires children s songs mischievous games and more Philosopher Alan Watts proposes that these curiosities are vestiges of a tradition far older than Christianity In *Easter Its Story and Meaning* Watts goes in search of the lost origins of Easter taking readers with him on a kaleidoscopic tour of history anthropology and myth He begins on the scorching plains of Bronze Age Mesopotamia wanders the marble temples of imperial Rome enters the glittering cathedrals of medieval Europe and eventually lands in modern America In the course of the journey Watts unravels the multilayered symbolism of Easter and places the holiday within the broader context of world religions He also delves into several tantalizing historical enigmas such as Why is Christianity s most sacred holiday named after a pagan goddess Is Jesus Christ historically unique or is he just another example of the dying and rising god archetype common in antiquity How was the date of Easter calculated by the patriarchs of the early Church Where did the tradition of the Easter egg come from Could it be African The book closes on a lighthearted note with a collection of weird and wonderful Easter folk traditions old and new From beginning to end Watts employs his keen intellect and vast erudition to uncover hidden connections between seemingly unrelated events The result is a philosophical adventure that will enlighten readers of all religious backgrounds Watts concludes that Easter is a universal celebration of nature s eternal cycle of life death and rebirth a celebration for all humanity *The Geneva Conference of 1954 on Indochina* J. Cable, 2000-06-29 The Geneva Agreements of 1954 were widely welcomed They ended a seven year war in Indochina gave France a dignified exit averted wider conflict In later years first Americans and Vietnamese then Russians Chinese Cambodians and even Laotians tried to force Indochina into different patterns of their own devising These new wars triggered by rejection of the Geneva compromise lasted longer killed more people did greater damage and achieved less for everybody Perhaps Churchill was right jaw jaw is better than war war Certainly this lively first hand up dated account of the Geneva Conference of 1954 that triumph of old fashioned diplomacy which Britain initiated and France completed offers a better model for the twenty first century to follow *Easter in Dry Creek* Janet Tronstad, 2017-04-01 New York Times Bestselling Author All he wants is to restore his good name and reclaim a cowgirl s heart Clay West is back in his small Montana town with amends to make and minds to change The cowboy has spent four years in jail for a crime he did not commit and he s determined to restore his good name The former bad boy s first priority is convincing childhood friend Allie Nelson of his innocence But she more than anyone has suffered in his absence Allie can t admit how much she s missed Clay and she can t betray her family by putting her trust in him She vows to forget her schoolgirl crush But Clay will settle for nothing less than her forgiveness and her whole heart *The British Defence of Egypt, 1935-1940* Steven Morewood, 2005 A comprehensive and challenging analysis of the British defence of Egypt primarily against fascist Italy in the critical lead up period to the Second World War Culminating in the decisive defeat of the Italian military threat at Sidi Barrani in December 1940 this is a fascinating new contribution to the field The security of Egypt a constant of British imperial strategy is a

curiously neglected dimension of the still burning appeasement debate Steven Morewood adds to the originality of his interpretation by suggesting the old view should be reinstated that Mussolini should and could have been stopped in his empire building at the Abyssinian hurdle Thereafter as Nazi Germany tore the Versailles peace settlement to shreds the drift to war accelerated as British resolve and credibility were brought into question The fascist dictators in Rome and Berlin held no respect for weakness and Mussolini became the conduit through which Hitler could apply pressure to a sensitive British interest through reinforcing Libya at critical moments **Wallace's Year-book of Trotting and Pacing in** ,1909 **Forty Women** Ros Clarke,2021-11-18 The first witnesses to the resurrection were not men but women and without women the Easter story would not have happened at all These hidden voices of the Bible s story are found through the Old Testament and the New Testament In this daily Lent devotional join Ros Clarke as she uncovers the women of the Bible who are essential to the Easter weekend From Eve to the Shummamite and from Deborah to Ruth Forty Women will open your eyes to the power of the gospel Exploring a different character each day to take you from Ash Wednesday to Easter Sunday Forty Women is an uplifting and inspirational look at what we can learn from the different women of the Bible Looking at their lives triumphs and failures Ros Clark shows us how these women are examples of faith and warning against sin whose seemingly ordinary lives connect with an extraordinary God The perfect Lent book Forty Women shows us how these women s stories cast fresh light on the Bible in unexpected ways whilst their shared humanity reminds us of wonderful truths and promises of God s word to His people as we prepare to celebrate the ultimate promise of the resurrection at Easter Forty Women can be read in small groups or individually and is an ideal read for anyone wanting to learn more about the women of the Bible and the witnesses to the resurrection as well as for anyone looking for Biblical encouragement during Lent Its daily devotions can easily fit into a busy schedule and will give you a new appreciation for these often overlooked Biblical figures Join Ros Clarke this Lent and see the women of the Bible as never before A Practical Treatise on Bills of Exchange, Promissory Notes, and Bankers' Checks Joseph Chitty,1834 Holstein-Friesian Herd-book Holstein-Friesian Association of America,1922 *Hugo L Black of Alabama* Steve Suitts,2018-12-01 Three decades after his death the life and career of Supreme Court Justice Hugo L Black continue to be studied and discussed This definitive study of Black s origins and early influences has been 25 years in the making and offers fresh insights into the justice s character thought processes and instincts Black came out of hardscrabble Alabama hill country and he never forgot his origins He was further shaped in the early 20th century politics of Birmingham where he set up a law practice and began his political career eventually rising to the U S Senate from which he was selected by FDR for the high court Black s nomination was opposed partly on the grounds that he had been a member of the Ku Klux Klan One of the book s conclusions that is sure to be controversial is that in the context of Birmingham in the early 1920s Black s joining of the KKK was a progressive act This startling assertion is supported by an examination of the conflict that was then raging in Birmingham between the Big Mule industrialists and the blue collar labor unions Black of

course went on to become a staunch judicial advocate of free speech and civil rights thus making him one of the figures most vilified by the KKK and other white supremacists in the 1950s and 1960s Brighton College Register, (1847-1922).
