Women artists such as Winifred Knights Frances Hodgkins and Evelyn Dunbar have come to the fore while familiar names Paul Nash Eric Ravilious and Stanley Spencer have reached new audiences High profile exhibitions have attracted recordbreaking visitor numbers and challenged received opinion In *The Real and the Romantic* Frances Spalding one of Britains leading art historians and critics takes a fresh and timely look at this rich period in English art The devastation of the First World War left the art world decentred and directionless This book is about its recovery Spalding explores how exciting new ideas co existed with a desire for continuity and a renewed interest in the past We see the challenge to English artists represented by C zanne and Picasso and the role played by museums and galleries in this period Women artists writers and curators contributed to the emergence of a new avant garde The English landscape was revisited in modern terms The 1930s marked a high point in the history of modernism in Britain but the mood darkened with the prospect of a return to war The former advance towards abstraction and internationalism was replaced by a renewed concern with history place memory and a sense of belonging Native traditions were revived in modern terms but in ways that also let in the past Surrealism further disturbed the ascetic purity of high modernism and fed into the British love of the strange Throughout these years the pursuit of the real was set against and sometimes merged with an inclination towards the romantic as English artists sought to respond to their subjects and their times

Anthony Powell Hilary Spurling, 2018-11-06 The author of the award winning *Matisse A Life* gives us the definitive biography of writer Anthony Powell and takes us deep into the heart of twentieth century London s literary life Insightful lively and enthralling this biography is as much a brilliant tapestry of a seminal era in London s literary life as it is a revelation of an iconic literary figure Best known for his twelve volume comic masterpiece *A Dance to the Music of Time* the prolific writer and critic Anthony Powell 1905 2000 kept company between the two world wars with rowdy hard up writers and painters and painters models in the London where Augustus John and Wyndham Lewis loomed large He counted Evelyn Waugh and Henry Green among his lifelong friends and his circle included the Sitwells Graham Greene George Orwell Philip Larkin and Kingsley Amis Drawing on letters diaries and interviews Hilary Spurling herself a longtime friend of Powell s as well as an award winning biographer has produced a fresh and powerful portrait of the man and his times

**Thoroughly Modern** Sarah Knights, 2023-06-08 The life of pioneering photographer Barbara Ker Seymer Thoroughly entertaining Knights expertly evokes this hedonistic period The Times A picturesque portrayal of a world that sounds as thoroughly maniacal as it was modern Daily Telegraph I just called myself Ker Seymer Photographs Barbara said I didn t think it was necessary to have your sex displayed on the photographs Vivacious sassy out to have fun Ker Seymer was committed to independence One of a handful of outstanding British photographers of her generation Ker Seymer s work defined a talented forward looking network of artists dancers writers actors and musicians all of whom flocked to her Bond Street studio Among her sitters were Evelyn Waugh Margot Fonteyn Cyril Connolly Jean Cocteau and Vita Sackville West Barbara Ker Seymer 1905 1993 disdained lucrative society portraits in favour of unfussy modern images Her work was

widely admired by her peers among them Man Ray and Jean Cocteau Her images as a gossip column photojournalist for Harper's Bazaar were the go to representations of the aristocracy and Bright Young Things at play Yet as both a studio portraitist and a photojournalist she broke with convention Equally unconventional in her personal life Ker Seymer was prefigurative in the way she lived her life as a bisexual woman and in her contempt for racism misogyny and homophobia Fiercely independent for much of her life she rejected the idea of family preferring her wide set of creative friends with the artist Edward Burra ballet dancer William Billy Chappell and choreographer Frederick Ashton at its core Today Ker Seymer's photographs are known for whom they represent rather than the face behind the camera an irony underpinned by the misattribution of some of her most daring images to Cecil Beaton Yet her intelligence sparkle wit and genius enabled her to link arms with the surrealists the Bloomsbury Group the Bright Young Things and most gloriously the worlds of theatre cabaret and jazz With unprecedented access to private archives and hitherto unseen material Sarah Knights brings Barbara Ker Seymer and her brilliant bohemian friends vividly to life

*Vanessa Bell* Frances Spalding,2021-04-01 The definitive and authorised biography of the artist Vanessa Bell Even through the lens of the twenty first century the story of Vanessa Bell's life is unorthodox A powerful magnetic figure Bell lived at the heart of the

Bloomsbury Group and was often the core figure around which the disparate individuals of the movement revolved Her art and designs so often overshadowed by her sister Virginia Woolf s writings and fame and by the interest in her own unconventional life made a significant contribution to the history of the Bloomsbury Group Yet until this authorised biography was written she has remained a largely silent and enigmatic figure In this captivating account acclaimed art historian and biographer Frances Spalding restores Bell to the heart of the Bloomsbury Group illuminating an exceptional life and the free spirited circle among which she lived      **The Oxford Dictionary of Dance** Debra Craine,Judith Mackrell,2010-08-19 This comprehensive and up to date dictionary provides all the information necessary for dance fans to navigate the diverse dance scene of the 21st century It includes entries ranging from classical ballet to the cutting edge of modern dance      **Guernica** James Attlee,2017-10-05 A brilliant concise account of the painting often described as the most important work of art produced in the twentieth century as part of the stunning Landmark Library series Pablo Picasso had already accepted a commission to create a work for the Spanish Republican Pavilion in 1937 when news arrived of the bombing of the undefended Basque town of Gernika James Attlee offers an illuminating account of the genesis creation and complex afterlife of Picasso s Guernica He explores the historical and cultural context from which the painting sprang and the meanings it accrued during its travels across Europe and the Americas as well as its influence on artists both living and dead Finally he argues for its continuing importance as a warning of what happens when the forces of darkness go unchallenged Praise for Guernica Helps you appreciate Guernica s daring and resonance Literary Review An impressive overview of the painting s conception and execution and its subsequent life as an exhibit and a symbol Attlee s book succeeds in showing how influential Guernica has been Sunday Times Attlee digs up rich examples of the debate and devotion that invariably attended the painting Guernica literature abounds but this book is a worthwhile addition Spectator      *Creative Tension* Adrian Jenkins,2005      [Oxford Dictionary of National Biography: Chandler-Cleeve](#) Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002      **Book Review Index** ,1985 Every 3rd issue is a quarterly cumulation      **British Book News** ,1983
