Editor On The Comstock Lode

John M Glionna

Editor On The Comstock Lode:

An Editor on the Comstock Lode Wells Drury, 1984 Monumental Lies Ronald M. James, 2023-09-19 A playful embrace of tall tales and exaggeration *Monumental Lies* explores the evolution of folklore in the Wild West *Monumental Lies* Early Nevada Folklore of the Wild West opens the door to understanding how legends and traditions emerged during the first decades following the Rush to Washoe which transformed the region beginning in 1859 During this Wild West period there was widespread celebration of deceit manifesting in tall tales burlesque lies practical jokes and journalistic hoaxes Humor was central to these endeavors and practitioners easily found themselves scorned if they failed to be adequately funny This ethos became central to the way folklore emerged during the formative years of the Nevada territory and state The tens of thousands of people who came to the West attracted by gold and silver mining brought distinct cultural legacies The interaction of diverse perspectives even while new stories and traditions coalesced or simply appeared was a complex process Author Ronald M James addresses how the fluidity of the region affected new expressions of folklore as they took root Mark Twain often a go to source for collections of early tall tales of this region cannot be overlooked but his interaction with local traditions was specific and narrow More importantly William Wright publishing as Dan De Quille arose as a key collector of legends a counterpart of early European folklorists With a bedrock understanding of what unfolded in the nineteenth century it is possible to consider *Nevada Gunsmoke* Elmer D. McInnes, Lauretta Ritchie-McInnes, 2022-01-27 From 1860 to 1900 many towns in Nevada sprang up to serve the mining camps in the area These towns provided the breeding ground for a unique character known as the mining camp gunman This book delves into the violent and gritty lives of various Nevada characters including gunfighting miner Dick Prentice lawman and politico Leslie Blackburn peace officer William McKee ruthless killer Hank Parrish outlaw escape artist John Burke and other characters **Wicked Virginia City** Peter B. Mires, 2020-10-05 Perched on the side of a mountain in the Nevada desert Virginia City existed for one reason only to make money The mining frenzy of the mid nineteenth century uncovered veins of precious metals that would be expressed in billions today attracting the enterprising madam Cad Thompson the charismatic highwayman Nickanora and a plethora of swindlers Miners flush with their wages supported a healthy economy of gambling drinking and prostitution and even launched a few political careers Sam Clemens who became Mark Twain while reporting for the Virginia City Territorial Enterprise called it the liveliest town that America had ever produced Join author Peter B Mires as he explores the seamy side of this quintessential mining boomtown **The United Editors Perpetual Encyclopedia** , 1909 *American Literature and Science* Robert Scholnick, 2021-10-21 Literature and science are two disciplines often thought to be unrelated if not actually antagonistic But Robert J Scholnick points out that these areas of learning up through the beginning of the nineteenth century were understood as parts of a unitary endeavor By mid century they had diverged but literature and science have continued to interact conflict and illuminate each other In this innovative work twelve leaders in this

emerging interdisciplinary field explore the long engagement of American writers with science and uncover science's conflicting meanings as a central dimension of the nation's conception of itself Reaching back to the Puritan poet minister physician Edward Taylor who wrote at the beginning of the scientific revolution and forward to Thomas Pynchon novelist of the cybernetic age this collection of original essays contains essential work on major writers including Franklin Jefferson Poe Emerson Thoreau Twain Hart Crane Dos Passos and Charles Olson Through its exploration of the ways that American writers have found in science and technology a vital imaginative stimulus even while resisting their destructive applications this book points towards a reconciliation and integration within culture An innovative look at a neglected dimension of our literary tradition American Literature and Science stands as both a definition of the field and an invitation to others to continue and extend new modes of inquiry

Gold Rushes and Mining Camps of the Early American West Vardis Fisher, Opal Laurel Holmes, Opal Laurel Fisher, 1968 Distributed by the University of Nebraska Press for Caxton Press Vardis Fisher and Opal Laurel Holmes bring together the stories of all of the remarkable men and women and all of the violent contrasts that made up one of the most enthralling chapters in American history Fisher a respected scholar and versatile creative writer devoted three years to the writing of this book

The Routledge Encyclopedia of Mark Twain J.R. LeMaster, James D. Wilson, 2013-05-13 A model reference work that can be used with profit and delight by general readers as well as by more advanced students of Twain Highly recommended Library Journal The Routledge Encyclopedia of Mark Twain includes more than 700 alphabetically arranged entries that cover a full variety of topics on this major American writer's life intellectual milieu literary career and achievements Because so much of Twain's travel narratives essays letters sketches autobiography journalism and fiction reflect his personal experience particular attention is given to the delicate relationship between art and life between artistic interpretations and their factual source This comprehensive resource includes information on Twain's life and times the author's childhood in Missouri and apprenticeship as a riverboat pilot early career as a journalist in the West world travels friendships with well known figures reading and education family life and career Complete Works including novels travel narratives short stories sketches burlesques and essays Significant characters places and landmarks Recurring concerns themes or concepts such as humor language race war religion politics imperialism art and science Twain's sources and influences Useful for students researchers librarians and teachers this volume features a chronology a special appendix section tracking the poet's genealogy and a thorough index Each entry also includes a bibliography for further study

Nevada Historical Society Quarterly Nevada Historical Society, 2005 *John Mackay* Michael J.

