Education for Ministry George Schnier, 1993 Questions about education for Christian ministry are currently the subject of lively debate in both Church and society Major constructive proposals have been made from within several church traditions Though Catholics have been a part of those ecumenical discussions they are only beginning to contribute from their rich resources This work is a dialogue with the questions and issues already raised in other traditions with special attention to the contribution a Catholic perspective can offer Education for Ministry asks questions about the whole range of ministerial activities that are coming to life in the Roman tradition in North America It provides students with an opportunity to reflect on their preparation for a life of ministry

Practicing Christian Education Mark A. Maddix, James Riley Jr. Estep, 2017-07-18 This accessible introduction to the broad scope of Christian education focuses on its practice in the local church Two leading experts argue that Christian education encompasses all of the intentional practices of the local church including worship mission sacraments and teaching They explore Christian education not only as a field of study but as a vital congregational ministry showing how congregations can engage in discipleship and formation for spiritual growth The book features exercises and other pedagogical devices and includes reflection questions and suggestions for further reading
