Edward Lear's Tennyson:

Edward Lear's Tennyson Edward Lear, 1988 *Edward Lear's Illustrations to the Poetry of Alfred Tennyson* Ellen Lawrence, Alfred Tennyson Baron Tennyson, 1976 **4 Letters from Edward Lear to Alfred, Lord Tennyson** Edward Lear, 1855 **A Book of Nonsense** Edward Lear, 2017-10-12

Edward Lear 12 or 13 May 1812 29 January 1888 was an English artist, illustrator, musician, author, and poet, and is known now mostly for his literary nonsense in poetry and prose, and especially his limericks, a form he popularised. His principal areas of work as an artist were threefold: as a draughtsman employed to illustrate birds and animals, making coloured drawings during his journeys, which he reworked later, sometimes as plates for his travel books; as a minor illustrator of Alfred Tennyson's poems; and as an author. He is known principally for his popular nonsense collections of poems, songs, short stories, botanical drawings, recipes, and alphabets. He also composed and published twelve musical settings of Tennyson's poetry.

Early years: Lear was born into a middle-class family at Holloway, North London, the penultimate of twenty-one children, and youngest to survive, of Ann Clark Skerrett and Jeremiah Lear, a stockbroker formerly working for the family sugar-refining business. He was raised by his eldest sister, also named Ann, 21 years his senior. Jeremiah Lear ended up defaulting to the London Stock Exchange in the economic upheaval following the Napoleonic Wars, owing to the family's now more limited finances. Lear and his sister were required to leave the family home, Bowmans Lodge, and live together when he was aged four. Ann doted on Edward and continued to act as a mother for him until her death, when he was almost 50 years of age. Lear suffered from lifelong health afflictions. From the age of six, he suffered frequent grand mal epileptic seizures and bronchitis, asthma, and during later life, partial blindness. Lear experienced his first seizure at a fair near Highgate, with his father. The event scared and embarrassed him. Lear felt lifelong guilt and shame for his epileptic condition. His adult diaries indicate that he always sensed the onset of a seizure in time to remove himself from public view. When Lear was about seven years old, he began to show signs of depression, possibly due to the instability of his childhood. He suffered from periods of severe melancholia, which he referred to as the Morbids. Artist: Lear was already drawing for bread and cheese by the time he was aged 16, and soon developed into a serious ornithological draughtsman, employed by the Zoological Society and then from 1832 to 1836 by the Earl of Derby, who kept a private menagerie at his estate, Knowsley Hall. He was the first major bird artist to draw birds from real live birds instead of skins. Lear's first publication, published when he was 19 years old, was *Illustrations of the Family of Psittacidae, or Parrots* in 1830. One of the greatest ornithological artists of his era, he taught Elizabeth Gould whilst also contributing to John Gould's works, and was compared favourably with the naturalist John James Audubon. Unfortunately, his eyesight deteriorated too much to work with such precision on the fine drawings and etchings of plates used in lithography, thus he turned to landscape painting and travel. Among other travels, he visited Greece and Egypt during 1848-49 and toured India during 1873-75, including a brief detour to Ceylon. While travelling, he produced large quantities of coloured wash drawings in a distinctive

style which he converted later in his studio into oil and watercolour paintings as well as prints for his books His landscape style often shows views with strong sunlight with intense contrasts of colour Between 1878 and 1883 Lear spent his summers on Monte Generoso a mountain on the border between the Swiss canton of Ticino and the Italian region of Lombardy His oil painting The Plains of Lombardy from Monte Generoso is in the Ashmolean Museum in the English city of Oxford Throughout his life he continued to paint seriously He had a lifelong ambition to illustrate Tennyson s poems near the end of his life a volume with a small number of illustrations was published *Victorian Celebrity Culture and Tennyson's Circle* C. Boyce,P. Finnerty,A. Millim,2013-10-31 Tennyson experienced at first hand the all pervasive nature of celebrity culture It caused him to retreat from the eyes of the world This book delineates Tennyson s reluctant celebrity and its effects on his writings on his coterie of famous and notable friends and on the ever expanding media led circle of Tennyson s admirers **Edward Lear** Peter Levi,1995 Edward Lear was an English eccentric and an admirable poet whose nonsense verse has endeared him to generations of Americans He was also a brilliant watercolorist and an intrepid traveler To this lively study of the life and work of one of the most eminent Victorians the distinguished biographer Peter Levi brings poetic sensitivity and wide ranging erudition 13 Letters from Edward Lear to Hallam Tennyson Edward Lear,1880 Edward Lear and the Play of Poetry James Williams,Matthew Bevis,2016-08-25 Of all the Victorian poets Edward Lear has a good claim to the widest audience admired and championed by critics and poets from John Ruskin to John Ashbery he has also been read heard and loved by generations of children As a central figure in the literature of nonsense Lear has also shaped the evolution of modern literature and his work continues to influence and inspire writers and readers today This collection of essays the first ever devoted solely to Lear builds on a recent resurgence of critical interest and asks how it is that the play of Lear s poetry continues to delight and to challenge our sense of what poetry can be These seventeen chapters written by established and emerging critics of poetry seek to explore and appreciate the playfulness embodied in the poems and to provide contexts in which it can be better understood and enjoyed They consider how Lear s poems play off various inheritances the literary fool Romantic lyric his religious upbringing explore particular forms in which his playful genius took flight his letters his queer writings about love and trace lines of Learical influence and inheritance by showing how other poets and thinkers across the nineteenth and twentieth centuries played off Lear in their turn Joyce Stein Eliot Auden Smith Ashbery and others

Edward Lear James Williams,James Atherton Williams,2018 James Williams s account the first book length critical study of the poet since the 1980s sets out to re introduce Lear and to accord him his proper place as a major Victorian figure of continuing appeal and relevance and especially as a poet of beauty comedy and profound ingenuity **Rhythms of Feeling in Edward Lear, T. S. Eliot, and Stevie Smith** Jasmine Jagger,2022 Rich with unpublished material and detailed insight Rhythms of Feeling offers a new reading of three of the most celebrated poets Edward Lear T S Eliot and Stevie Smith Tracing exciting lines of interplay affinity and influence between these writers for the first time the book shifts the terms of

critical debate on Lear Eliot and Smith and subtly reorients the traditional account of the genealogies of Modernism Going beyond a biographically framed close reading or a more general analysis framed by affect theory the volume traces these poets affective rhythms fits tears nerves to consider the way that poetics the mental and physical process of writing and reading and the ebbs and flows of their emotional weather might be in dialogue Attentive acute and often forensic the book broadens its reach to contemporary writers and medical accounts of creativity and cognition Alongside deep critical study this volume seeks to bring emotional intelligence to criticism finding ways of speaking lucidly and humanely about emotional and physical states that defy lucidity and stretch our sense of the human Provided by publisher
