

EIGHTH CENTURY PROPHETS

A Social Analysis

D. N. PREMNATH

Eighth Century Prophets A Social Analysis

Daniela Niemeyer

Eighth Century Prophets A Social Analysis:

Eighth Century Prophets D N Premnath,2003-12-01 In this powerful sociological introduction D N Premnath brings together the social reality of eighth century B C E Israel and Judah and the prophetic oracles of Amos Hosea Isaiah and Micah to explore the significance of their prophetic message and vision in today s context He focuses on various dimensions of land accumulation by the upper class and its effect on the poor Premnath uniquely uses a systemic sociological approach incorporating both comparative and historical data to reconstruct the social reality of the period and to reveal aspects of the oracles not covered by previous exegesis The sociohistorical section will be of keen interest to students as well as to scholars

Social Critique by Israel's Eighth-Century Prophets Hemchand Gossai,2006-05-01 This is an exhaustive and perceptive analysis of the use of mishpat and sdq in the Hebrew Bible and in particular the Eight Century Prophets The author focuses on the social critique of these prophets and the role of mishpat and sdq in this development Further the book offers an insightful exploration of chosen texts and provides a daring platform for contemporary society to discern the intrinsic connection between worship and social justice [Re-Reading the Prophets through Corporate Globalization](#)

Matthew J. M. Coomber,2022-07-29 Judah faced radical and rapid societal change as it was absorbed by the Assyrian Empire in the eighth century BCE But while Judean prophets displayed outrage for the injustices these changes caused their texts are often devoid of socio economic context Identities of perpetrators victims and even the nature of their actions are often absent This book sheds light on those contexts by employing a recurring pattern found around the world and across time as subsistence communities are absorbed into complex economic systems In addition to outlining this pattern s presence in Judah s archaeological record Coomber turns the lens in the other direction to gain new insights from a recent example of this pattern s unfolding Tunisia s absorption into international capitalism The result is an interpretive tool that asks new questions of ancient prophetic texts while also revealing threads through which the prophets find voice in addressing a radically different circumstance with similar consequences pertaining to land use the weaponization of debt and exploitation of labor

The Oxford Handbook of Hosea Brad E. Kelle,2024 The Oxford Handbook of Hosea offers 32 essays on the Hebrew Bible prophetic book of Hosea Following an introductory essay examining the relevance of the study of Hosea the essays are organized around five nodes 1 History Text and Composition 2 Key Texts Established and Emerging Perspectives 3 Theological and Literary Elements Themes and Motifs and 4 Interpretive Theories and Approaches and 5 Reception Each essay examines how its topic has been and is treated within scholarship on the book of Hosea The essays engage traditional theories and newer updates to the same and also engage the textual traditions themselves which are what give rise to compositional analyses Many essays model approaches that move in entirely different ways altogether however whether those are by attending to synchronic literary theoretical or reception aspects of the text at hand Special attention is paid to elements of metaphor gender and violence in the book and its interpretation The contributions range from text critical and

dialectical issues to ancient historiography compositional history religious history metaphors feminism womanism postcolonialism masculinity queer theory ecology and reception among others Taken together these essays well represent the variety of options available when it comes to assessing and interpreting this particular biblical book

Social and Economic Life in Second Temple Judea Samuel L. Adams, 2014-08-15 Those who study the Bible are becoming increasingly attentive to the significance of economics when examining ancient texts and the cultures that produced them This book looks at the socioeconomic landscape of Second Temple Judea from the end of the Babylonian exile to the destruction of the temple by the Romans 532 BCE to 70 CE Adams carefully examines key themes paying special attention to family life the status of women and children while engaging relevant textual and archaeological evidence He looks at borrowing and lending and the burdensome taxation policies under a succession of colonial powers In this pursuit Adams offers an innovative analysis of economic life with fresh insights from biblical texts No other study has specifically analyzed economics for this lengthy timeframe especially in relation to these key themes This important book provides readers with a helpful context for understanding religious beliefs and practices in the time of early Judaism and emerging Christianity

Biblical History and Israel's Past Megan Bishop Moore, Brad E. Kelle, 2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain illuminate and clarify the biblical story Megan Bishop Moore and Brad E Kelle describe how scholars today seek more and more to tell the story of the past on its own terms drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective Biblical History and Israel's Past provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century Moore and Kelle discuss significant trends in scholarship trace the development of ideas since the 1970s and summarize major scholars viewpoints issues and developments

