Time, Narrative & the Fixed Image / Temps, narration & image fixe, 2021-10-18 This volume focuses on the relationship between time narrative and the fixed image As such it highlights renewed interest in the temporality of the fixed image probably one of the most important trends in the formal and semiotic analysis of visual media in the past decade The various essays discuss paintings the illustrated covers of books comics or graphic novels photo stories postcards television and video art as well as aesthetic practices that defy categorization such as Chris Marker's masterpiece *La Jetée* The range of works and practices examined is reflected in the different theoretical approaches and methods used with an emphasis on semiology and narratology and to a lesser extent aesthetics and psychoanalysis The interest of this book however does not stem exclusively from the range and scope of the artefacts examined or the methodological issues that are addressed its fundamental importance rests in the contributors' readiness to question the differentiation between fixed and moving images which all too often provides a convenient if not altogether convincing starting point for image analysis The originality and value of the contribution that *Time Narrative and the Fixed Image Temps Narration et image fixe* makes to the body of theoretical writing on visual media lies in this challenging and comprehensive approach Edward Hopper Gerry Souter, 2015-09-15 In his works Hopper poetically expressed the solitude of man confronted to the American way of life as it developed in the 1920s Inspired by the movies and particularly by the various camera angles and attitudes of characters his paintings expose the alienation of mass culture Created using cold colours and inhabited by anonymous characters Hopper's paintings also symbolically reflect the Great Depression Through a series of different reproductions etchings watercolours and oil on canvas paintings as well as thematic and artistic analysis the author sheds new light on the enigmatic and tortured world of this outstanding figure **New Makers of Modern Culture** Wintle Justin, 2013-05-13 New Makers of Modern Culture is the successor to the classic reference works *Makers of Modern Culture* and *Makers of Nineteenth Century Culture*

Experience and Imagination from Medieval to Modern Times David S. Herrstrom,2022-11-21 In Light as Experience and Imagination from Medieval to Modern Times David S Herrstrom synthesizes and interprets the experience of light as revealed in a wide range of art and literature from medieval to modern times The true subject of the book is making sense of

the individual's relationship with light rather than the investigation of light's essential nature while telling the story of light seducing individuals from the Middle Ages to our modern times. Consequently, it is not concerned with the progress of scientific inquiries into the physical properties and behavior of light, optical science, but rather with subjective reactions as reflected in art, architecture, and literature. Instead of its evolution, this book celebrates the complexity of our relation to light's character. No individual experience of light being truer than any other. **Edward Hopper** Gail Levin, 2023-02-07 New York Times Notable Book Los Angeles Times Book Prize Finalist Wall Street Journal one of five best artist biographies. Edward Hopper's canvasses are filled with stripped-down spaces and unrelenting light, evocative landscapes, and the lonely aspects of men and women seemingly isolated in their surroundings. What kind of man had this haunting vision, and what kind of life engendered this art? No one is better qualified to answer these questions than art historian Gail Levin, author and curator of the major studies and exhibitions of Hopper's work. In this intimate biography, she reveals the true nature and personality of the man himself and of the woman who shared his life, the artist Josephine Nivison. **Edward Hopper** Edward Hopper, Carol Troyen, 2007. This extensive new assessment of Edward Hopper, which accompanies a major traveling exhibition, examines the dynamics of the artist's creative process and discusses his work within the cultural currents of his day. 200 full-color plates. *On the Edge of Your Seat* Patricia McDonnell, Robert Clyde Allen, Frederick R. Weisman Art Museum, 2002-01-01. This book is published in conjunction with the exhibition *On the edge of your seat*. Published in conjunction with an exhibition held at the Seattle Art Museum. Nov 13 2008 Mar 1 2009. **The Lonely City** Olivia Laing, 2016-03-01. Finalist for the National Book Critics Circle Award in Criticism. 1 Book of the Year from Brain Pickings. Named a best book of the year by NPR, Newsweek, Slate, Pop Sugar, Marie Claire, Elle, Publishers Weekly, and Lit Hub. A dazzling work of biography, memoir, and cultural criticism on the subject of loneliness, told through the lives of iconic artists by the acclaimed author of *The Trip to Echo Spring*. When Olivia Laing moved to New York City in her mid-thirties, she found herself inhabiting loneliness on a daily basis. Increasingly fascinated by the most shameful of experiences, she began to explore the lonely city by way of art. Moving from Edward Hopper's Nighthawks to Andy Warhol's Time Capsules, from Henry Darger's hoarding to David Wojnarowicz's AIDS activism, Laing conducts an electric, dazzling investigation into what it means to be alone, illuminating not only the causes of loneliness but also how it might be resisted and redeemed. Humane, provocative, and moving, *The Lonely City* is a celebration of a strange and lovely state adrift from the larger continent of human experience but intrinsic to the very act of being alive. **Martha Stewart's Organizing** Martha Stewart, 2019-12-21. How to organize everything from America's most trusted lifestyle authority, with color photographs throughout and hundreds of ideas, projects, and tips. **Poetics Journal Digital Archive** Lyn Hejinian, Barrett Watten, 2015-02-25.
