

# EIGHTEEN ACRES UNDER GLASS

*Life in Washington  
as seen by  
the former Secretary  
of the Cabinet*

ROBERT KEITH GRAY

# Eighteen Acres Under Glass Life In Washi

**Charles Francis**

## **Eighteen Acres Under Glass Life In Washi:**

*Archive Activism* Charles Francis, 2023-09-15 *Archive Activism* is a memoir of activism rooted in a new way to converse with history by rescuing it. Archive activists discover documents and other important materials often classified, gone missing, or sealed that somehow escaped the fireplace or shredder. It is an approach to LGBTQ advocacy and policy activism based on citizen archiving and original archival research to effect social change. Research Activism is the formula growing out of Charles Francis's personal story as a gay Texan born and raised during the 1950s and 1960s in Dallas. The rescues range in time and place from Francis's first encounter with a raucous, near-violent religious demonstration in Fort Worth to attics loaded with forgotten historic treasures of LGBTQ pioneers. *Archive Activism* tells how Francis helped Governor George W. Bush achieve his dream of becoming president in 2000 by reaching out to gay and lesbian supporters the first time a Republican candidate for president formally met with gay and lesbian Americans. This inspired Francis to engage with deleted LGBTQ history by forming a historical society with an edge: a new Mattachine Society of Washington DC. For the first time, *Archive Activism* reveals how LGBTQ secrets were held for decades at the LBJ Presidential Library in the papers of President Johnson's personal secretary, sealed until her death at age 105. Mattachine's signature discovery is a federal attorney's classified assault, blandly filed under Suitability at the National Archives. What it boils down to is that most men look upon homosexuality as something uniquely nasty. *Archive Activism* is not only a memoir but also an essential roadmap for activists from any group armed only with their library cards.

*Secret City* James Kirchick, 2022-05-31 The New York Times Bestseller. A New York Times Notable Book of 2022. Named one of Vanity Fair's Best Books of 2022. Not since Robert Caro's *Years of Lyndon Johnson* have I been so riveted by a work of history. *Secret City* is not gay history. It is American history. George Stephanopoulos: Washington, D.C. has always been a city of secrets. Few have been more dramatic than the ones revealed in James Kirchick's *Secret City*. For decades, the specter of homosexuality haunted Washington. The mere suggestion that a person might be gay destroyed reputations, ended careers, and ruined lives. At the height of the Cold War, fear of homosexuality became intertwined with the growing threat of international communism, leading to a purge of gay men and lesbians from the federal government. In the fevered atmosphere of political Washington, the secret too loathsome to mention held enormous, terrifying power. Utilizing thousands of pages of declassified documents, interviews with over one hundred people, and material unearthed from presidential libraries and archives around the country, *Secret City* is a chronicle of American politics like no other. Beginning with the tragic story of Sumner Welles, Franklin Delano Roosevelt's brilliant diplomatic advisor and the man at the center of the greatest national scandal since the existence of the United States, James Kirchick illuminates how homosexuality shaped each successive presidential administration through the end of the twentieth century. Cultural and political anxiety over gay people sparked a decades-long witch hunt impacting everything from the rivalry between the CIA and the FBI to the ascent of Joseph McCarthy, the struggle for Black civil rights, and the rise of the

conservative movement Among other revelations Kirchick tells of the World War II era gay spymaster who pioneered seduction as a tool of American espionage the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered and how allegations of a homosexual ring controlling Ronald Reagan nearly derailed his 1980 election victory

Magisterial in scope and intimate in detail *Secret City* will forever transform our understanding of American history

**Eighteen Acres** Nicolle Wallace,2010-10-19 From the former Communications Director for the White House and current political media strategist comes a suspenseful and smart commercial novel about the first female president and all dramas and deceptions she faces both in politics and in love

*Eighteen Acres* a description used by political insiders when referring to the White House complex follows the first female President of the United States Charlotte Kramer and her staff as they take on dangerous threats from abroad and within her very own cabinet

Charlotte Kramer the 45th US President Melanie Kingston the White House chief of staff and Dale Smith a White House correspondent for one of the networks are all working tirelessly on Charlotte s campaign for re election

At the very moment when they should have been securing success though Kramer s White House implodes under rumors of her husband s infidelity and grave errors of judgment on the part of her closest national security advisor

In an upheaval that threatens not only the presidency but the safety of the American people Charlotte must fight to regain her footing and protect the the country she has given her life to serving

*Eighteen Acres* combines political and family drama into one un put downable novel

It is a smart juicy and fast paced read that we re sure fans of commercial women s fiction will fall in total love with

**Campaign of the Century** Irwin F. Gellman,2022-01-04 Based on massive new research a compelling and surprising account of the twentieth century s closest election

