Effective Family Planning Programs

Susan Stout

Effective Family Planning Programs:

Strategic Management of Family Planning Programs Cynthia P. Green, 1992 Program management especially logistics management remains the Achilles heel of family planning programs **Private Sector Approaches to Effective Family Planning** Karen G. Foreit, 1992 Supporting the participation of the private sector in family planning is beneficial because it can 1 expand the total family planning market to help satisfy existing and future unmet needs for contraception and 2 shift current users from subsidized to more nearly self supporting outlets without compromising coverage equity or quality of care

The Origins and Evolution of Family Planning Programs in Developing Countries Judith R. Seltzer, 2002-04-22 This book analyzes the origins and rationale of family planning programs and how they have evolved based on experience in different country settings **Status and trends of family planning. Population programs in developing countries** United

States. Congress. House. Select Committee on Population, 1978 **China's Family Planning Program** Judith

Banister, Christina Wu Harbaugh, 1994 **Family Planning Programs** Bernard Berelson, Voice of America (Organization), 1969 In a comprehensive and up to date survey of family programs twenty six of the world's leading population experts many of them directly in charge of family control programs in their own countries describe and evaluate what is currently being done to cope with the world's population explosion especially in developing nations Everything from the latest birth control methods to the development of more precise population statistics is covered in this progress report from one of mankind's most fateful battlefronts from inner flap of dust jacket **Federal Family Planning Program**

Reauthorization United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health and the Environment, 1989 Strengthening the Bank's Population Work in the Nineties Steven W. Sinding, 1991 These

recommendations for the nineties focus on changing Bank strategies not Bank policy **A Review of the HHS Family Planning Program** Institute of Medicine, Board on Children, Youth, and Families, Board on Health Sciences

Policy, Committee on a Comprehensive Review of the HHS Office of Family Planning Title X Program, 2009-08-07 A Review of the HHS Family Planning Program provides a broad evaluation of the Title X family planning program since its establishment in 1970 The program successfully provides family planning services to its target audience of low income individuals but there is room for improvement While the program's core goals are apparent a secondary set of changing priorities has emerged without a clear evidence based strategic process Also funding for the program has increased in actual dollars but has not kept pace with inflation or increased costs Several aspects of the program's structure could be improved to increase the ability of Title X to meet the needs of its target population At the same time the extent to which the program meets those needs cannot be assessed without a greater capacity for long term data collection A Review of the HHS Family Planning Program recommends several specific steps to enhance the management and improve the quality of the program as well as to demonstrate its direct contribution to important end results such as reducing rates of unintended pregnancy cervical cancer

and infertility The book will guide the Office of Family Planning toward improving the effectiveness of the program Other parties who will find the research and recommendations valuable include programs receiving Title X funding from the Office of Family Planning policy makers researchers and professional organizations *Oversight on Family Planning Programs Under Title X of the Public Health Service Act, 1984* United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Family and Human Services,1984 *Federal Program Evaluations* United States. General Accounting Office. Office of Program Analysis,1977 Contains an inventory of evaluation reports produced by and for selected Federal agencies including GAO evaluation reports that relate to the programs of those agencies **Foreign Assistance and Related Agencies Appropriations** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Agencies Appropriations,1983 *Africa and Hunger* United States. Congress. House. Committee on Science and Technology. Subcommittee on Natural Resources, Agriculture Research, and Environment,1986 *Departments of Labor and Health, Education, and Welfare and Related Agencies Appropriations for Fiscal Year 1973* United States. Congress. Senate. Committee on Appropriations,1972 **Economics of Agricultural Development** George W. Norton,Jeffrey Alwang,William A. Masters,2014-09-25 Economics of Agricultural Development examines the causes severity and effects of poverty population growth and malnutrition in developing countries It discusses potential solutions to these problems progress made in many countries in recent years and the implications of globalization for agriculture poverty and the environment Topics covered in the book include Means for utilizing agricultural surpluses to further overall economic development The sustainability of the natural resource environment Gender issues in relation to agriculture and resource use The contribution of agricultural technologies The importance of agricultural and macroeconomic policies as related to development and trade and the successes and failures of such policies Actions to encourage more rapid agricultural and economic development The globalization of trade in goods services and capital has been fundamental to changes being experienced in the agricultural and rural sectors of developing countries It has major implications for the fight against poverty and food insecurity and for environmental sustainability Recently agriculture has returned to a position of center stage in the development dialog as food price volatility has increased along with water scarcity and concerns grow over the effects of climate change on food supply and food security This new edition of the essential textbook in the field builds on the 2010 edition and reflects the following developments Growth in foreign demand for land and other natural resources Significant progress in agricultural and economic development in some low income countries while others are being left behind Continued growth in demand for higher valued farm products This book is essential reading for undergraduate students seeking to understand the economics of agricultural development and the world food system including environmental and human consequences international trade and capital flows **Global Health 101** Skolnik,2016 Rated by an independent panel as the best introductory Global Health text for undergraduates Global Health 101 Third

Edition is a clear concise and user friendly introduction to the most critical issues in global health It illustrates key themes with an extensive set of case studies examples and the latest evidence Particular attention is given to the health development link to developing countries and to the health needs of poor and disadvantaged people The Third Edition is a thorough revision that offers an extensive amount of new and updated information while maintaining clarity simplicity and ease of use for faculty and students Offering the latest data on the burden of disease the book presents unique content on key topics that are often insufficiently covered in introductory materials such as immunization and adolescent health Population,

Environment and Disease Asraful Alam,Rukhsana,Sourav Biswas,Nazrul Islam,Ranjan Roy,2024-10-24 This book discusses a broad range of vital issues in public health encompassing health facilities the healthcare system disease and epidemiological transition of disease spatio temporal change of health facilities disease patterns and the complex reciprocal relationship between human health and the environment The book is arranged into three broad sections Part I Socio demographic determinants of public health and policies Part II Spatio temporal and Part III Disease epidemics and challenges Considering all these overarching themes this book has been prepared to discuss and provide insights to generate awareness of the holistic perspective of social cultural and political factors for public health disease epidemics health facilities the healthcare system government policies prosperity and backdrops in global and local contexts as a geographical perspective The book should attract the attention of students researchers academicians policymakers and other inquisitive readers interested in different aspects of public health health geography and spatial demography **A.I.D. Research and Development**

Abstracts ,1984 Contemporary Problems of Pakistan Korson,2022-03-07 **Evaluating Health Projects** Susan Stout,1997-01-01 This book explores the wave of decentralization that has swept through Latin America and the projected institutional changes within the governments in the region Although it notes the ways in which decentralization implies a critique of past governing patterns the emphasis is on such potential consequences of governmental change as the strengthening of democratic participation in government and the improvement of local public service The book draws upon institutional experiments carried out at the state level to examine which decentralization strategies work best in Latin America It is organized around three major requirements for the success of decentralization Establishing the national fiscal framework Moving government closer to the people Improving municipal service delivery Tables illustrate the shift of revenues and expenditures from central authorities to intermediate levels of government
