Educational Leadership And Planning For Technology

Leslie Jones, Eugene Kennedy

Educational Leadership And Planning For Technology:

Educational Leadership and Planning for Technology Anthony G. Picciano, 2002 Technology in schools has evolved from the predominance of stand alone computers to a blend of computer media communications and other forms of technology dominated by the ubiquitous Internet and World Wide Web In addition K 12 education has evolved into a much more outcomes driven enterprise that depends upon technology and data to perform many of its basic functions This book provides educators with both the theoretical and the practical considerations for planning and implementing technology in today s schools with an emphasis on the total application of technology including both administrative and instructional uses Designed for pre service and in service educators such as administrators teachers technology coordinators and media specialists this fifth edition text builds a strong foundation from which educators may provide informed leadership and become agents for realizing the powerful potential of technology in their schools Educational Leadership and Planning for Technology 5th Edition-5 ,2010-02-24

The Principal as Technology Leader Theodore Creighton, 2003 An excellent resource for principals especially new principals It will definitely help them establish their vision for technology in their schools I read the book in one sitting Kim Leblanc Region V Technology Resource Specialist Calcasieu Parish Public Schools Louisiana An invaluable resource to practicing school leaders students in school leader preparation programs and professors of school leadership Neil J Shipman Clinical Associate Professor University of North Carolina Chapel Hill Illustrates that technology leadership is not about bells and whistles but about curriculum and instructional leadership John Artis Assistant Superintendent Upper Arlington City Schools Ohio Creighton does a wonderful job exploring the complexities of technology in schools Vicki Barnett Course Instructor ITT Technical Institute Florida Lead your school to greater technological achievement The larger picture in educational technology is not hardware or software but curriculum achievement and technology s overall role in education In an engaging style the author also founder of the Idaho Administrative Technology Leadership Center explores the complexities of change and implementation of technology in schools The Principal as Technology Leader looks at current research while providing guidelines to development and planning and includes sample technology plans that are easy to follow and use In addition the book highlights Instructional leadership and curriculum The digital divide between needs and availability Needs assessment Strategic planning Staff technophobia TSSA standards Constructivism and Engaged Learning Community support In an age of data driven decision making and accountability Creighton advances the argument for staff development and technology implementation that will enhance student achievement rather than relying on outdated methods of drill and practice

Planning for Technology Bruce M. Whitehead, Devon F. N. Jensen, Floyd Boschee, 2003 Intended as a how to book for school administrators Planning for Technology A Guide for School Administrators Technology Coordinators and Curriculum Leaders presents a comprehensive framework for integrating technology into schools Essential information and activities are provided that will help school administrators technology coordinators and curriculum

developers as they consider establishing a school plan that supports in class technology use for students and teachers Planning for Technology includes current research on the need for technology initiatives in schools practical activities for administrators to determine the best ways of integrating the book s suggestions into their context and the personal experience of school administrators who have successfully implemented technology networks into their classrooms
