## **Eighty Silent Film Stars Biographies And Filmographies Of The Obscure To The Well Known:**

**Eighty Silent Film Stars** George A. Katchmer, 1991 Eighty good sized biographies of significant silent era players hard to find in other reference works and almost nowhere at this length The villains and sidekicks of two reelers Jim Corey Nelson McDowell cowboy action stars Jack Hoxie Art Acord Hoot Gibson et al comedians character actors matinee idols and other talented and reliable performers A comprehensive filmography compiled for this book by Richard E Braff and listing year studio director screenplay story or author length and cast accompanies each entry The biographies are revised and edited versions of a series that ran in the film periodical *Classic Images*

**A Biographical Dictionary of Silent Film Western Actors and Actresses** George A. Katchmer, 2015-05-20 Long before sound became an essential part of motion pictures Westerns were an established genre The men and women who brought to life cowboys cowgirls villains sidekicks distressed damsels and outraged townspeople often continued with their film careers finding success and fame well into the sound era always knowing that it was in silent Westerns that their careers began More than a thousand of these once silent Western players are featured in this fully indexed encyclopedic work Each entry includes a detailed biography covering both personal and professional milestones and a complete Western filmography A foreword is supplied by Diana Serra Cary formerly the child star Baby Peggy who performed with many of the actors herein

**Guide to the Silent Years of American Cinema** Christophe P. Jacobs, Donald McCaffrey, 1999-09-30 The latest offering from the Reference Guides to the World's Cinema series this critical survey of key films actors directors and screenwriters during the silent era of the American cinema offers a broad ranging portrait of the motion picture production of silent film Detailed but concise alphabetical entries include over 100 film titles and 150 personnel An introductory chapter explores the early growth of the new silent medium while the final chapter of this encyclopedic study examines the sophistication of the silent cinema These two chapters outline film history from its beginnings until the perfection of synchronized sound and reflect upon the themes and techniques established with the silent cinema that continued into the sound era through modern times The annotated entries alphabetically arranged by film title or personnel include brief bibliographies and filmographies An appendix lists secondary but important movies and their creators Film and popular culture scholars will appreciate the vast amount of information that has been culled from various sources and that builds upon the increased studies and research of the past ten years

**The Othering of Women in Silent Film** Barbara Tapa Lupack, 2023-11-06 In *The Othering of Women in Silent Film* Cultural Historical and Literary Contexts Barbara Tapa Lupack explores the rampant racial and gender stereotyping depicted in early cinema demonstrating how those stereotypes helped shape American attitudes and practices Using social cultural literary and cinema history as a focus this book offers insights into issues of Othering including discrimination exclusion and sexism that are as timely today as they were a century ago Lupack not only examines the ways that dominant cinema of the era imprinted indelible and pejorative images of women including African Americans Native Americans Asians Hispanics and New Women Suffragists but

also reveals the ways in which a number of pioneering early filmmakers and performers attempted to counter those depictions by challenging the imagery interrogating the stereotypes and re politicizing the familiar narratives Scholars of film gender history and race studies will find this book of particular interest      Silent Film Performers Roy Liebman,1996 Provides biographical and career data for each listed performer an overview of published books and articles about or written by the performer and a list of archival materials including photographs and stills letters and scrapbooks      **Silent Serial Sensations** Barbara Tapa Lupack,2020-04-15 The first book length study of pioneering and prolific filmmakers Ted and Leo Wharton Silent Serial Sensations offers a fascinating account of the dynamic early film industry As Barbara Tapa Lupack demonstrates the Wharton brothers were behind some of the most profitable and influential productions of the era including The Exploits of Elaine and The Mysteries of Myra which starred such popular performers as Pearl White Irene Castle Francis X Bushman and Lionel Barrymore Working from the independent film studio they established in Ithaca New York Ted and Leo turned their adopted town into Hollywood on Cayuga By interweaving contemporary events and incorporating technological and scientific innovations the Whartons expanded the possibilities of the popular serial motion picture and defined many of its conventions A number of the sensational techniques and character types they introduced are still being employed by directors and producers a century later      J.P. McGowan John J. McGowan,2005-01-01 J P McGowan 1880ndash 1952 was one of Hollywood s most prolific pioneers actor director screenwriter producer and industrial advocate for the motion picture industry Known as the Railroad Man for his specialization in action movies involving railroads he made common the image of the terrified beauty tied to a track his first wife was Helen Holmes of his iconic silent series The Hazards of Helen This work the first biography of the Australian born adventurer covers a screen career spanning 30 years and over 600 productions from the dawn of the Silent Era It chronicles his entire life and places him within the context of the times in which he lived and worked Previously unknown details are unearthed on his family background and early life as well as his participation in the Boer War and his move to the United States The work concludes with a comprehensive filmography of McGowan s work      **Eighty Silent Film Stars: Entries McDowell-Williams ; Index** George A. Katchmer,      Book Review Digest ,1992      *Masters of Evil* Georgette Sheila Fox,1998 Evil needs to be pondered just as much as good according to Carl Jung for good and evil are ultimately nothing but ideal extensions and abstractions of doing and both belong to the chiaroscuro of life If we accept Jung s idea as valid then a tangible representation can be found in the cinematic archvillain the paradigm of evil It is here that we see the negative malevolent aspects of human behavior best portrayed Such larger than life characters as The Joker Batman Lex Luthor Superman Freddy Krueger A Nightmare on Elm Street and Darth Vader Star Wars haunt our dreams and imaginations giving us both chills and thrills at the same time This book is an examination of the archvillain      SCAN/info ,1992      **Library Journal** ,1991      **Television Western Players of the Fifties** Everett Aaker,2024-10-15 Modeled after the Mack V Wright 1920 film version the 1949 western television series The