The Oxford Handbook of Christianity and Economics Paul Oslington, 2014 The new interdisciplinary field of Christianity and economics deals with the important and difficult questions that cluster at the boundary of these disciplines drawing on contemporary theory and empirical findings in both fields with roots in older discourses This landmark volume surveys the field and advances the discussion It deploys historical economic and theological analysis to search for answers

Solomon Walter Brueggemann, 2024-07-16 Figures of legend and lore disclose much about the societies celebrating them In the ancient Israelite culture Solomon a man praised for his wealth wisdom and power is depicted as an example of enormous human achievement Looking beneath the surface of these claims Walter Brueggemann reveals an irony that permeates the tradition In this study of Solomon and his place in the larger consciousness of Israel Brueggemann considers what Old Testament narratives reveal about the ideals of the ancient Israelite people The tradition of Solomon becomes an arena for interpretive contestation in Israel and the text makes available not historical reportage but a conflicted pluralistic attempt to sort out the reality of human power in the matrix of covenantal faith Beyond the primary narrative of 1

Kings 3 11 Brueggemann evaluates the derivative traditions of Solomon in Ecclesiastes the Song of Solomon the Wisdom of Solomon and some of the Psalms He also considers references to Solomon in the New Testament and in extrascriptural traditions connected with and attributed to him Through close attention to nuances of the biblical text Brueggemann exposes the competing interpretive voices that claim to offer a reliable rendering of Solomon and invites critique of accepted beliefs

Joel, Obadiah, Micah Daniel Epp-Tiessen, 2022-08-30 Although each is quite different the books of Joel Obadiah and Micah are all survival literature All three address the community that survived the crushing Babylonian destruction of Judah in 586 BCE And all three seek to help this community cope by giving voice to its disorientation trauma anxiety and rage Each book insists that God will wrestle a positive future out of catastrophe granting both physical and spiritual renewal No matter how dire the circumstances Israel can trust in the gracious God who will never abandon the faith community In this thirty fifth volume in the Believers Church Bible Commentary series Old Testament scholar Daniel Epp Tiessen explores the diverse yet related content of these three prophetic books always paying attention to how they might speak words of grace and healing into the disorientation exile and challenges of our own time He also confronts the theologically problematic features of these books especially their conviction that the salvation of God's people requires that God obliterate their enemies This volume explores how we might read Joel Obadiah and Micah in light of the larger biblical story of God's saving purposes that reach their fulfillment in Jesus Christ

Keeping God's Earth Noah Toly, Noah J. Toly, Daniel I. Block, 2010-05-26 Diversity of life Water resources Global climate change Cities and global environmental issues We all know being a Christian involves ethical responsibility But what exactly are our environmental obligations This unique volume teams up scientists with biblical scholars to help us discern just not that question What does the Lord require of us

The Prophetic Critique of the Priority of the Cult Theresa V. Lafferty, 2012-04-09 When Jesus overturned the carts of the merchants in the temple he was just the latest in a long line of people who decried the activities that took place there To understand his actions better one must go back in history to the eighth century BCE to the first two prophets to criticize the temple cult Amos and Isaiah Their criticism of all worship activities came as a result of the people setting wrong priorities in their lives What happens in the temple should extend into regular everyday activities in the home in the market in business dealings at work and at the city gate Amos and Isaiah present similar oracles that address the prioritization of worship over real life This book looks closely at their oracles comparing and contrasting them and analyzes what they were trying to teach the people

The Book of Amos M. Daniel Carroll R., 2020-11-19 In this commentary on the book of Amos Daniel Carroll combines a detailed reading of the Hebrew text with attention to its historical background and current relevance What makes this volume unique is its special attention to Amos's literary features and what they reveal about the book's theology and composition Instead of reconstructing a hypothetical redactional history this commentary offers a close reading of the canonical form against the backdrop of the eighth century BCE

The State of Old Testament Studies H. H. Hardy, II, M. Daniel Carroll R., 2024-11-05

This book surveys the current landscape of Old Testament studies offering readers a concise guide to contemporary academic discussions Bringing together a diverse group of experts The State of Old Testament Studies provides an informed introduction to the many fields of Old Testament research by recognized scholars presents basic questions in each subfield surveys the primary methods of answering these questions engages prominent solutions and cites relevant and up to date resources It is an extensive guide to current research and an ideal supplemental textbook for a variety of courses on the Old Testament

Class and Power in Roman Palestine Anthony Keddie, 2019-10-03 Examines how socioeconomic relations between Judaeans elites and non elites changed as Palestine became part of the Roman Empire