Makley, 2015-10-01 From the early 1870s until his death in 1902 John Mackay was among the richest men in the world and was without a doubt the wealthiest man to emerge from Nevada's fabulous Comstock Lode Author Michael J Makley explores how from his beginnings as a poor Irish immigrant John Mackay developed a strong work ethic that distinguished him for the rest of his life He came west to seek his fortune in the California Gold Rush and then moved on to Virginia City Nevada where

he dealt in mining stocks and operated silver mines After making a fortune in mining he transferred his energies to banking and communications John Mackay offers new insight into the life and achievements of this remarkable man It also places Mackay in the broader context of his time an era of robber barons and rampant corruption rapidly advancing technology national and international capitalism and flagrant displays of newfound wealth Even in this context he stood out not only for his contributions to Nevada and mining history but also for his reputation as an important business leader fighting the consolidation and venality of corporate power in the Gilded Age His actions freed the Comstock from a financial monopoly resulting in moderated rates for the milling timber shipping transportation and water that made mining possible and precipitated the discovery and development of the ore field known as the Big Bonanza Makley s book recounts the life and career of one of the most successful men of his age a capitalist of immense wealth who generously helped those around him and worked diligently in the public interest This engaging biography will appeal to readers interested in the Comstock Lode and mining in the West during the latter part of the nineteenth century as well as general western history enthusiasts

History of Nevada Russell R. Elliott,1987-01-01 Maintaining the same high standards of the first edition published in 1973 this new revised edition is still the most comprehensive one volume history of a state that was once thought of as a bridge to somewhere else In revising Elliott summarizes the state s economic political and social history since 1973 and strengthens a major point he made then that Nevada s acceptance of liberal marriage and divorce laws and of legalized gambling brought economic stability to a state singularly devoid of stable economic resources from Book Jacket **A**

Companion to the Regional Literatures of America Charles L. Crow,2003-07-09 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature *Mining and Metallurgy* ,1925 *Engineering and Mining Journal* ,1889 *California Feuds* William B. Secrest,2005 Chronicling the ignominious yet fascinating side of this state this account shares tales of personal vendettas in a time when men made their own laws and left women to pick up the pieces *Rebels and Outliers* John M Glionna,2025-08-12 Rebels and Outliers Real Stories of the American West shines a spotlight on the unforgettable characters that author and journalist John M Glionna has encountered during his more than 30 years crisscrossing the western United States for some of the nation s top newspapers With sharp insights Glionna captures the essence of the modern West through the lives of its most intriguing unconventional inhabitants From the struggles of a Navajo Nation police officer grappling with the tension of enforcing laws among her own people to the quirks of a pig farmer who feeds his livestock with leftovers from Las Vegas s extravagant buffets Glionna fearlessly delves into topics that reveal the complexities of life on the fringes Each showcases Glionna s remarkable talent for uncovering the

universal truths that connect us all This vibrant collection invites readers to journey through the rugged landscapes and tight knit communities that define the American West Along the way you ll meet individuals whose grit resilience and pioneering spirit embody the heart of this region s legacy A captivating follow up to Glionna s 2022 book Outback Nevada Real Stories of the Silver State Rebels and Outliers is a testament to the untamed enduring character of the people who call the West home

Death Valley to Deadwood; Kennecott to Cripple Creek United States. National Park Service. Division of National Register Programs,1990 Papers address concerns by contractors and agencies in how to survey and nominate properties to the National Register of Historic Places and how to mitigate adverse actions on significant resources management concerns related to historic mining sites on public lands and interpretation and display of mining sites and materials The focus is on the western United States but other parts of the U S and western Canada are covered **Pacific Northwest Quarterly**

,1937 *Insiders' Guide® to Reno and Lake Tahoe* Jeanne Walpole,2009-05-19 This authoritative guide will show you how to navigate the crystal clear waters of Lake Tahoe and the exciting nightlife of The Biggest Little City in the World **Silver Kings** Oscar Lewis,2012-12-05 Thousands of readers remember with pleasure Oscar Lewis s fine book on the Western railroad robber barons The Big Four Silver Kings is a companion piece dealing as it does with the big four of the Nevada Comstock Lode one of the greatest of all silver mines These were really fabulous men who led strangely fascinating lives John W Mackay the father of Clarence Mackay best known of the four built up the Postal Telegraph and Commercial Cable systems His wife Marie Hungerford for years after her marriage saw little of America but kept the society of Paris and London agog James G Fair was a master mechanic and one of the shrewdest of financiers of all the Comstock s conspicuous figures easily the least admired a fact of which he was aware and which he regarded with complete indifference He became a United State Senator and his elder daughter Tessie married Herman Oelrichs then a thirty seven year old bachelor and member of the prominent New York and Newport family James Clair Flood s great mansion atop Nob Hill in San Francisco is now the Pacific Union Club William S O Brien Flood s partner was the most shadowy of the quartet It s a rich field that Mr Lewis has mined and his story which never lags is set against the stunning background of the Virginia City of the seventies as well as the San Francisco of that era The result is a really magnificent piece of authentic Americana
