 Taking its theme from the fifth annual Studying Leadership conference held at Cranfield School of Management this work offers new formulations of the concept of leadership Making a clear link between research and practice it explores how new ideas about leadership will lead to new approaches to leadership practice Engaging Leaders Paul Gentle, Dawn Forman, 2014-04-24 Addressing the question of how leadership can work most successfully in universities Engaging Leaders strengthens the sense of shared professional knowledge and capability amongst leaders in higher education Presenting a narrative of change which not only spells out why universities need to work differently this book also takes the reader through clear practical steps which any practising leader can take in order to build a collaborative professional culture which supports and challenges all members of an academic community Using a selection of case studies from UK and international universities the book explores why working collectively remains a fundamental challenge for many higher education institutions and looks at the benefits of creating a collective commitment throughout universities It covers action learning and professional learning communities emotionally intelligent organisational cultures feedback as an intrinsic tool building partnerships and collaborations Higher Education and public value cultures of innovation and sustainable practices Engaging Leaders is for those who see themselves as leaders in higher education whether or not this is recognised in their job title It provides stimulating perspectives on what they might do to become more engaged and engaging and includes examples of inspiring practice which is already making a difference in universities colleges and new private providers It will be of value to established managers as well as those new in post and also for those participating in postgraduate programmes

Improving the Effectiveness of Supermarket Managers Martin Kriesberg, Martin Leiman, 1956 *Effective Heads of Department* Phil Jones, Nick Sparks, 2006 **Schools Effectiveness and Schools Improvement in South Africa** Tsediso Michael Makoelle, Raj Mestry, Pierre Du Plessis, 2023-08-04 This book provides a comprehensive account how school leaders conceptualize the notion of school improvement and school effectiveness in a South African school context The various authors have critically examined crucial themes accentuating school improvement and school effectiveness and encapsulating the pertinent perspectives of curriculum leadership resource management professional development school administration school development planning inclusion and equity student management and the role of school management teams This book is targeted at aspiring and practicing school leaders school administrators policy makers and scholars of school leadership and management across different levels who intend positively changing the education landscape of not only South Africa but also other developing and underdeveloped countries **Assessing Teacher Effectiveness** R. J. Campbell, 2004 How can we really evaluate teacher effectiveness Systems of teacher appraisal and evaluation are being created across the world in order to monitor and assess teacher performance But do the models used really give a fair evaluation Based on international research the authors argue that teacher effectiveness is too narrowly conceptualised and

methods of measuring it are not attuned to the real contexts in which teachers work They propose a model of differential teacher effectiveness which takes into account that teachers may be more effective with some categories of students than with others teachers may be more effective with some teaching contexts than others teachers may be more effective with some subjects or components than with others Building on and developing previous research on models of teacher effectiveness and current theories the authors open up possible new debates which will be of interest to academics and researchers working in this area throughout the world