Biblical Economic Ethics Albino Barrera, 2013-08-31 Written in non technical language accessible to non specialist readers this book is a theological synthesis of the findings of scripture scholars and ethicists on what the Bible teaches about economic life It proposes a biblical theology of economic life that addresses three questions namely What do the individual books of Sacred Scripture say about proper economic conduct How do these teachings fit within the larger theology and ethics of the books in which they are found Are there recurring themes underlying patterns or issues running across these different sections of the Bible when read together as a single canon The economic norms of the Old and New Testament exhibit both continuity and change Despite their diverse social settings and theological visions the books of the Bible nonetheless share recurring themes care for the poor generosity wariness over the idolatry of wealth the inseparability of genuine worship and upright moral conduct and the acknowledgment of an underlying divine order in economic life Contrary to most people's first impression that the Bible offers merely random economic teachings without rhyme or reason there is in fact a specific vision undergirding these scriptural norms Moreover far from being burdensome impositions of do's and don'ts this book finds that the Bible's economic norms are in fact an invitation to participate in God's providence To this end we have been granted a threefold benefaction the gift of divine friendship the gift of one another and the gift of the earth Thus biblical economic ethics is best characterized as a chronicle of how God provides for humanity through people's mutual solicitude and hard work The economic ordinances aphorisms and admonitions of the Old and New Testament turn out to be an unmerited divine invitation to participate in God's governance of the world Our economic conduct provides us with a unique opportunity to shine forth in our creation in the image and likeness of God Often extremely demanding hard and even fraught with temptations and distractions economic life nevertheless is at its core an occasion for humans to grow in holiness charity and perfection

Ideology, Class, and the Hebrew Bible Norman K. Gottwald, 2018-01-22 This brief volume brings together three of Norman Gottwald's classic essays that address issues of social class and ideology as they pertain to the interpretation of the biblical documents The small format makes them useful for classroom and small group use providing definitions theoretical concerns and applications to specific texts The author has been a leader in the social scientific analysis of the Bible for almost fifty years Contents Social Class as an Analytic and Hermeneutical Category in Biblical Studies Social Class and Ideology in Isaiah 40-55 An Eagletonian Reading Ideology and Ideologies in Israelite Prophecy

Compassion and the Mission of God Rupen Das, 2016-01-14 Why does God care for the poor the vulnerable and the marginalized This book traces God's compassion as it is revealed in the Old and New Testaments exploring the expression and impact of

compassion in the early church through its actions and teachings as part of its witness Focusing on the church's responsibility to be compassionate Dr Rupen Das underlines the theological and missiological questions central to any discussion on the compassion of God Culminating with how compassion is lived out by God's people the book looks at concepts of transformation and the demonstration of the kingdom of God in the real world This book provides an excellent biblical and theological foundation for anyone involved or interested in ministries of social justice relief development and compassion

Rethinking the Prophetic Critique of Worship in Amos 5 for Contemporary Nigeria and the USA

Michael Ufok Udoekpo, 2016-12-14 Father Udoekpo's work offers a thorough review of the theology of worship in the work of Amos of Tekoa one of Israel's foundational prophets It critically examines Amos 5 in its socio-historical and literary context and theologically reevaluates the application of Amos's message of ethical worship judgment and hope to two contemporary cultures Nigeria and the United States of America While intentionally down to earth and engaging in society and religion this work discusses in a thoughtful and detailed exegetical manner the various sub-units of lamentation vv 1-3 the motifs of the remnant the exhortation to seek the Lord justice and righteousness vv 4-6 14-15 24 judgment and the notion of the Day of the Lord vv 18-20 as they relate to the theology of worship vv 21-27 in Amos 5 The author pastorally draws the reader's attention to Amos's view that worship must not be restricted to hypocritical offerings empty rituals and songs at sanctuaries but needs to incorporate ethics of justice peace and righteousness practiced in marketplaces and plazas

Responsibility, Chastisement and Restoration Ronald Laldinsuah, 2015-05-14 Many Old Testament scholars have focused their studies of justice on the eighth century BC prophets Isaiah Amos and Micah giving little or no attention to Hosea Neglect of Hosea in relation to justice arises from the common notion that he was a prophet of love and although some studies concede that parts of the book deal with justice it is often overlooked or given secondary importance to other concerns and themes In this publication Ronald Laldinsuah addresses this misconception by demonstrating that Hosea was indeed a prophet of justice Through careful analysis of the text as well as observing both the biblical concept and the secular notions of justice it is observed that justice must perpetuate right and true relationships In relational justice we see the inseparable relationship among humans and between humans and God emphasising Hosea's message of responsibility chastisement and restoration

Eighth Century Prophets A Social Analysis Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever.
