Effective Frequency The Relationship Between Frequency And Advertising Effectiveness:

Effective Frequency Michael J. Naples, 1979 **When Ads Work** David M Jones, 2015-03-26 The accepted wisdom in advertising is that ad campaigns are good for building brand recognition and good will but not for immediate sales impact When Ads Work argues the opposite that well planned and well executed advertising campaigns can and should have an immediate impact on sales Featuring numerous examples from recent ad campaigns the new edition of this popular book is a model for any successful advertising research program With a device he calls STAS Short Term Advertising Strength a measure of the immediate effect of advertising on sales the author demonstrates that the strongest ad campaigns can triple sales while the weakest campaigns can actually cause sales to fall by more than 50 percent He exposes sales promotions as wasteful especially when they are unsupported by advertising and also demonstrates the strong synergy that can operate between advertising and promotion when they are planned and executed in an integrated fashion When Ads Work offers eye opening research and practical information that no one who studies advertising or spends advertising dollars can afford to ignore