The 1960 presidential election between John F Kennedy and Richard Nixon is one of the most frequently described political events of the twentieth century yet the accounts to date have been remarkably unbalanced

Far more attention is given to Kennedy s side than to Nixon s

The imbalance began with the first book on that election Theodore White s *The Making of the President 1960* in which as he later admitted White deliberately cast Kennedy as the hero and Nixon as the villain and it has been perpetuated in almost every book since then

Few historians have attempted an unbiased account of the election and none have done the archival research that Irwin F Gellman has done

Based on previously unused sources such as the FBI s surveillance of JFK and the papers of Leon Jaworski vice presidential candidate Henry Cabot Lodge and many others this book presents the first even handed history of both the primary campaigns and the general election

The result is a fresh engaging chronicle that shatters long held myths and reveals the strengths and weaknesses of both candidates

Wings ,1959

The Georgetown Ladies' Social Club C. David Heymann,2004-11-02 A portrait of the political and social life of Georgetown cites the influence of such women as Katharine Graham Lorraine Cooper and Sally Quinn while offering insight into Washington life in the late twentieth century

### **The President and the Apprentice** Irwin F. Gellman, 2015-07-28

More than half a century after Eisenhower left office the history of his presidency is so clouded by myth partisanship and outright fraud that most people have little understanding of how Ike's administration worked or what it accomplished We know or think we know that Eisenhower distrusted his vice president Richard Nixon and kept him at arm's length that he did little to advance civil rights that he sat by as Joseph McCarthy's reckless anticommunist campaign threatened to wreck his administration and that he planned the disastrous 1961 Bay of Pigs invasion of Cuba None of this is true The President and the Apprentice reveals a different Eisenhower and a different Nixon Ike trusted and relied on Nixon sending him on many sensitive overseas missions Eisenhower not Truman desegregated the military Eisenhower and Nixon not Lyndon Johnson pushed the Civil Rights Act of 1957 through the Senate Eisenhower was determined to bring down McCarthy and did so Nixon never contrary to recent accounts saw a psychotherapist but while Ike was recovering from his heart attack in 1955 Nixon was overworked overanxious overmedicated and at the limits of his ability to function

### **Mint Juleps with Teddy Roosevelt**

Mark Will-Weber, 2014-10-20

Stroll through our country's memorable moments from George Washington at Mount Vernon to the days of Prohibition from impeachment hearings to nuclear weapons negotiations and discover the role that alcohol played in all of them with Mark Will Weber's Mint Juleps with Teddy Roosevelt The Complete History of Presidential Drinking As America transformed from fledgling nation to world power one element remained constant alcohol The eighteenth century saw the Father of His Country distilling whiskey in his backyard The nineteenth century witnessed the lavish expenses on wine by the Sage of Monticello Honest Abe's inclination toward temperance and the slurred speech of the first president to be impeached Fast forward to the twentieth century and acquaint yourself with Woodrow Wilson's namesake whisky FDR's affinity for rum swizzles and Ike's bathtub gin What concoctions can be found in the White House today Visit the first lady's beehives to find out In Mint Juleps with Teddy Roosevelt you'll learn Which Founding Fathers had distilleries in their backyards The teetotalers versus the car totalers Whose expensive tastes in vintages led to bankruptcy Which commanders in chief preferred whiskey to whisky The 4 C's Cointreau claret Campari and cocktails The first ladies who heralded the hair of the dog and those who vehemently opposed it The preferred stemware snifter or stein Which presidents and staff members abstained imbibed or overindulged during Prohibition Recipes through the ages favorites including the Bermuda Rum Swizzle Missouri Mule and Obama's White House Honey Ale So grab a cocktail and turn the pages of Mint Juleps with Teddy Roosevelt for a unique and entertaining look into the liquor cabinets and the beer refrigerators of the White House Cheers

### Presidential Lightning Rods Richard J.

Ellis, 2021-10-08 H R Haldeman President Nixon's former chief of staff is said to have boasted Every president needs a son of a bitch and I'm Nixon's I'm his buffer and I'm his bastard I get done what he wants done and I take the heat instead of him