Lone Ranger made Clayton Moore's masked character one of the most recognized in American popular culture. Other westerns followed and by 1959 there were 32 being shown daily on prime time television. Many of the stars of the nearly 75 westerns went on to become American icons and symbols of the Hollywood West. This encyclopedia includes every actor and actress who had a regular role in a television western from 1949 through 1959. The entries cite biographical and family details, accounts of how the player first broke into show business and details of roles played as well as opinions from the actors and their contemporaries. A full accounting of film serial and television credits is also included. The appendix lists 84 television westerns with dates, show times, themes, and stars.

The Indian Territory Journals of Colonel Richard Irving Dodge Richard Irving Dodge, Will Rogers, 1996. These journals also provide insight into Dodge's character with reports of his official duties as a military man and of several landmark events in his family life. Extensive commentaries and notes by Wayne R. Kime provide further detail including a history of Cantonment North Fork Canadian River, a six-company post Dodge established and commanded in the region. **BOOK JACKET**

*The Best Books for Academic Libraries*, 2002. Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers.

**From Silents to Sound** Roy Liebman, 1998. Garbo talked, Gilbert self-destructed, and Chaplin refused that's about all many people know about silent film actors who faced the transition into talking pictures. Yes, Greta Garbo's talkie debut was successful, John Gilbert's was disastrous, and Charlie Chaplin did not deign to make one for over a decade. But there were many others, both stars and lesser lights, who also made the leap for at least one talking film. From Renee Adoree to Loretta Young, over 500 actors and actresses who made at least three silent films and had some starring or supporting roles in sound films are included in this reference work. For each performer, the place of birth, vital dates, nicknames, if any, real name, if different from stage name, and a source for filmographic data are included. This information is followed by capsule accounts of the performer's silent and sound careers along with contemporary reviews of selected talkies in which they appeared.

**Silent Film Necrology** Eugene Michael Vazzana, 2001. This greatly expanded over 18,500 entries versus 9,000 in the earlier edition, and updated edition includes everyone from John Aasen, an 8-foot 9-inch circus star who appeared in silent film comedies, to Vladimir Kosma Zworykin, who invented the iconoscope and kinescope that together constituted the first all-electronic television system. This is the most complete necrology available on people from the silent era. The entries are arranged alphabetically by professional name and include birth and death dates, the place of birth and death, real name when it differs from the professional name, married name for women, birth certificate date when available, age at death, and bibliographic data of any autobiography or biography. When available, the cause of death is also provided. Following these data, there is a reference to any obituary printed in *The New York Times*, *Variety*, or occasionally another publication, including the obituary's headline.

The Papers of Will Rogers: From vaudeville to Broadway: September 1908-August 1915 Will Rogers, Steven K. Gragert, M. Jane Johansson, 2001-05-01. This third volume of *The Papers of Will Rogers* documents the evolution of Rogers's

vaudeville career as well as the newlywed life of Will and Betty Blake Rogers and the birth of their children During these years the Rogerses moved to New York City and after many years of performing with Buck McKee and horse Teddy Rogers began a solo act in vaudeville as a talking roping cowboy He appeared on the same playbill with such performers as Fred Stone Eddie Cantor and Houdini and his stage career expanded to include an appearance in the Broadway musical comedy The Wall Street Girl Volume Three ends with Rogers s successful transition from vaudeville to Broadway on the brink of his breakthrough as a star of the Ziegfeld Follies [Focus On: 100 Most Popular Deaths from Pneumonia](#) Wikipedia contributors, **Griffithiana** ,1992 Journal of film history