Richard Ellis explores the widely discussed but poorly understood phenomenon of presidential lightning rods cabinet officials who take the heat instead of their bosses Whether by intent or circumstance these officials divert criticism and blame away from their presidents The phenomenon is so common that it is assumed to be an essential item in every president's managerial toolbox But Ellis argues such assumptions can oversimplify our understanding of this tool Ellis advises against indiscriminate use of the lightning rod metaphor Such labeling can hide as much as it reveals about presidential administration and policymaking at the cabinet level The metaphor often misleads by suggesting strategic intent on the president's part while obscuring the calculations and objectives of presidential adversaries and the lightning rods themselves Ellis also illuminates the opportunities and difficulties that various presidential posts especially secretaries of state chiefs of staff and vice presidents have offered for deflecting blame from our presidents His study offers numerous detailed and instructive examples from the administrations of Truman Dean Acheson Eisenhower Richard Nixon John Foster Dulles Herbert Brownell and Ezra Taft Benson LBJ Hubert Humphrey Ford Henry Kissinger and Reagan James Watt These examples Ellis suggests should guide our understanding of the relationship between lightning rods and presidential leadership policymaking and ratings Blame avoidance he warns does have its limitations and may even backfire at times Nevertheless President Clinton and his successors may need to rely on such tools The presidency Ellis points out finds itself the object of increasingly intense partisan debate and microscopic scrutiny by a wary press Lightning rods can deflect such heat and help the president test policies gauge public opinion and protect his political power and public image Ellis's book is an essential primer for helping us understand this process

[The Age of Eisenhower](#) William I Hitchcock, 2018-03-20 A New York Times bestseller this is the outstanding The Atlantic insightful and authoritative account of Dwight Eisenhower's presidency Drawing on newly declassified documents and thousands of pages of unpublished material The Age of Eisenhower tells the story of a masterful president guiding the nation through the great crises of the 1950s from McCarthyism and the Korean War through civil rights turmoil and Cold War conflicts This is a portrait of a skilled leader who despite his conservative inclinations found a middle path through the bitter partisanship of his era At home Eisenhower affirmed the central elements of the New Deal such as Social Security fought the demagoguery of Senator Joseph McCarthy and advanced the agenda of civil rights for African Americans Abroad he ended the Korean War and avoided a new quagmire in Vietnam Yet he also charted a significant expansion of America's missile technology and deployed a vast array of covert operations around the world to confront the challenge of communism As he left office he cautioned Americans to remain alert to the dangers of a powerful military industrial complex that could threaten their liberties Today presidential historians rank Eisenhower fifth on the list of great presidents and William Hitchcock's rich narrative The Wall Street Journal shows us why Ike's stock has risen so high He was a gifted leader a decent man of humble origins who used his powers to advance the welfare of all Americans Now more than ever with this complete and persuasive assessment Booklist starred review Americans have much to learn

from Dwight Eisenhower      **Eisenhower and the American Crusades** Herbert S. Parmet, 2019-08-08 Herbert S. Parmet's *Eisenhower and the American Crusades* is a major assessment of the American presidency during the critical period of America at mid century. The book follows the career of General Dwight D. Eisenhower from 1952 when he decided to leave his NATO command to campaign for the presidency to his retirement at Gettysburg nearly nine years later. His entry into politics was well timed. A mood of conservatism was sweeping the country; surveys indicated that the majority of Americans felt it was time for a change from two decades of executive control by those who had permitted events to get out of hand. Parmet based his study of the Eisenhower years on massive research, conversations with leading figures of the era, and previously unreleased documents. This wealth of material has enabled him to provide answers to questions frequently asked about the thirty-fourth president: Was Eisenhower the kind fatherly man millions grew up to love on their television, or was this an image created by a shrewd politician who knew what the country needed in a trying time? Did he choose Richard Nixon as a running mate, or was Nixon forced upon him by political necessities? Was the president intimidated by the appearance of power of Joseph McCarthy, and did the Army-McCarthy hearings influence Eisenhower's decision to involve the United States in Vietnam? Was Eisenhower concerned with the lack of progress in civil rights? Was he the right man for the right time in history, or was he merely postponing the major crises of the 1960s? Parmet offers a convincing refutation of the idea of the Eisenhower years as being placid or boring. No years that contained McCarthy and McCarthyism, a war in Korea, constant fears of nuclear annihilation, and spreading racial violence could be so described. For Parmet, Eisenhower was a stabilizing force in a time of conflict. He may not have been a political genius, but he knew perhaps better than anyone else around him exactly what the people wanted and how they wanted it.

### **Eighteen Acres Under Glass Life In Washi Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Eighteen Acres Under Glass Life In Washi has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Eighteen Acres Under Glass Life In Washi has opened up a world of possibilities. Downloading Eighteen Acres Under Glass Life In Washi provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Eighteen Acres Under Glass Life In Washi has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Eighteen Acres Under Glass Life In Washi. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Eighteen Acres Under Glass Life In Washi. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Eighteen Acres Under Glass Life In

Washi, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Eighteen Acres Under Glass Life In Washi has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Eighteen Acres Under Glass Life In Washi Books**
